Employer (Self-employed) PAL Consulting
Occupation Healthcare Consultant
Education Sc.M.
Licenses held (if applicable) LMHP
Professional experience relevant to board/commission 20+ years as LMHP and CDP working in both fields. I also have personal experience (family member) who struggles with chronic mental health conditions.
Community involvement I have been a frequent member in Snohomish 2% AOB Board and participated in the "10th" Council Board

Do you serve on any other Snohomish County board or commission? not at this time

Reasons for serving/additional comments I find working with board rewarding way to give back. There are always unmet needs and serving on the board allows me to use my experience to help shape actions to meet some of those identified needs.
(over please)

*2.03.060SCC - Candidates for appointment to County boards or commission must meet the following requirements:

1. Possess qualifications for the appointment sought, as shown by the candidate's written documentation and any hearing testimony.
2. If a reappointment, demonstrate the continuing benefits of retaining the board member as discussed in the executive's recommendation and a satisfactory attendance record, as determined by adopted criteria of the particular board.
3. Reside or work in Snohomish County or show evidence of special interest in Snohomish County, provided that a candidate may not be a County employee.
4. Membership is limited to one position at a time on a board or commission, provided that a member of a board may simultaneously serve on one ad hoc or advisory committee. (Ord. 82-037 § 1, adopted June 9, 1982)

EMPLOYMENT HISTORY

Executive Director, Healthcare Consultant, POL Consulting, September 2010 to current. Successful facilitation of initial agency accreditation for moderate sized Home Health and Hospice organization; creation of policy and procedure manuals for startup organizations, establishment of robust quality oversight program for new and established Hospice and Home Health organizations; successfully defended and overturned ADR denials for multiple agencies returning well over one million in revenue are a few of projects completed. The organization supports quality, regulatory compliance and accreditation readiness activities for Home Health, Hospice and Behavioral Health programs. Provide Home Care start-up organizations with assistance in establishment of processes to support their new programs as well as assistance of established programs in addressing their quality management or regulatory compliance issues. CHAP Consultant Certification successfully completed in October 2013.

Director, Quality Management and Regulatory Compliance, Providence Hospice & Home Care of Snohomish County, July 2002 to September 2010. Oversight responsibilities for corporate compliance plan, regulatory compliance, accreditation readiness program, contract management and patient/workforce safety programs. Facilitated Process Improvement Team with successful participation in two national demonstration projects. Trained as a Change Facilitator in initial adoption of the Operational Excellence program, and with the addition of LEAN process mapping, continue to utilize skills for internal agency improvement projects. Recently, coordinated for the third time, a successful three-year accreditation cycle under CHAP standards. Maintain CARF Behavioral Health surveyor status since 1997 ensuring skills and knowledge remain current in both Mental Health and Addiction services.

Clinical Director, Evergreen Manor, February 1995 to February 2002. Clinical Director for Intensive Out-patient Chemical Dependency Program, Residential Recovery Services, Social Detox Unit and the Domestic Violence programs. Supervisor and direct service provider for adult and dual-diagnosis CD services and the DV Perpetrator program. Responsible for quality assurance, in-service and education programs, community education and resource services. Supervise and support eighteen counselors, residential and detox staff members, and

support staff members through out the agency for clinical or procedural issues. Monitor adherence to state and accreditation regulations and statutes for all clinical service contracts.

Program Director, COPE, 1992 to October, 1994. Provided assessment and therapeutic services for children, adolescents, and adults. Program services range from mental health to chemical dependency. Administrative duties include supervision, program quality assurance, in service and education programs. Community services remain consistent with previous position.

Program Coordinator, Agoos & Associates, 1991 to 1992. Developed and implemented intensive outpatient program for adolescents, adults, or dual diagnosis clients. Responsible for the implementation, administration and therapeutic service within the program. Community services included training school personnel in SAP teams, community presentations and resource services.

Adolescent and Family Counselor, Belleville Mental Health, 1988 to 1991. Developed and implemented adolescent chemical dependency program. Caseload focused on adolescents, adult children of alcoholics, adult co-dependents, and dual diagnosis clients. Actively participated in Student Assistance Programs (SAP) with local High Schools and community prevention programs. Primary supervisor for Internship program. Administrative responsibilities included supervision, program quality assurance and education programs.

Family Counselor, Family Guidance Center, Kapaun Air Station, Germany, 1987 - 1988. Provided individual and family counseling ranging from adjustment disorders to domestic containment. Primary caseload focused on adolescent substance abuse, depressive and suicidal problems. Participated in a multi-disciplinary team for acute psychiatric evaluation and treatment recommendations.

Assistant to the Director of the Counseling Program, Boston University, 1986 - 1987. Administrative support for the director of an overseas extension program of Boston University including seven sites with an enrollment of over 275 master level candidates throughout the European theater. Duties include support of professorial staff, students, scheduling of class offerings and special conferences.
