MEMORANDUM

Dave Somers
County Executive

TO: Nate Nehring, Snohomish County Council Chair
FROM: Dave Somers, Snohomish County Executive
SUBJECT: Airport Commission, New Appointment
DATE: January 22, 2025

Airport Commission member Mr. Todd Haberlack, representing the Airport Tenants, has resigned from the Commission.

To replace Mr. Haberlack, I am pleased to recommend Mr. Eric Epstein. Mr. Epstein has been employed by the Boeing Company for over twenty-seven years, with seventeen of the years in a leadership position. His current role is a Planning Manager for Real Estate and Facilities which has a strong and direct connection with the Airport. Mr. Epstein interfaces frequently with staff on various issues (real estate, airfield projects, fire, security, etc.). Additionally, he is nearly a life-long resident of the area and has a deep sense of respect and appreciation for what the Airport provides to the community.

Pursuant to SCC 2.03.030, I hereby recommend Mr. Epstein to fill the position vacated by Mr. Haberlack representing Airport Tenants for the balance of the term to January 31, 2026.

Thank you for considering my recommendation.
