MOTION NO. 26-019

APPROVING RECLASSIFICATIONS WITHIN THE FACILITIES AND FLEET DEPARTMENT

WHEREAS, the 2025-2026 Adopted Budget included a classified exempt Architectural and Construction Project Manager position for the Facilities and Fleet Department at pay grade 245 and a management exempt Special Projects Coordinator at pay grade 111; and

WHEREAS, the Facilities and Fleet Director reviewed the project management needs of the department to improve delivery of services and results by analyzing duties of select personnel; and

WHEREAS, the Facilities and Fleet department has a strong need for management talent to oversee its varied facility projects to gain efficiencies and improve cross-functional collaborations and minimize information gaps, resulting in a need to position reorganization; and

WHEREAS, in December 2025, the Human Resources Department reviewed Facilities and Fleet's reclassification request and recommended that the classified Architectural and Construction Manager position be reclassified to a non-classified ("management exempt") Division Manager position, with pay grade adjusting from 246 to 112 (250 in new classified pay range effective January 1, 2026); and

WHEREAS, also in December 2025, the Human Resources Department reviewed Facilities and Fleet's reclassification request and recommended that the non-classified ("management exempt") Special Projects Coordinator position be reclassified to a classified represented position, with pay grade adjusted from 111 to 245; and

WHEREAS, the 2025-2026 Adopted Budget includes sufficient funding to absorb personnel cost changes due to these actions.
