Why would you like to serve on this board/commission?	I just completed 12 years on the Mill Creek City Council; the last 5 years as Mayor. This is an opportunity to use my knowledge and experience to give back to the community. The Planning Commission plays an important role in helping the County address how to plan for and accommodate the growth projected over the next 20 years.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	I have practiced land use law for 33 years and am well versed in the GMA, SEPA, Shorelines Management Act, critical areas regulations, stormwater regulations, tree regulations, and other codes and regulations regarding new development. Since 2002 I have been actively involved in, among other things: the 2005, 2015, and 2024 Comp Plan updates; several CAR updates; the URDS code provisions in 2009; and the tree code adopted in 2014. Having served for 12 years on my City Council I also bring the perspective of an elected official.
Please list community involvement/volunteer activities	12 years on Mill Creek City Council (including as Mayor Pro Tem from 2015-Aug 2020, and Mayor from Sept 2020 through 2025. While on Council I serve as the City's representative to Snohomish County Tomorrow for 10 years, and served on the Housing Affordability Regional Task Force convened by Exec. Somers in '18 and reconvened in '22. I currently fill the non-voting seat of MBAKS on the PSRC Growth Management Policy Board. I was also active with my 2 sons in Boy Scout Troop 91 -- both of whom achieved the rank of Eagle Scout (I too am an Eagle Scout.
How did you learn of this opportunity?	From my work colleague, Natalie Reber, and from Councilmember Mead.
