## **Project Description**

# (Include type of housing activity, target population, total # of units, size of units, and affordability levels)

Provide purchase assistance to low- and moderate-income first-time homebuyers. Assistance will be provided through second or third mortgages up to \$50,000 per household at three percent deferred interest for 30 years with no monthly or annual payments. Repayment would be due at the time of resale, refinance, or transfer of property. Repaid funds including the amount of purchase assistance and any shared appreciation will be used to provide additional loans to future first-time homebuyers under the program. Assistance will be provided to households with incomes at or below 80% of the area median income; it is anticipated that some households served will have incomes at or below 50% of the area median income. HomeSight also provides homebuyer education and housing counseling services to participants with other funds.
