

Amendment 11

Siemens Industry, Inc.

Date: 23 NOV 2020

To: Snohomish County – Lolly Huggins

RE: SiPass Access Control Software Upgrade

Siemens Industry, Inc. (SII) is pleased to provide the following quote for the above referenced project.

FINANCIAL SUMMARY

Software & Licensing	\$ 2,470.00
Installation labor	\$ 4,648.00 (28hrs)
Training	\$ 332.00 (2hrs)
TOTAL INVESTMENT:	\$ 7,450.00

SOLUTION OVERVIEW

Siemens is proposing the upgrade of the existing SiPass Access Control Software from version 2.65 to version 2.81 for Snohomish County Campus system. New software to be added to one (1) server and four (5) existing client workstations.

SYSTEM

- Snohomish County SiPass 'Campus' Security Access Control (excluding DJJC & Jail)
- Software Migration: Current version SiPass 2.65 / Upgraded version SiPass 2.81

Bill of Materials

- (Qty: 5) Siemens Part #:P54511-P13-A1 = SiPass Version Upgrade Credit (\$494each)
**Note* One upgrade credit required per license workstation to move from any version to latest version*

QUALIFICATIONS

1. Fixed Price proposal.
2. Siemens plans to upgrade the SiPass software version for Snohomish Campus. This excludes the Jail and DJJC facilities. Both Jail and DJJC are currently setup as stand-alone SiPass systems and will be proposed separately if requested by Snohomish County.
3. Software license enrollment and programming to be completed by certified Siemens technician. Five (5) client machines will receive a SiPass software upgrade. Includes machines are: Do It Server, Helen's Client Machine, Chad's Client Machine, Marshall's Client Machine, and Evidence Client Machine.
