Re: **Sno-Isle Libraries Board of Trustees Appointment**

I am pleased to recommend the appointment of Kay Crull to the Sno-Isle Libraries Board of Trustees. Upon appointment, Kay's term will begin January 1, 2025, and expire December 31, 2031.

After a review of 92 applications, Kay was identified as the top candidate. Kay retired in 2019 as Senior Vice President of Operations for The American Red Cross. Kay exhibits the attributes identified as most important to the work of a Library Trustee, including community connectedness, support of the principals, vision, and financial stewardship of the Library District, pertinent skills and experience, and a commitment to amplifying diverse community voices.

Along with The Sno-Isle Libraries Board of Trustees, I respectfully request formal Council appointment of Kay Crull.
