Subject: Agreement with Granite Falls School District No. 332 ("District").

Scope: Motion 24-222 would approve and authorize the County Executive to sign an agreement with the District that would allow the District to participate in the County's School impact fee program.

Duration: From execution until terminated by the County or the District per section IX.A of the agreement.

Fiscal Impact: ☐ Current Year ☐ Multi-Year ☒ **N/A**

Authority Granted: Authority to sign the agreement.

Background:

Eleven of the fifteen school districts in Snohomish County participate in the County's impact fee program. Motion 24-222 would add a twelfth school district to that list. Impact fees mitigate the effects of new residential development on public school facilities. Districts may only spend impacts fees on public facilities defined in [RCW 82.02.050\(4\)](#).

Under the agreement that Motion 24-222 authorizes, Planning and Development Services would assess and collect impact fees from new unincorporated development and then transfers those fees to the District. The agreement itself does not determine the amount of those fees. Determination of the impact fee rates for the District would take place when the County Council considers its approval of all twelve participating school district Capital Facilities Plans later in 2024.

Request: Consideration in Committee of the Whole on June 11, 2024.
