Subject: Professional Services Agreement with CMX Medical Imaging.

Scope: The proposed agreement would replace the existing dated software, and allow for a new cloud-based, zero footprint, radiology picture archiving and communications system.

Duration: The initial term is for five years and may be extended or renewed in additional five (5) year terms.

Fiscal Impact: Current Year Multi-Year N/A

The initial acquisition is being funding through Coronavirus Local Fiscal Recovery Funds pursuant to the American Rescue Plan Act (ARPA CLFR) and the Agreement includes the additional terms and conditions required by the federal grant program. Ongoing maintenance and support will be funded by the Medical Examiner budget.

Authority Granted: Approve and authorize the County Executive to execute the Professional Services Agreement for medical imaging software, and associated amendments between Snohomish County and CMX Medical Imaging, under SCC 3.04.140(8).

Background: Snohomish County published RFP-23-040JM-C soliciting proposals for a new commercial off-the-shelf web-based, zero footprint, radiology software platform. CMX Medical Imaging in partnership with Konica Minolta Medical was selected by the Snohomish County evaluation committee as submitting the highest-ranking proposal to provide the Konica Minolta Symmetry PACS product subscription services. CMX was selected through established Federal, State and County policies and practices. The proposed agreement was negotiated.

Action Requested: For Council to move the motion to GLS on May 29, 2024, for consideration.
