AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT (the “Agreement”) is made by and between SNOHOMISH COUNTY, a political subdivision of the State of Washington (the “County”) and Jacobs Engineering Group Inc., a Delaware Corporation (the “Consultant”). In consideration of the mutual benefits and covenants contained herein, the parties agree as follows:

1. Purpose of Agreement; Scope of Services. The purpose of this Agreement is Engineering Services for Paine Field Runway 16R-34L Rehabilitation (“Services”). The Scope of Services is as defined in Schedule A attached hereto and by this reference made a part hereof. This Agreement is Part C of the product of County RFQ No. 24-003BC, Engineering Services, Paine Field Runway 16R-34L Rehabilitation, consisting of services during construction.

The services shall be performed in accordance with the requirements of this Agreement and with generally accepted practices prevailing in the western Washington region in the occupation or industry in which the Consultant practices or operates at the time the services are performed. The Consultant shall perform the Services in a timely manner and in accordance with the terms of this Agreement. Any materials or equipment used by the Consultant in connection with performing the Services shall be of good quality. The Consultant represents that it is fully

qualified to perform the Services to be performed under this Agreement in a competent and professional manner.

The Consultant will prepare and present status reports and other information regarding performance of the Agreement as the County may request.

2. Term of Agreement; Time of Performance. This Agreement shall be effective upon contract execution (the “Effective Date”) and shall terminate on December 31, 2028, with no new work allowed after December 31, 2027, PROVIDED, HOWEVER, that the County’s obligations after December 31, 2026 are contingent upon local legislative appropriation of necessary funds for this specific purpose in accordance with the County Charter and applicable law. If necessary, at the option of the County, agreement may be supplemented for additional time.

3. Compensation.

a. Services. The County will pay the Consultant for Services as and when set forth in Schedule B, which is attached hereto and by this reference made a part of this Agreement.

b. Overhead and Expenses. The Consultant’s compensation for Services set forth in Section 3a above includes overhead and expenses and no separate claims for reimbursement of overhead or expenses will be allowed under this Agreement.

c. Invoices. The Consultant shall submit properly executed invoices to the County no more frequently than monthly. Each invoice shall include an itemization of the dates on which Services were provided, including the number of hours and a brief description of the Services performed on each such date. Subject to Section 8 of this Agreement, the County will pay such invoices within thirty (30) calendar days of receipt.

d. Payment. The County’s preferred method of payment under this contract is electronic using the County’s “e-Payable” system with Bank of America. The Consultant is highly encouraged to take advantage of the electronic payment method.

In order to utilize the electronic payment method, the Consultant shall email SnocoEpayables@snoco.org and indicate it was awarded a contract with Snohomish County and will be receiving payment through the County’s e-Payable process. The Consultant needs to provide contact information (name, phone number and email address). The Consultant will be contacted by a person in the Finance Accounts Payable group and assisted with the enrollment process. This should be done as soon as feasible after County award of a contract or purchase order, but not exceeding ten (10) business days.

Department approved invoices received in Finance will be processed for payment within seven calendar days for e-Payable contractors. Invoices are processed for payment by Finance two times a week for contractors who have selected the e-Payable payment option.

In the alternative, if the Consultant does not enroll in the electronic (“e-Payable”) payment method described above, contract payments will be processed by Finance with the issuance of paper checks or, if available, an alternative electronic method. Alternative

payment methods, other than e-Payables, will be processed not more than 30 days from receipt of department approved invoices to Finance.

THE COUNTY MAY MAKE PAYMENTS FOR PURCHASES UNDER THIS CONTRACT USING THE COUNTY'S VISA PURCHASING CARD (PCARD).

Upon acceptance of payment, the Consultant waives any claims for the goods or Services covered by the Invoice. No advance payment shall be made for the goods or Services furnished by Consultant pursuant to this Contract.

e. Payment Method. In addition to Payment section above, the County may make payments for purchases under this contract using the County's VISA purchasing card (PCARD).

Are you willing to accept PCARD payments without any fees or surcharges?

Yes No

f. Contract Maximum. Total charges under this Agreement, all fees and expenses included, shall not exceed \$1,668,663 for the initial term of this Agreement (excluding extensions or renewals, if any).

4. Independent Consultant. The Consultant agrees that Consultant will perform the Services under this Agreement as an independent contractor and not as an agent, employee, or servant of the County. This Agreement neither constitutes nor creates an employer-employee relationship. The parties agree that the Consultant is not entitled to any benefits or rights enjoyed by employees of the County. The Consultant specifically has the right to direct and control Consultant's own activities in providing the agreed Services in accordance with the specifications set out in this Agreement. The County shall only have the right to ensure performance. Nothing in this Agreement shall be construed to render the parties partners or joint venturers.

The Consultant shall furnish, employ and have exclusive control of all persons to be engaged in performing the Consultant's obligations under this Agreement (the "Consultant personnel"), and shall prescribe and control the means and methods of performing such obligations by providing adequate and proper supervision. Such Consultant personnel shall for all purposes be solely the employees or agents of the Consultant and shall not be deemed to be employees or agents of the County for any purposes whatsoever. With respect to Consultant personnel, the Consultant shall be solely responsible for compliance with all rules, laws and regulations relating to employment of labor, hours of labor, working conditions, payment of wages and payment of taxes, including applicable contributions from Consultant personnel when required by law.

Because it is an independent contractor, the Consultant shall be responsible for all obligations relating to federal income tax, self-employment or FICA taxes and contributions, and all other so-called employer taxes and contributions including, but not limited to, industrial insurance (workers' compensation). The Consultant agrees to indemnify, defend and hold the County harmless from any and all claims, valid or otherwise, made to the County because of these obligations.

The Consultant assumes full responsibility for the payment of all payroll taxes, use, sales, income, or other form of taxes, fees, licenses, excises or payments required by any city, county, federal or state legislation which are now or may during the term of the Agreement be enacted as to all persons employed by the Consultant and as to all duties, activities and requirements by the Consultant in performance of the Services under this Agreement. The Consultant shall assume exclusive liability therefor, and shall meet all requirements thereunder pursuant to any rules or regulations that are now or may be promulgated in connection therewith.

5. Ownership. Any and all data, reports, analyses, documents, photographs, pamphlets, plans, specifications, surveys, films or any other materials created, prepared, produced, constructed, assembled, made, performed or otherwise produced by the Consultant or the Consultant's subcontractors or subconsultants for delivery to the County under this Agreement shall be the sole and absolute property of the County. Such property shall constitute "work made for hire" as defined by the U.S. Copyright Act of 1976, 17 U.S.C. § 101, and the ownership of the copyright and any other intellectual property rights in such property shall vest in the County at the time of its creation. Ownership of the intellectual property includes the right to copyright, patent, and register, and the ability to transfer these rights. Material which the Consultant uses to perform this Agreement but is not created, prepared, constructed, assembled, made, performed or otherwise produced for or paid for by the County is owned by the Consultant and is not "work made for hire" within the terms of this Agreement.

6. Changes. No changes or additions shall be made in this Agreement except as agreed to by both parties, reduced to writing and executed with the same formalities as are required for the execution of this Agreement.

7. County Contact Person. The assigned contact person (or project manager) for the County for this Agreement shall be:

Name: Kevin Latschaw, PE
Title: Airport Engineering Manager
Department: Airport
Telephone: (425) 551-8169
Email: kevin.latschaw@snoco.org

8. County Review and Approval. When the Consultant has completed any discrete portion of the Services, the Consultant shall verify that the work is free from errors and defects and otherwise conforms to the requirements of this Agreement. The Consultant shall then notify the County that said Services are complete. The County shall promptly review and inspect the Services to determine whether the Services are acceptable. If the County determines the Services conform to the requirements of this Agreement, the County shall notify the Consultant that the County accepts the work. If the County determines the Services contain errors, omissions, or otherwise fail to conform to the requirements of this Agreement, the County shall reject the Services by providing the Consultant with written notice describing the problems with the Services and describing the necessary corrections or modifications to same. In such event, the Consultant shall promptly remedy the problem or problems and re-submit the work to the County. The Consultant shall receive no additional compensation for time spent correcting errors. Payment for

the work will not be made until the work is accepted by the County. The Consultant shall be responsible for the accuracy of work even after the County accepts the work.

If the Consultant fails or refuses to correct the Consultant's work when so directed by the County, the County may withhold from any payment otherwise due to the Consultant an amount that the County in good faith believes is equal to the cost the County would incur in correcting the errors, in re-procuring the work from an alternate source, and in remedying any damage caused by the Consultant's conduct.

9. Subcontracting and Assignment. The Consultant shall not subcontract, assign, or delegate any of the rights, duties or obligations covered by this Agreement without prior express written consent of the County. Any attempt by the Consultant to subcontract, assign, or delegate any portion of the Consultant's obligations under this Agreement to another party in violation of the preceding sentence shall be null and void and shall constitute a material breach of this Agreement.

10. Records and Access; Audit; Ineligible Expenditures. The Consultant shall maintain adequate records to support billings. Said records shall be maintained for a period of seven (7) years after completion of this Agreement by the Consultant. The County or any of its duly authorized representatives shall have access at reasonable times to any books, documents, papers and records of the Consultant which are directly related to this Agreement for the purposes of making audit examinations, obtaining excerpts, transcripts or copies, and ensuring compliance by the County with applicable laws. Expenditures under this Agreement, which are determined by audit to be ineligible for reimbursement and for which payment has been made to the Consultant, shall be refunded to the County by the Consultant.

11. Indemnification.

a. Professional Liability.

The Consultant agrees to indemnify the County and, if any funds for this Agreement are provided by the State, the State and their officers, officials, agents and employees from damages and liability for damages, including reasonable attorneys' fees, court costs, expert witness fees, and other claims-related expenses, arising out of the performance of the Consultant's professional services under this Agreement, to the extent that such liability is caused by the negligent acts, errors or omissions of the Consultant, its principals, employees or subcontractors. The Consultant has no obligation to pay for any of the indemnitees' defense-related cost prior to a final determination of liability or to pay any amount that exceeds Consultant's finally determined percentage of liability based upon the comparative fault of the Consultant, its principals, employees and subcontractors. For the purpose of this section, the County and the Consultant agree that the County's and, if applicable, the State's costs of defense shall be included in the definition of damages above.

b. All Other Liabilities Except Professional Liability.

To the maximum extent permitted by law and except to the extent caused by the sole negligence of the County and, if any funds for this Agreement are provided by the State, the State,

the Consultant shall indemnify and hold harmless the County and the State, their officers, officials, agents and employees, from and against any and all suits, claims, actions, losses, costs, penalties and damages of whatsoever kind or nature arising out of, in connection with, or incidental to the services and/or deliverables provided by or on behalf of the Consultant. In addition, the Consultant shall assume the defense of the County and, if applicable, the State and their officers and employees in all legal or claim proceedings arising out of, in connection with, or incidental to such services and/or deliverables and shall pay all defense expenses, including reasonable attorneys' fees, expert fees and costs incurred by the County and, if applicable, the State, on account of such litigation or claims.

The above indemnification obligations shall include, but are not limited to, all claims against the County and, if applicable, the State by an employee or former employee of the Consultant or its subcontractors, and the Consultant, by mutual negotiation, expressly waives all immunity and limitation on liability, as respects only the County and, if applicable, the State, under any industrial insurance act, including Title 51 RCW, other worker's compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim.

In the event that the County or, if applicable, the State incurs any judgment, award and/or cost including attorneys' fees arising from the provisions of this section, or to enforce the provisions of this section, any such judgment, award, fees, expenses and costs shall be recoverable from the Consultant.

In addition to injuries to persons and damage to property, the term "claims," for purposes of this provision, shall include, but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, and/or otherwise results in an unfair trade practice.

The indemnification, protection, defense and save harmless obligations contained herein shall survive the expiration, abandonment or termination of this Agreement.

Nothing contained within this provision shall affect or alter the application of any other provision contained within this Agreement.

12. Insurance Requirements. The Consultant shall procure by the time of execution of this Agreement, and maintain for the duration of this Agreement, (i) insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the Services hereunder by the Consultant, its agents, representatives, or employees, and (ii) a current certificate of insurance and additional insured endorsement when applicable.

a. General. Each insurance policy shall be written on an "occurrence" form, except that Professional Liability, Errors and Omissions coverage, if applicable, may be written on a claims made basis. If coverage is approved and purchased on a "claims made" basis, the Consultant warrants continuation of coverage, either through policy renewals or the purchase of

an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the Services which is the subject of this Agreement.

By requiring the minimum insurance coverage set forth in this Section 12, the County shall not be deemed or construed to have assessed the risks that may be applicable to the Consultant under this Agreement. The Consultant shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.

b. No Limitation on Liability. The Consultant's maintenance of insurance as required by this Agreement shall not be construed to limit the liability of the Consultant to the coverage provided by such insurance, or otherwise limit the County's recourse to any remedy available at law or in equity.

c. Minimum Scope and Limits of Insurance. The Consultant shall maintain coverage at least as broad as, and with limits no less than:

(i) General Liability: \$5,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage, and for those policies with aggregate limits, a \$5,000,000 aggregate limit. CG 00 01 current edition, including Products and Completed Operations;

d. Other Insurance Provisions and Requirements. The insurance coverages required in this Agreement for all liability policies except workers' compensation and Professional Liability, if applicable, must contain, or must be endorsed to contain, the following provisions:

(i) The County, its officers, officials, employees and agents are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the Consultant in connection with this Agreement. Such coverage shall be primary and non-contributory insurance as respects the County, its officers, officials, employees and agents. Additional Insured Endorsement shall be included with the certificate of insurance, "CG 2026 07/04" or its equivalent is required.

(ii) The Consultant's insurance coverage shall apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.

(iii) Any deductibles or self-insured retentions must be declared to, and approved by, the County. The deductible and/or self-insured retention of the policies shall not limit or apply to the Consultant's liability to the County and shall be the sole responsibility of the Consultant.

(iv) Insurance coverage must be placed with insurers with a Best's Underwriting Guide rating of no less than A:VIII, or, if not rated in the Best's Underwriting Guide, with minimum surpluses the equivalent of Best's surplus size VIII. Professional Liability, Errors and Omissions insurance coverage, if applicable, may be placed with insurers with a Best's rating of B+:VII. Any exception must be approved by the County.

Coverage shall not be suspended, voided, canceled, reduced in coverage or in limits until after forty-five (45) calendar days' prior written notice has been given to the County.

If at any time any of the foregoing policies fail to meet minimum requirements, the Consultant shall, upon notice to that effect from the County, promptly obtain a new policy, and shall submit the same to the County, with the appropriate certificates and endorsements, for approval.

e. Subcontractors. The Consultant shall include all subcontractors as insureds under its policies, or shall furnish separate certificates of insurance and policy endorsements for each subcontractor. **Insurance coverages provided by subcontractors instead of the Consultant as evidence of compliance with the insurance requirements of this Agreement shall be subject to all of the requirements stated herein.**

It is the policy of the County to reject discrimination which denies equal treatment to any individual because of his or her race, creed, color, national origin, families with children, sex, marital status, sexual orientation, age, honorably discharged veteran or military status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a person with a disability as provided in Washington's Law against Discrimination, Chapter 49.60 RCW, and the Snohomish County Human Rights Ordinance, Chapter 2.460 SCC. These laws protect against specific forms of discrimination in employment, credit transactions, public accommodation, housing, county facilities and services, and county contracts.

[The Consultant shall comply with the substantive requirements of Chapter 2.460 SCC, which are incorporated herein by this reference. Execution of this Agreement constitutes a certification by the Consultant of the Consultant's compliance with the requirements of Chapter 2.460 SCC. If the Consultant is found to have violated this provision, or to have furnished false or misleading information in an investigation or proceeding conducted pursuant to this Agreement or Chapter 2.460 SCC, this Agreement may be subject to a declaration of default and termination at the County's discretion. This provision shall not affect the Consultant's obligations under other federal, state, or local laws against discrimination.]

14. Federal Non-discrimination and Federal Compliance. Title VI Solicitation Notice: The Snohomish County Airport, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

C. Compliance with Nondiscrimination Requirements: During the performance of this contract, the Consultant, for itself, its assignees, its consultants, its subcontractors and successors (hereinafter collectively referred to as Consultant) in interest agrees as follows:

1. **Compliance with Regulations.** The Consultant will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract as Addendum C.

2. **Non-discrimination:** The Consultant, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Consultant will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment.** If subcontracts applicable, in all solicitations, either by competitive bidding, or negotiation made by the Consultant for work to be performed under a subcontract, each potential subcontractor will be notified by the Consultant of the Consultant's obligations under this contract and the Nondiscrimination Acts And Authorities on the grounds of race, color, or national origin.

4. **Information and Reports.** The Consultant will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the County or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a consultant is in the exclusive possession of another who fails or refuses to furnish the information, the consultant will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance.** In the event of a Consultant's noncompliance with the Nondiscrimination provisions of this contract, the County will impose such contract sanctions

as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

- b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. **Incorporation of Provisions:** The Consultant will include the provisions of paragraphs one through six in every subcontract, if any. The Consultant will take action with respect to any subcontract as the County or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. In addition, the Consultant may request the United States to enter into the litigation to protect the interests of the United States.

15. Employment of County Employees. SCC 2.50.075, “Restrictions on future employment of County employees,” imposes certain restrictions on the subsequent employment and compensation of County employees. The Consultant represents and warrants to the County that it does not at the time of execution of this Agreement, and that it shall not during the term of this Agreement, employ a former or current County employee in violation of SCC 2.50.075. For breach or violation of these representations and warranties, the County shall have the right to terminate this Agreement without liability.

16. Compliance with Other Laws. The Consultant shall comply with all other applicable federal, state and local laws, rules, and regulations in performing this Agreement.

17. Compliance with Grant Terms and Conditions. The Consultant shall comply with any and all conditions, terms and requirements of any federal, state or other grant, if any, that wholly or partially funds the Consultant’s Services hereunder.

18. Prohibition of Contingency Fee Arrangements. The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant, to solicit or secure this Agreement and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Consultant, any fee, commission, percentage, brokerage fee, gifts or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the County shall have the right to terminate this Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

19. Force Majeure. If either party is unable to perform any of its obligations under this Agreement as a direct result of an unforeseeable event beyond that party’s reasonable control, including but not limited to an act of war, act of nature (including but not limited to earthquake and flood), embargo, riot, sabotage, labor shortage or dispute (despite due diligence in obtaining the same), or governmental restriction imposed subsequent to execution of the Agreement (collectively, a “force majeure event”), the time for performance shall be extended by the number

of days directly attributable to the force majeure event. Both parties agree to use their best efforts to minimize the effects of such failures or delays.

20. Suspension of Work. The County may, at any time, instruct the Consultant in writing to stop Services effective immediately, or as directed, pending either further instructions from the County to resume the Services or a notice from the County of breach or termination under Section 21 of this Agreement.

21. Non-Waiver of Breach; Termination.

a. The failure of the County to insist upon strict performance of any of the covenants or agreements contained in this Agreement, or to exercise any option conferred by this Agreement, in one or more instances shall not be construed to be a waiver or relinquishment of those covenants, agreements or options, and the same shall be and remain in full force and effect.

b. If the Consultant breaches any of its obligations hereunder, and fails to cure the same within ten (10) business days of written notice to do so by the County, the County may terminate this Agreement, in which case the County shall pay the Consultant only for the services and corresponding reimbursable expenses, if any, accepted by the County in accordance with Sections 3 and 8 hereof.

c. The County may terminate this Agreement upon twenty (20) business days' written notice to the Consultant for any reason other than stated in subparagraph b above, in which case payment shall be made in accordance with Sections 3 and 8 hereof for the services and corresponding reimbursable expenses, if any, reasonably and directly incurred by the Consultant in performing this Agreement prior to receipt of the termination notice.

d. Termination by the County hereunder shall not affect the rights of the County as against the Consultant provided under any other section or paragraph herein. The County does not, by exercising its rights under this Section 21, waive, release or forego any legal remedy for any violation, breach or non-performance of any of the provisions of this Agreement. At its sole option, the County may deduct from the final payment due the Consultant (i) any damages, expenses or costs arising out of any such violations, breaches or non-performance and (ii) any other set-offs or credits including, but not limited to, the costs to the County of selecting and compensating another contactor to complete the Services of the Agreement.

- CONSULTANT and CONSULTANT's personnel have no authority to exercise any control over any construction contractor or other entity or their employees in connection with their work or any health or safety precautions and have no duty for inspecting, noting, observing, correcting, or reporting on health

or safety deficiencies of the construction contractor(s) or other entity or any other persons at the site except CONSULTANT's own personnel.

- The presence of CONSULTANT's personnel at a construction site is for the purpose of providing to COUNTY a greater degree of confidence that the completed construction work will conform generally to the construction documents and that the integrity of the design concept is reflected in construction. The presence or duties of CONSULTANT's personnel at a construction site, whether as onsite representatives or otherwise, do not make CONSULTANT or CONSULTANT's personnel in any way responsible for those duties that belong to COUNTY and/or the construction contractors or other entities, and do not relieve the construction contractors or any other entity of their obligations, duties, and responsibilities, including, but not limited to, all construction methods, means, techniques, sequences, and procedures necessary for coordinating and completing all portions of the construction work in accordance with the construction Contract Documents and any health or safety precautions required by such construction work.

- 9.3.** Conduct Pre-Construction Meeting. CONSULTANT will schedule, prepare an agenda for, and conduct the preconstruction conference in COUNTY's offices. Four (4) CONSULTANT staff will attend the pre-construction meeting. CONSULTANT will prepare and distribute meeting minutes. The conference is assumed to be three (3) hours.
- 9.4.** Submittal Reviews. This task includes responding to submittals and maintaining submittal log for an assumed 70 unique submittals. A total of 175 hours is assumed to respond to submittals. The CONSULTANT's review of all shop drawings, samples and submittals will be for general conformance with the design concept and general compliance with the requirements of the contract for construction. Such review will not relieve the construction contractor from its responsibility for performance in accordance with the contract for construction, nor is such review a guarantee that the work covered by the shop drawings, samples and submittals is free of errors, inconsistencies or omissions
- 9.5.** Respond to Requests for Information (RFIs). This task includes the office time required to respond to contractor's requests for information. A total of 90 hours is included to respond to an assumed 30 RFI's.
- 9.6.** Change Orders. Assist COUNTY with preparation of up to three (3) change orders. The CONSULTANT will draft the change order for COUNTY review and approval.
- 9.7.** Onsite Construction Observation. CONSULTANT will provide Resident Project Representative (RPR) to:
- Assist the COUNTY in communications with the construction Contractor.
 - Provide part time field observation during Phase 1. Assume 80 hours over the course of the 9 weeks anticipated for phase 1 activities.
 - Provide on-the-job, day-to-day full time observation of the work as defined herein to observe the progress of the work and to determine if the work is proceeding in general accordance with the intent of the contract documents. One RPR will be present when major construction activities are occurring day and night during phases 2 and 3. It is expected that the construction contractor will work at least two shifts per calendar day on a 24 hour daytime work scope. For the purposes of this scope, two (2) twelve (12) hour work shifts and one (1) eight (8) hour work shift (to provide overlap between shifts) are assumed per calendar day during these two phases with three separate RPRs observing one shift each. Therefore, 26.5 labor hours per calendar day for phases 2 and 3 are assumed for RPR coverage of construction assumed that for an average of 185.5 hours per week for RPRs. One hundred fourteen (114) days are anticipated for phase 2 and 3 for a total of 3,021 labor hours. An additional 10 nights are expected for Phase 4 work that is anticipated to be 8 hours during each night. This adds another 80 hours of RPR support for a total of 3,187 hours budgeted for RPR for this task.

- The RPRs and CM will conduct a weekly construction meeting with COUNTY and construction contractor to coordinate construction issues. Meeting minutes will be prepared and circulated weekly. CM and RPRs are expected to attend/lead twenty four (24) meetings in person during the course of the work. Four (4) meetings between May and June; sixteen (16) meetings between July and October and four (4) meetings between November and December of 2026.
- Each RPR will prepare periodic progress reports on the work, including a daily construction activity report for each work shift.
- RPR/CC will review certified payrolls and conduct all wage interviews of construction contractor staffing as required.
- RPR will recommend to CM quantities for progress payments to the construction contractor as set forth in the construction contract.
- RPR will keep records, maps, and plans for the preparation of record drawings of the PROJECT. Review grade checking during final grading in accordance with FAA standards.

9.8. Quality Assurance Testing. Quality Assurance (QA) materials testing services will be provided for this project according to the Contract Documents (however the budget for this work is based upon an assumed level of testing as shown in table 2 below). A materials testing laboratory meeting ASTM D-3666 qualifications and approved by the FAA will be subcontracted by CONSULTANT to provide the materials testing services including an onsite testing laboratory and dedicated staff. CONSULTANT will coordinate the work of resident inspections and (QA) testing laboratories in the observation and testing of materials used in the construction. The CONSULTANT will document and evaluate results of testing and address deficiencies, as required.

Estimated materials testing services are tabulated below:

- FAA P-152 Earthwork Testing (Sieves, proctors, field compaction time) ~ 20 acres

- 9.9. Progress Payment Requests.** CONSULTANT will review the monthly payment requests of the construction Contractor, recommend modifications, and submit to the COUNTY for review/payment. Eight (8) progress payment applications and one (1) final payment application are assumed. Recommendations by CONSULTANT to COUNTY for periodic construction progress payments to the construction contractor(s) will be based on CONSULTANT's knowledge, information, and belief from selective sampling that the work has progressed to the point indicated. Such recommendations do not represent that continuous or detailed examinations have been made by CONSULTANT to ascertain that the construction contractor(s) have completed the work in exact accordance with the construction documents; that the final work will be acceptable in all respects; that CONSULTANT has made an examination to ascertain how or for what purpose the construction contractor(s) have used the moneys paid; that title to any of the work, materials, or equipment has passed to COUNTY free and clear of liens, claims, security interests, or encumbrances; or that there are no other matters at issue between COUNTY and the construction contractors that affect the amount that should be paid.
- 9.10. Site Visits.** A CONSULTANT staff member (one of the Engineers of Record) will make approximately 16 periodic site visits during active construction to observe the progress and to determine if the work is proceeding in general accordance with the intent of the contract documents. Visits are assumed to average 8 hours each onsite.

- 9.12. Prepare FAA Final Construction Report.** CONSULTANT will prepare a construction closeout report according to FAA NWM Region published requirements. The report will include all the required sections and testing results and will include a copy of the record drawings (task 8.12) in an appendix.

9.13. Prepare Record Drawings. CONSULTANT will revise contract plans (75 sheets assumed) to reflect changes made during construction from information provided by construction Contractor and the RPR. CONSULTANT is not responsible for any errors or omissions in the information from others (i.e. construction contractor) that is incorporated into the record drawings. AutoCAD and PDF versions of the plans will be provided for the construction contract.

9.14. Project Close-out Assistance. CONSULTANT will provide COUNTY up to 40 hours for project closeout services to assist with construction contract closeout, Snohomish County contract closeout, or other closeout services requested by COUNTY.

2. The Project LDA permit from the previous phase will not be revisited or revised. All improvements will stay within the previously permitted limits.
3. This work will utilize an FAA DBE Plan and Goal developed under a different scope of work and will not require a new FAA DBE plan or DBE goal to be developed.
4. CONSULTANT may reasonably rely upon the accuracy, timeliness, and completeness of the information provided by COUNTY.
5. Access onto private property will not be needed. Access to leasehold properties will be coordinated by COUNTY.
6. In providing opinions of cost, financial analyses, economic feasibility projections, and schedules for the PROJECT, CONSULTANT has no control over cost or price of labor and materials; unknown or latent conditions of existing equipment or structures that may affect operation or maintenance costs; competitive bidding procedures and market conditions; time or quality of performance by operating personnel or third parties; and

other economic and operational factors that may materially affect the ultimate PROJECT cost or schedule. Therefore, CONSULTANT makes no warranty that COUNTY's actual PROJECT costs, financial aspects, economic feasibility, or schedules will not vary from CONSULTANT's opinions, analyses, projections, or estimates.
