I am not informed as to what is specifically needed in this role, but I am positive that I am well qualified and ready to contribute anything I can. I have always been drawn to working with and for people. I love being able to give back. I am in a place in life where I have the time and the experience to truly contribute. I moved to Snohomish 3 years ago and have fallen in love with it. I have knowledge and experience in many areas equine. I bring a unique, yet qualified perspective to this position and would love to use my experience to help my community. I have been a serious equestrian for 31 years. Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	I started competing horses at the age of 7. My family purchased a large horse boarding facility when I was 12. We owned and operated that until three years ago when I moved to Snohomish. I have groomed at two Olympic Games, One World equestrian games and many upper level events nationally and internationally. I currently still teach and ride professionally at Polestar Farm in Lake Stevens.
