Why would you like to serve on this board/commission?	I would love the opportunity to serve on the Snohomish County Children's Commission because I want to give back to my community by volunteering my time and my voice to ensure that all children in Snohomish county are able to thrive.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	I have previously served on boards relevant to youth life in Snohomish County, including the City of Everett Youth Advisory Board and the Everett Public Schools Foundation Board. In these roles, I was able to advocate for youth from a youth perspective. Two examples of projects that I did while serving on these boards include presenting to school district administrators on student needs and going to the YMCA to encourage more youth to get involved in the Youth Advisory Board.
Please list community involvement/volunteer activities	While enrolled at Everett High School, I was heavily involved in the school community by serving in various leadership roles. Most notably, in the 2022-23 school year, I served as National Honor Society President, helping organize service events such as our annual Senior Citizens Dance. That year, I also served as one of the senior class senators, helping organize events like prom for the class of 2023. Additionally, I was also the President of the Black Student Union and the Technology Student Association, and I helped organize events for both of those clubs as well.
How did you learn of this opportunity?	I was looking at the Snohomish County website for ways to get involved, and I saw the Children's Commission listed under current vacancies.
