The SUBRECIPIENT shall comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by FEMA applicable to the Presidential Declaration including, but not limited to, all criteria, restrictions, and requirements of the "FEMA State Agreement" published by FEMA and the federal regulations commonly applicable to FEMA grants, all of which are incorporated herein by reference. The Presidential Declaration and the FEMA State Agreement are incorporated in this Agreement by reference.

The SUBRECIPIENT shall comply with the Washington State Public Assistance Applicant Manual dated March 22, 2020 incorporated in this Agreement as **Attachment 4**. The DHS Standard Terms and Conditions are incorporated by reference in this Agreement in Appendix F of the Washington State Public Assistance Applicant Manual dated March 22, 2020.

The SUBRECIPIENT acknowledges that since this Agreement involves federal award funding, the period of performance described herein may begin prior to the availability of appropriated federal funds. The SUBRECIPIENT agrees that it will not hold the DEPARTMENT, the State of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Agreement prior to distribution of appropriated federal funds, or if federal funds are not appropriated or in a particular amount.

Federal funding is provided by FEMA and is administered by the DEPARTMENT. Under the authority of Presidential Disaster Declaration number FEMA-4481-DR-WA, the DEPARTMENT is reimbursing the SUBRECIPIENT for those approved eligible costs and activities necessary under the Public Assistance Grant Program during the incident period beginning January 20, 2020 and continuing. Eligible costs and activities will be identified in Project Worksheets approved by FEMA and a Project Worksheet Sample is incorporated as **Attachment 3**. The DEPARTMENT is also providing Advance Payments to the SUBRECIPIENT where provided by FEMA and required and allowed by law. Any interest earned on advance payments (except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450)) shall be promptly, but at least quarterly, remitted to the DEPARTMENT to be paid to FEMA. The SUBRECIPIENT may keep interest amounts up to \$100 per year for administrative expenses.

A. STATE AND FEDERAL REQUIREMENTS FOR PUBLIC ASSISTANCE GRANTS:

The following requirements apply to all DHS/FEMA Presidential Disasters administered by the DEPARTMENT.

1. FUNDING

The DEPARTMENT will administer the Public Assistance (PA) Grant Program, provide Advance payments, and reimburse approved eligible Public Assistance costs to the SUBRECIPIENT that are identified under the auspices of Presidential Disaster Declaration Number FEMA-4481-DR-WA and authorized by and consistent with the Stafford Act (P.L. 93-288, as amended) and applicable regulations.

It is understood that no final dollar figure is committed to at the time that Agreement is executed, but that financial commitments will be made by amendments to the project application as Project Worksheets are completed in the field and projects are authorized by state and federal officials.

Pursuant to the FEMA-STATE AGREEMENT, FEMA will contribute not less than **75** percent of the eligible costs for any eligible project and 100 percent of the federal PA Management Costs, up to 5 percent of the total award amount for each Subrecipient, as provided for in subsection 3.E. of Article II of this Public Assistance Agreement. The SUBRECIPIENT commits to providing the remaining **25** percent non-federal match to any eligible project that has been identified under the Presidential Disaster Declaration number FEMA-4481-DR-WA, subject to the following exceptions:

DEPARTMENT Match: The Washington State Legislature may authorize the DEPARTMENT to provide a match to the SUBRECIPIENT's non-federal share of eligible projects. Provision of a match by the DEPARTMENT, if authorized by the Washington State Legislature, shall not require amendment of this Agreement. If DEPARTMENT match funds are committed to the non-federal share by the DEPARTMENT pursuant to legislative authorization, the DEPARTMENT will formally notify the SUBRECIPIENT of the match in writing which will include information identifying any related reduction in the SUBRECIPIENT's percentage commitment.

Donated Resources: FEMA will credit the SUBRECIPIENT for the value of donated resources (non-cash contributions of property or services) related to eligible Emergency Work to offset the non-Federal cost share of its eligible Emergency Work project worksheets – categories A and B, and for the value of donated resources related to eligible work on a Permanent Work project to offset the non-Federal cost share of that specific Permanent Work project worksheet for which the resources were donated – categories C through G. The Donated Resources are recognized by FEMA in a Project Worksheet. Donated Resources offset the non-federal share of the eligible emergency work approved in Project Worksheets or specific permanent work approved in Project Worksheets. For non-state agency SUBRECIPIENTS, the donated resource value will first be applied to the SUBRECIPIENT's non-federal share, and, if a DEPARTMENT match is authorized, any remaining donated resource value will be applied to the DEPARTMENT's share. The value of the Donated Resources is calculated as described in FP 104-009-2 Public Assistance Program and Policy Guide (PAPPG) and the Public Assistance Donated Resources Recovery Policy, and is capped at the non-Federal share of approved eligible emergency work costs or capped at the non-Federal share of the specific approved eligible permanent work costs, as applicable. The Federal share of the Donated Resources will not exceed the non-federal share of eligible emergency work costs or of specific permanent work costs approved in Project Worksheets. Any excess credit for eligible emergency work costs can be credited only to other eligible emergency work costs, for the same SUBRECIPIENT in the same disaster. The value of excess donated resources cannot be credited toward or transferred to another eligible SUBRECIPIENT, or toward other State obligations. The DEPARTMENT does not match a FEMA donated resource credit.

The Project Worksheet, sample provided in Attachment 3, is required to be completed by FEMA or State Project Specialists.

2. GRANT AGREEMENT PERIOD

- a. Activities payable under this Agreement and to be performed by the SUBRECIPIENT under this Agreement shall be those activities which occurred during or subsequent to the incident period defined in the FEMA State Agreement, and shall terminate upon completion of the project(s) approved by federal and state officials, including completion of close-out and audit. This period shall be referred to as the "Grant Agreement Period."
- b. The Grant Agreement Period shall only be extended by (1) written notification of FEMA approval of the Grant Agreement Period followed up with a mutually agreed written amendment, or (2) written notification from the DEPARTMENT to the SUBRECIPIENT issued by the DEPARTMENT to address extensions of its underlying federal grant performance period or to provide additional time for completion of the SUBRECIPIENT's project(s).

- c. Improved Projects: Payments on improved projects (capped project) will be pro-rated based upon the percentage of the project that is funded under this disaster grant to the overall project cost. This percentage will be identified when the first payment on the improved project is made. Progress payments will be made as outlined above in Section B.
- d. Final Payment: Final Payment on a large project will be made following submission by the SUBRECIPIENT of a certification of completion on the STATEMENT OF DOCUMENTATION / FINAL INSPECTION REPORT form upon completion of project(s), completion of all final inspections by the DEPARTMENT, and final approval by FEMA. Final payments may also be conditional upon financial review, if determined necessary by the DEPARTMENT or FEMA. Adjustments to the final payment may be made following any audits conducted by the Washington State Auditor's Office, the United States Inspector General or other federal or state agency.
- e. The SUBRECIPIENT is eligible to receive federal PA Management Costs up to 5 percent of the total award amount for each Subrecipient at the time of its request. PA Management Costs includes any of the following when associated with the PA portion of a major disaster or emergency: Indirect costs, direct administrative costs, and other administrative expenses associated with a specific project. - k. If travel costs exceed set state or federal limits, travel costs shall not be reimbursed without written approval by DEPARTMENT Key Personnel.
- l. Receipts and/or backup documentation for any approved items that are authorized under this Agreement must be maintained by the SUBRECIPIENT consistent with record retention requirements of this Agreement, and be made available upon request by the DEPARTMENT, and local, state, or federal auditors.
- m. All work under this Agreement must end on or before the Grant Agreement End Date, and the final reimbursement request must be submitted to the DEPARTMENT within 45 days after the Grant Agreement End Date, except as otherwise authorized by written amendment of this Agreement and issued by the DEPARTMENT.

- n. No costs for purchases of equipment/supplies will be reimbursed until the related equipment/supplies have been received by the SUBRECIPIENT, its subrecipient or contractor, or any non-federal entity to which the SUBRECIPIENT makes a subaward, and is invoiced by the vendor.
- o. SUBRECIPIENTS shall only use federal award funds under this Agreement to supplement existing funds, and will not use them to replace (supplant) non-federal funds that have been budgeted for the same purpose. The SUBRECIPIENT may be required to demonstrate and document that the reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

The DEPARTMENT shall provide Advance Payments as provided by FEMA and as required and authorized by law.

The status shall identify the costs incurred to date, the percentage of work completed, the anticipated completion date of the project and whether cost under runs or over runs are expected. In addition, the SUBRECIPIENT should note in the comment field any challenges or issues associated with the project. Failure to submit a complete quarterly report within 15 days following the end of the quarter will result in suspension of all payments to the SUBRECIPIENT until a complete quarterly report is received by the DEPARTMENT. The quarterly report will serve as the basis for any FEMA Office of Chief Financial Officer (OCFO) funds reduction.

6. TIME EXTENSIONS

A time extension request is required to be forwarded to the DEPARTMENT by the SUBRECIPIENT for a project prior to the expiration of the approved completion date. If the project is approved and funded after the statutory approval time period for completion, then a time extension request must be submitted to the DEPARTMENT within fifteen days of receipt of the funding package.

In accordance with 44CFR206.204, the DEPARTMENT reserves the right, in its sole discretion, to consider and approve a time extension request after expiration of the approved completion date and within the DEPARTMENT's statutory extension authority. Requests for time extensions beyond the DEPARTMENT's authority will be considered and approved by FEMA, at their sole discretion.

All determinations made regarding time extension requests will be based on a case by case evaluation of specific factual circumstances.

A time extension request must be in writing and identify the Project Worksheet number, the reason the project has not been completed within the prior approved completion period, the reason the time extension request was not submitted prior to the statutory approval time period (if applicable), a current status of the completion of the work, a detailed timeline for completion of the remaining elements, and an anticipated completion date for the completion of the remaining work. Failure to submit a time extension request in a timely manner may result in denial of the time extension request, and loss of funding for the related project.

7. PROCUREMENT

The SUBRECIPIENT shall comply with all procurement requirements of 2 CFR Part 200.318 through 200.326 and as specified in the General Terms and Conditions, Exhibit A.11.

Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations. DHS published the required recipient guidance in April 2011, DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 76 Fed. Reg. 21755-21768, (April 18, 2011). The Guidance provides helpful information such as how a recipient can determine the extent of its obligation to provide language services; selecting language services; and elements of an effective plan on language assistance for LEP persons. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance at <https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-access-people-limited> and additional resources on <http://www.lep.gov>.

The SUBRECIPIENT shall use a competitive procurement process in the procurement and award of any contracts with contractors or sub-contractors that are entered into under the original contract award. The procurement process followed shall be in accordance with 2 CFR Part 200.318 General procurement standards through 200.326 Contract Provisions.

As required by Appendix II to 2 CFR Part 200, all contracts entered into by the SUBRECIPIENT under this Agreement must include the following provisions, as applicable:

1) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

2) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

3) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Such preference must be consistent with the law, including cost and contracting requirements of 2 CFR Part 200.

b. The DEPARTMENT reserves the right to review the SUBRECIPIENT procurement plans and documents, and require the SUBRECIPIENT to make changes to bring its plans and documents into compliance with the requirements of 2 CFR Part 200.318 through 2 CFR 200.326. The SUBRECIPIENT must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the SUBRECIPIENT and DEPARTMENT to make a determination on eligibility of project costs.

c. All sub-contracting agreements entered into pursuant to this Agreement shall incorporate this Agreement by reference.

A.12 DISCLOSURE

The use or disclosure by any party of any information concerning the DEPARTMENT for any purpose not directly connected with the administration of the DEPARTMENT's or the SUBRECIPIENT's responsibilities with respect to services provided under this Agreement is prohibited except by prior written consent of the DEPARTMENT or as required to comply with the state Public Records Act, other law or court order.

The panel shall consist of a representative appointed by the DEPARTMENT, a representative appointed by the SUBRECIPIENT and a third party mutually agreed upon by both parties. The panel shall, by majority vote, resolve the dispute. Each party shall bear the cost for its panel member and its attorney fees and costs, and share equally the cost of the third panel member.

The SUBRECIPIENT will pursue, and require sub-recipients to pursue, full payment of eligible insurance benefits for properties or any other losses covered in a project under this Agreement. The SUBRECIPIENT will repay the DEPARTMENT any funds provided under this grant agreement that are duplicated by other benefits, funds, or insurance proceeds. The SUBRECIPIENT will also seek recovery against any party or parties whose negligence or other intentional or tortious conduct may have caused or contributed to the expenditures for which these grants funds are provided. The SUBRECIPIENT will repay the DEPARTMENT any funds recovered by settlement, judgment or other court order in an action to recover funds provided by this grant. The SUBRECIPIENT shall notify the DEPARTMENT as early as possible and work in conjunction with the DEPARTMENT and FEMA to ensure appropriate apportionment of any duplicated or recovered payment.

A.15 HAZARDOUS SUBSTANCES

The SUBRECIPIENT shall inspect and investigate the proposed development/construction site for the presence of hazardous substances. The SUBRECIPIENT shall fully disclose to the DEPARTMENT the results of its inspection and investigation and all other knowledge the SUBRECIPIENT has as to the presence of any hazardous substances at the proposed development/construction project site. The SUBRECIPIENT will be responsible for any associated clean-up costs. "Hazardous Substance" is defined in RCW 70.105D.020 (10).

A.16 LEGAL RELATIONS

Alternatively, the parties may renegotiate the terms of this Agreement under "Amendments and Modifications" to comply with new funding limitations and conditions, although the DEPARTMENT has no obligation to do so.

A.19 NONASSIGNABILITY

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the SUBRECIPIENT.

A.28 RECAPTURE PROVISION

In the event the SUBRECIPIENT fails to expend funds under this Agreement in accordance with applicable federal, state, and local laws, regulations, and/or the provisions of the Agreement, the DEPARTMENT reserves the right to recapture funds in an amount equivalent to the extent of noncompliance. Such right of recapture shall exist for the life of the project following Agreement termination. Repayment by the SUBRECIPIENT of funds under this recapture provision shall occur within 30 days of demand. In the event the DEPARTMENT is required to institute legal proceedings to enforce the recapture provision, the DEPARTMENT shall be entitled to its costs and expenses thereof, including attorney fees.

A.29 RECORDS AND REPORTS

- a. The SUBRECIPIENT agrees to maintain all books, records, documents, receipts, invoices and all other electronic or written records necessary to sufficiently and properly reflect the SUBRECIPIENT's contracts, subawards, grant administration, and payments, including all direct and indirect charges, and expenditures in the performance of this Agreement (the "records").

- d. The SUBRECIPIENT shall retain and allow access to all records related to this Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Agreement. Despite the minimum federal retention requirement of three (3) years, the more stringent State requirement of six (6) year must be followed.

A.30 RECOVERY OF FUNDS

Any person who intentionally causes a condition for which funds are provided under this Agreement shall be liable for the costs incurred by the state and federal governments in responding to such disaster. In addition to its own duty to recover duplicated funds or funds expended due to the intentional or negligent actions of others. The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the SUBRECIPIENT, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the SUBRECIPIENT shall ensure that all applicable Federal, State, and local permits and clearances are obtained, including but not limited to FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws and executive orders.

The SUBRECIPIENT shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the SUBRECIPIENT in connection with the project. The SUBRECIPIENT shall not look to the DEPARTMENT, or to any state or federal agency, or to any of their employees or

agents, for any performance assistance, or any payment or indemnity, including but not limited to cost of defense and/or attorneys' fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.32 SEVERABILITY

If any court of rightful jurisdiction holds any provision or condition under this Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Agreement are declared severable.

A.33 SINGLE AUDIT ACT REQUIREMENTS (including all AMENDMENTS)

Non-federal entities as subrecipients that expend **\$750,000** or more in one fiscal year of federal funds from all sources, direct and indirect, are required to have a single or a program-specific audit conducted in accordance with 2 CFR Part 200 Subpart F. Non-federal entities that spend less than **\$750,000** a year in federal awards are exempt from federal audit requirements for that year, except as noted in 2 CFR Part 200 Subpart F. As defined in 2 CFR Part 200, the term "non-federal entity" means a State, local government, Indian Tribe, institution of higher education, or non-profit organization that carries out a federal award as a recipient or subrecipient.

SUBRECIPIENTS that are required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the United States Comptroller General and the OMB Compliance Supplement. The SUBRECIPIENT has the responsibility of notifying its auditor and requesting an audit in compliance with 2 CFR Part 200 Subpart F, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by 2 CFR Part 200 Subpart F.

The SUBRECIPIENT shall maintain auditable records and accounts so as to facilitate the audit requirement and shall ensure that any subrecipients or contractors also maintain auditable records.

The SUBRECIPIENT is responsible for any audit exceptions incurred by its own organization or that of its subcontractors. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report.

The SUBRECIPIENT must respond to DEPARTMENT requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The DEPARTMENT reserves the right to recover from the SUBRECIPIENT all disallowed costs resulting from the audit.

Once the single audit has been completed and includes any audit findings, the SUBRECIPIENT must send a full copy of the audit to the DEPARTMENT and its corrective action plan no later than nine (9) months after the end of the SUBRECIPIENT's fiscal year(s) to:

**Contracts Office
Washington Military Department
Finance Division, Building #1 TA-20
Camp Murray, WA 98430-5032**

If Contractor claims it is exempt from the audit requirements of 2 CFR Part 200 Subpart F, the SUBRECIPIENT must send a letter identifying this Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the SUBRECIPIENT's fiscal year(s) to the address listed above.

The DEPARTMENT retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

The SUBRECIPIENT shall include the above audit requirements in any subawards.

Conducting a single or program-specific audit in compliance with 2 CFR Part 200 Subpart F is a material requirement of this Agreement. In the absence of a valid claim of exemption from the audit requirements of 2 CFR Part 200 Subpart F, the SUBRECIPIENT's failure to comply with said audit requirements may result in one or more of the following actions in the DEPARTMENT's sole discretion:

a percentage of federal awards being withheld until the audit is completed in accordance with 2 CFR Part 200 Subpart F; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

A.34 SUBRECIPIENT NOT EMPLOYEE

The parties intend that an independent contractor relationship will be created by this Agreement. The SUBRECIPIENT, and/or employees or agents performing under this Agreement are not employees or agents of the DEPARTMENT in any manner whatsoever. The SUBRECIPIENT will not be presented as nor claim to be an officer or employee of the DEPARTMENT or of the State of Washington by reason of this Agreement, nor will the SUBRECIPIENT make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the DEPARTMENT or of the State of Washington by reason of this Agreement, including, but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

It is understood that if the SUBRECIPIENT is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the State of Washington in their own right and not by reason of this Agreement.

A.35 TAXES, FEES AND LICENSES

Unless otherwise provided in this Agreement, the SUBRECIPIENT shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the SUBRECIPIENT or its staff required by statute or regulation that are applicable to Agreement performance.

A.36 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Agreement, the SUBRECIPIENT may terminate this Agreement by providing written notice of such termination to the DEPARTMENT's Key Personnel identified in the Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Agreement, the DEPARTMENT, in its sole discretion and in the best interests of the State of Washington, may terminate this Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the SUBRECIPIENT. Upon notice of termination for convenience, the DEPARTMENT reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the SUBRECIPIENT from incurring additional obligations of funds. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the DEPARTMENT, or if such corrective action is deemed by the DEPARTMENT to be insufficient, the Agreement may be terminated in whole or in part.

The DEPARTMENT reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the SUBRECIPIENT from incurring additional obligations of funds during

investigation of the alleged compliance breach, pending corrective action by the SUBRECIPIENT, if allowed, or pending a decision by the DEPARTMENT to terminate the Agreement in whole or in part.

In the event of termination, the SUBRECIPIENT shall be liable for all damages as authorized by law, including but not limited to, any cost difference between the original Agreement and the replacement or cover Agreement and all administrative costs directly related to the replacement Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the DEPARTMENT provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the SUBRECIPIENT: (1) was not in default or material breach, or (2) failure to perform was outside of the SUBRECIPIENT's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience".
