I possess the desire to work for the citizens of Snohomish County through my extensive education and experience. I currently serve on the Snohomish County Developmental Disabilities Citizen Advisory Board, the Rotary Club of Lake Stevens Board of Directors, and the Lake Stevens School Districts Safety Committee. My strong belief in ethical and responsive decision-making and the importance of reviewing all relevant information that affects all persons regardless of age, gender, race, ethnicity, and disabilities to make for a better and fair system of government.

I am well-versed in observing and recording situations analytically and independently. Communicate verbally and in writing with all personnel, citizens, outside counsel, and others. Able to execute duties firmly, tactfully, considerately, and neutrally. Extensive knowledge of applicable federal, state, and locality laws, as well as departmental regulations. Ability to analyze situations and adopt effective and judicious action plans with due regard to surrounding circumstances. Effectively communicates and works with people from diverse social and economic backgrounds. A disciplined leader with the proven ability to remain calm and deliver results in high-pressure situations.

In all, I believe in the Rotary motto, "Serve above Self", as professional duties take precedence over personal desires as we must place the needs of others above our own personal comfort, and we must exhibit discipline and self-control in our daily affairs. For these reasons, I want the opportunity to serve on the Ethics Commission.
