Why would you like to serve on this board/commission?	With over three decades of experience in the real estate sector, I am enthusiastic about the opportunity to contribute to the board. My journey includes serving for six years on the Board of Directors for the Northwest Multiple Listing Service, a role in which I honed my leadership and industry insights. Furthermore, having been appointed by the Governor as a Real Estate Commissioner for the Department of Licensing, I've gained a unique perspective on regulatory and licensing matters. My experience extends to managing up to 250 real estate brokers and specializing in new construction projects, equipping me with a comprehensive understanding of our industry's challenges and opportunities. I am confident that my background and skills would make a valuable addition to your team.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	I'm really excited about the possibility of joining the board, and I think my background lines up perfectly with what you're looking for! My time as a director with the Northwest Multiple Listing Service, along with my role as a Commissioner for the Washington State Department of Licensing, has given me a solid foundation in the intricacies of real estate. Not to mention, my years of experience managing brokers and keeping abreast of the latest industry trends have sharpened my problem-solving and communication skills. I'm eager to bring these skills and experiences to the table to contribute in a meaningful way.
Please list community involvement/volunteer	I love giving back to our community, and I'm currently lending a hand at the University of Washington and the Everett YMCA. I've

activities also been coaching locally for over 35 years, mainly around Lake Stevens, and I really enjoy bringing people together for various local fundraisers in the Everett area. It's all about making a positive impact and having a great time doing it!

How did you learn of this opportunity? A local friend thought I would be a great fit for the position.
