**DATE:**

**TO:** Nate Nehring, Chair, Snohomish County Council

**FROM:** Dave Somers, Snohomish County Executive

**RE:** North Sound Behavioral Health Administrative Services Organization  
Advisory Board

I am pleased to recommend the reappointment of Michele Meaker to serve her second three-year term on the North Sound Behavioral Health Administration Organization Advisory Board (NSBHASO).

The State Legislature enacted SSB 5400 in 1989, which allows interested counties to form a regional support network for certain mental health services. Five counties of Northwestern Washington coinciding with DSHS Region 3 (Island, San Juan, Skagit, Snohomish, and Whatcom) comprise the North Sound Regional Support Network, which is now known as North Sound Behavioral Health Administrative Services Organization or NSBHASO. The NSBHASO Advisory Board advocates for the interests of mentally ill persons and their families and substance use disorder persons, and provides recommendations to the NSBHASO Board of Directors, which is made up of elected officials from the five counties. The Advisory Board is comprised of 26 members; 9 from Snohomish County. Board members serve three-year terms and are appointed by Council on recommendation of the Executive.

Michele Meaker, residing in Council District 2, is seeking reappointment to her second three-year term on the North Sound Behavioral Health Administration Organization Advisory Board. Ms. Meaker has been a community health advocate academically and professionally since 2016. Her reappointment will continue to add diversity to the County's representation on the NSBHASO Advisory Board.

Pursuant to SCC 2.03.030, I hereby urge Council confirmation of Michele Meaker to be reappointed to the North Sound Behavioral Health Administration Organization Advisory Board to serve a second three-year term ending August 31, 2027.

Thank you for your consideration.
