Why would you like to serve on this board/commission?	I am always looking to expand my knowledge on services for people with disabilities. I am currently working in a Bridges Transition program with 18-22 year olds and would like to have more knowledge and support for students and families. I am also currently on the Preschool Assessment Team where we are evaluating students before they turn age three and transition from birth to three services to school-based services. I would like to learn more about community opportunities to share with families.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	I have worked within the disability space for my entire career. I am an occupational therapist and have worked with people age 2-80+. I will bring my experience working in schools, clinics, skilled nursing facilities, etc. and I will use a neurodiversity affirming lens throughout my service.
Please list community involvement/volunteer activities	I have previously volunteered with Outdoors For All. I have lived in Snohomish County since August 2023 and am hoping to become more involved within my local community.
How did you learn of this opportunity?	The October Snohomish county Developmental Disabilities newsletter.
