

## Snohomish County Council

**Committee:** Planning & Community Development

**Analyst:** Ryan Countryman

**ECAF:** 2023-0428

**Proposal:** Motion 23-163

**Date:** May 2, 2023

### **Consideration:**

Motion 23-163 would confirm the nomination of Joshua Marcy as the Director of the Snohomish County Airport.

### **Background**

The Airport Director position is currently vacant. The County Executive has the authority to nominate department directors under Snohomish County Code (SCC) 3.40. SCC 3.40 also provides the County Council authority to confirm, by a majority vote, the nomination of department directors. Following a recruitment process, the Executive has selected and nominated Joshua Marcy as the Airport Director.

Joshua Marcy has held a variety of positions in the field of airport operations and is currently the Deputy Director of the Snohomish County Airport. Prior to working for Snohomish County, Joshua Marcy worked for the aviation departments of the Port of Seattle and City of Austin, Texas, among other relevant experience. Joshua Marcy holds a BA from Utah Valley University, an MS from Purdue University, and hold several certifications, including being an Accredited Airport Executive.

### **Current Proposal**

*Scope:* Motion 23-163 would confirm Joshua Marcy as Airport Director.

*Effective Date:* Upon passage of this motion.

*Fiscal Implications:* No impact.

**Handling:** Normal

**Risk Management:** Approve

**Finance:** Approve

**Executive:** Approve

**Request:** Move to General Legislative Session on May 10 for consideration.
