WHEREAS, the Contractor and Snohomish County entered into Amendment 5 on October 25, 2021; and

WHEREAS, the Parties have determined that the commission terms stated in Section 2 of Amendment 5 conflict with language included in Section 2 of Amendment 2 entered into on August 18, 2016; and

WHEREAS, clarification is required to indicate specific changes to Section 2 of Amendment 2 concerning commission rates.

NOW THEREFORE, in consideration of the promises and covenants set forth in this Amendment 6, and for good and valuable consideration, the sufficiency of which is acknowledged, that Parties agree as follows:

On the effective date of the FCC Order, the FCC Order rates and charges for international, interstate, and intrastate inmate telephone service (“ITS”) calls and associated ancillary service charges set forth in the Agreement shall be deemed revised without further action by the Parties, and shall be implemented, as follows:

International ITS calls, whether made using a debit or prepaid/AdvancePay™ format: **\$0.21** per minute plus the applicable call termination rate for the destination country as published on the Contractor’s website, which may be updated every 3 months in accordance with the FCC Order.

No per call, per connection, or flat-rate calling charges shall apply to international or interstate ITS per minute of use calls.

The ITS rates set forth above are exclusive of taxes and other amounts collected by the Contractor on behalf of, or paid to, third parties, including but not limited to payments in support of statutory or regulatory programs mandated by governmental or quasi-governmental authorities, such as the Federal Universal Service Fee, and any costs incurred by the Contractor in connection with such programs.
