SPECIFIC TERMS AND CONDITIONS

PUGET SOUND TAXPAYER ACCOUNTABILITY ACCOUNT FUNDS

This INTERLOCAL AGREEMENT (the “ILA”) is entered into pursuant to the provisions of RCW Chapter 39.34 by and between SNOHOMISH COUNTY, hereinafter the “County” and the School District identified on the Face Page of this ILA, (hereinafter the “District”), a public agency. The County and the District (collectively, the “Parties”) hereby agree as follows:

I. PURPOSE

The purpose of this ILA is to set forth the duties between the County and the District regarding the distribution of Puget Sound Taxpayer Accountability Account (PSTAA) funds. The PSTAA was created as an amendment to the 2015 State Transportation Revenue Package by the Washington State Legislature and is funded by a percentage of sales and use taxes collected from Sound Transit construction projects. PSTAA funds are to be distributed to King, Pierce, and Snohomish counties proportionally based on the population of each county that lives within Sound Transit’s jurisdictional boundaries.

Pursuant to RCW 43.79.520, counties may use distributions from the PSTAA account only to improve educational outcomes in early learning, K-12, and higher education including, but not limited to, for facilities and programs for children and youth that are low-income, homeless, or in foster care, or other vulnerable populations; and to start endowments to provide support for improving educational outcomes in early learning, K-12, and higher education. Snohomish County Council outlined additional guidance for use of PSTAA funds collected in the Snohomish County subarea in its Motion 20-553, and updated guidance in its Amended Motion 21-089 and Amended Motion 22-282.

II. TERMS AND CONDITIONS

As provided by RCW 39.34.040, this ILA shall not take effect unless and until it has (i) been duly executed by both parties, and (ii) either filed with the County Auditor or posted on the County or District’s Interlocal Agreements website (“Effective Date”). The ILA shall continue in effect until terminated by either party according to the termination provisions of the Basic Terms and Conditions. Notwithstanding the Effective Date of this ILA, all activities described in the ILA that are performed on or after the start date on the Face Page of the ILA shall be governed by the terms of this Agreement.

1. Contingent upon allocation of PSTAA funds by the State, the District expressly agrees to undertake projects and programs consistent with Puget Sound Taxpayers Accountability Account Act RCW 43.79.520, Snohomish County Council Amended Motion 21-089 and Amended Motion 22-282, and any additional requirements that may be imposed by the Washington State Legislature or the County Council provided such additional requirements by the County Council are not inconsistent with the District's duties and responsibilities under existing law.
2. Administrative expenses paid with PSTAA funds under this ILA may not exceed more than 10% of the total annual PSTAA allocation.
3. The District shall ensure compliance with all applicable sections of the Revised Code of Washington (RCW) and Washington Administrative Code (WAC) and any RCW and WAC requirements as amended.

It is expressly agreed and understood that the total amount to be paid by the County under this ILA shall not exceed the total funds appropriated to the District each year and included in an amendment signed by Parties. Annually by June 30, the parties will submit an agreed-upon Services and Expenditure Plan for the upcoming year, for approval by motion by County Council. Upon approval by motion, the Services and Expenditure plan becomes an enforceable part of this ILA.

1. Districts shall expend funds in compliance with the Puget Sound Taxpayers Accountability Account Act and any additional requirements that may be imposed by the County Council or the State Legislature, provided such additional requirements by the County Council are not inconsistent with the District's duties and responsibilities under existing law.

FUNDS DESIGNATED FOR SCHOOL DISTRICT SERVICES**1. Expansion of Family Resource Advocate (FRA) contract**

Our Family Engagement team recognizes a need for a Family Resource Advocate focused on our Early Learning programs in the Edmonds School District. Family Resource Advocates are already in place by district quadrant to serve the needs of K-12 families. This additional Family Resource Advocate would serve families of young children who are most vulnerable to the impact of gentrification, the aftermath of the COVID pandemic, and who need support and help navigating very complicated systems.

This funding would allow our Family Engagement team to expand to better support families within our early learning programs by increasing the tier 3 support services for the most highly impacted families. The Family and Community Engagement Coordinator can then work with service teams (ECEAP Family Support Specialists, for example) to continue to address the needs identified by families.

The funding would expand the Early Learning Family Resource Advocate's work year to 200 days, 8 hours per day. The Family Resource Advocate would provide families with support in navigating both the school and outside systems to support their students' learning outcomes. Their role would work with both program staff and Family Engagement team to implement parent education, family engagement events, and parent participation on building and district committees that would build family stability and understanding of learning outcomes for their students in a culturally responsive way. Our Family Engagement team is part of the Equity and Student Success team and leads with an equity lens.

2. Creation of an Early Learning FRA Budget

PSTAA funding will be used to create a budget for our Early Learning FRA. Examples of how these additional dollars will be used: provide school bus transportation for families to attend engagement events, provide childcare on site so families can participate on building/district committees, contract with internal district staff or external providers to facilitate parent education workshops, and flex funds to support family basic needs.

Proposed performance indicators for educational outcome(s):

- Increased culturally responsive parent education and family engagement opportunities and attendance at both Alderwood Early Childhood Center and Woodway Center in the Edmonds School District.
- Increased support for families experiencing homelessness, students in Foster Care and those experiencing other economic hardships.
- Increased family understanding of social emotional and learning needs of students through parent education and opportunities for application.
- Increased support of families with limited English proficiency in navigating the educational school system.
- Increased opportunities and support for families to engage with district and building committee work.

Families receiving benefit of these services reside within the RTA of Snohomish County.

Access to high quality childcare in South Snohomish County is a critical need. In order for families to recover from COVID pandemic impacts, whether through career advancement, education or return to employment, additional supports are needed for childcare for their young children.

Given the need for childcare in South County and limitations related to center licensing requirements in Snohomish County, we will begin wrap-around childcare in one classroom for up to 20 students per session at Alderwood Early Childhood Center. We will begin services in Fall 2022. We will provide support for Developmental Preschool and ECEAP families to apply for Working Connections Child Care subsidies and procure additional resources to provide scholarships to any income eligible preschool students.

This project will provide up to 20 afternoon wrap-around childcare slots for students in the morning sessions and up to 20 morning wrap-around childcare slots for students in the afternoon sessions.

Families receiving benefit of these services reside within the RTA of Snohomish County.

Proposed performance indicators for educational outcome(s):

- Successful center licensing at Alderwood Early Childhood Center
- Full enrollment in one classroom space
