#### **BRIEF DESCRIPTION:**

The Auditor requests the use of a "piggyback" or "cooperative purchase" under SCC 3.04.220 utilizing a competitive bid issued and awarded by King County. An interlocal (ILA) agreement between Snohomish County and King County authorizing cooperative purchases was approved by the County Council under Motion 13-319 and is currently in effect.

King County issued competitive solicitation number RFP 1166-18-PCR for Aerial Image Acquisition and SaaS Solution on January 30, 2018. After evaluation, the contract was awarded to EagleView Technology Corp. Issuing a county RFP is not expected to result in a difference of supplier.

The use of this contract supports the ongoing need for Ballot Printing, Insertion & Mailing Services.

On July 17, 2019, the use of King County RFP 1166-18-PCR was approved by County Council, for purchases not to exceed \$150,000 annually under Snohomish County Piggyback PB-19-14BC. This amount was entered erroneously, and is being resubmitted for the correct amount of \$150,747.50 annually, therefore requiring Council approval.

#### **AWARD AUTHORITY:**

This contract award recommendation is before the Executive for approval to award in accordance with Snohomish County Code section 3.04.120(4), "Formal sealed bidding," and section 3.04.140(3) "Award, execution, by whom," which establish the County Council as the award authority for contracts subject to bidding requirements greater than \$500,000.
