Why would you like to serve on this board/commission? I was born in Snohomish County and am a child of a Navy Veteran who retired in 2019 out of Naval Station Everett. I would like to serve on the Snohomish County Children's Commission to bring a military/Veteran child perspective. With over 50,000 Veterans and over 2,500 Active Duty in Snohomish County, our County is home to many

military/Veteran children. Their perspective and voice are important and need to be represented. The Commission's purpose to focus on health, safety, welfare, and equity for children aligns with my volunteer and paid work experience as a youth coach, referee, and day camp counselor. I hope to contribute to and make a difference in Snohomish County on the Children's Commission by representing both the changing needs of youth and those who serve them.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

I am currently a 17-year-old junior at Archbishop Murphy High School in Everett. I was in the public school system from first through eighth grade in Snohomish County. I have excellent grades and have a strong commitment to school. I was awarded the Archbishop Murphy Scholar Award in 2021. I would bring to the Commission my values of responsibility and reliability which I have shown as a two-year varsity cross-country captain and a two-year soccer letterman. As a child of a Veteran, I bring a perspective that represents the children living in the many military/Veteran households in Snohomish County. I am committed to serving the military community through volunteering with many military non-profits, which has helped me continue to understand this population and be able to represent them. As a student during the COVID pandemic, I experienced first-hand and saw my peers impacted by disruptions and remote learning environments which impacted learning styles, behavior, and mental health which I have experienced firsthand during my volunteer work as a sports coach, youth referee, and virtual youth camp counselor and my paid position as an in-person day camp counselor, providing early learning and childcare services for local youth.

Please list community involvement/volunteer activities

- Founded a service club to help connect Archbishop Murphy High School students to volunteer opportunities and help them learn about support organizations in the community.
- Created curriculum and led a free virtual clinic for youth lacrosse players during COVID in 2020.
- Served as an intern at The Greater Maysville Tulalip Chamber of Commerce
- Volunteered as a virtual camp counselor for military kids at National Military Family Association's Operation Purple Camp
- Active volunteer with various organizations: Mill Creek Food Bank, Volunteers of America, Operation Homefront, Red Cross, National Military Family Association
