Subject: Release of Funds
Project: Go East Landfill/Bakerview

The Snohomish County Health Department is pleased to authorize release of the security funding device referenced below. The security was obtained in accordance with WAC 173-350-600 *Financial Assurance Requirements* to ensure adequate funds are available for the care of the closed landfill located at 4330 108th St SE, Everett, WA 98208. The County has determined that this performance/maintenance security funding is no longer needed as it has been replaced by Bond No. SU1188776 held by Arch Insurance Company in the amount of \$497,000.

Surety Name:	Arch Insurance Company
Bond/Account Number:	SU 1183416
Security Amount:	\$497,000
