

**AMENDMENT SHEET 1**

**ORDINANCE NO. 21-046 (ECAAF 2021-0482)**

**Amendment Name:** Adjusting language in SCC 3.05 relating to apprentice labor hours

**Brief Description:** Addition of language to meet or exceed the 15% labor hour goal of apprentice labor hours.

**Affected Ordinance Section:** Title and Section 2

**Affected Code Section:** 3.05.030

**Existing Ordinance Recitals, Findings, or Sections to Add, Delete, or Modify:**

**A. Page 1, Lines 30-35, delete:**

(2) For construction projects subject to this chapter, bidders shall submit an apprentice utilization plan prior to contract execution that reflects its plan to meet the 15% labor hour goal. Contractors shall update their apprentice utilization plan throughout the project to reflect changes to their plan to meet the labor hour goal.

And **insert:**

(2) For construction projects subject to this chapter, bidders shall submit an apprentice utilization plan prior to contract execution that reflects its plan to meet or exceed the 15% labor hour goal. Contractors shall update their apprentice utilization plan throughout the project to reflect changes to their plan to meet the labor hour goal.

**Council Disposition:** Approved 5-0                      **Date:** 8/25/2021

(Council Vice-Chair Dunn moved; Councilmember Mead seconded)
