| Why would you like to serve on this board/commission?   | I have been a part of the Children's Commission for 2 terms and am excited for the work this group does bringing awareness to the community around children, youth and family issues in Snohomish County. It is encouraging to see these issues brought forward and how they make a difference in decisions made by our County Council. When I see the work on equality that is the focus of this commission, it makes me want to continue to be a part of this group. |
| Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission. | I have been in the early learning field for over 35 years and currently work directly with childcare providers. Seeing how they support families that are experiencing challenges especially if they are struggling to find resources for their children or themselves, makes me want to be a part of decisions that can improve access to supports.   |
| Please list community involvement/volunteer activities  |  |
| How did you learn of this opportunity?  | I am finishing my second term with he Children's Commission.   |
