Subject: Amendment 1 to OD2A Contract with Swedish Health Services

Scope: The Health Department contracts with Swedish Health Services to perform follow-up with overdose patients presenting at Swedish Health Services – Edmonds and Mill Creek locations. The contractor agrees to:

- Follow up with overdose patients who were treated at Contractor’s Emergency Department and connect patients with substance use and mental health treatment and other needed services.
- Complete case reports for each patient.
- Participate in meetings to discuss trends, progress, challenges, and opportunities, etc.

Amendment 1 to the agreement:

- Extends the contract period until August 31, 2025, and allows the contract to be extended additionally.
- Increases the contract by \$32,000, bringing the total to \$64,000.

This contract is funded by the *Overdose Data to Action: Limiting Overdose through Collaborative Actions in Localities* (OD2A: LOCAL) grant through the CDC.

Duration: September 1, 2023, through August 31, 2025. May be extended for up to 2 additional 1-year terms.

Fiscal Impact: ☐ Current Year ☒ Multi-Year ☐ N/A

Expenditures	Current Year	2025	2026	2027	2028	Total
Fund 125	\$32,000	\$32,000				\$64,000

Authority Granted: Motion 24-397 authorizes the Executive to sign Amendment No. 1 with Swedish Health Services to perform follow-up with overdose patients under the CDC OD2A Grant.

Background: OD2A: LOCAL was structured to provide jurisdictions flexible resources to improve and create local prevention activities that are informed by local data and

direct experience and improve the surveillance of drug overdoses. Grant purposes include:

- Using data to inform and tailor prevention strategies, with emphasis on reaching groups disproportionately affected by the overdose epidemic, at highest risk of overdose, and those historically underserved by prevention programs.
- Ensuring the implementation of culturally relevant interventions and the equitable delivery of prevention services, informed by data and ongoing engagement with the populations programs are intended to serve.
- Developing and growing multisectoral partnerships to strengthen the local overdose response.

Requested Action: Move Motion 24-397 to the GLS for Council consideration.
