**Subject:** Authorizing the sale of the twenty-two (22) units of County ER&R surplus.

**Scope:** The Facilities and Fleet Department requests approval, in accordance with SCC 4.46.141, to sell 22 units of surplus equipment with values estimated at \$25,000 or more. A complete list is included and attached to the motion.

**Duration:** NA.

**Fiscal Impact:**  Current Year  Multi-Year  N/A

Proceeds from the surplus sales in 2026 will be deposited into the originating department's ER&R reserves for future equipment replacement.

Department	Estimated Sale Value
Solid Waste (12 units)	\$360,000
Roads (10 units)	\$250,000
<b>Total</b>	<b>\$610,000</b>

**Authority Granted:** Authorize Fleet Services to sell twenty-two (22) units of surplus ER&R assets listed in Attachment A to the motion, in accordance with SCC 4.46.

**Background:** Upon yearly review with respective departments, equipment can be determined surplus. This can happen under standard fleet rotation, or if a department has determined the unit is no longer necessary for county operations. Sale prices are estimated and included in the surplus list to Council. Estimated sales revenue is based on historical results of similar sales. Sales can occur through public auction, or negotiated sale, direct sale, lease, or trade to other government entities. Sales proceeds are deposited into the corresponding County department reserve funds for future equipment replacement in accordance with SCC 4.34.025 and SCC 4.34.055.

**Action Requested:** For Council to move the motion to GLS on November 12, 2025, for consideration.
