

New Start Centers Site Operators

*Jackie Anderson, Division Manager
Housing and Community Services
Human Services Department*

January 20, 2026

The New Start Centers will provide Emergency Bridge Housing for single adults experiencing homelessness.

- Intended as a temporary bridge from homelessness to housing
- Creates a pathway for stability, employment and housing.
- Provides a range of services to address participant needs.
- Implemented in a manner that provides safety and security for participants and being a good neighbor with the local community.
- Done in collaboration with the local cities and services providers.
