Why would you like to serve on this board/commission?	I am interested in serving on the Snohomish County Ethics Commission because I believe public trust is built through transparency, fairness, and consistent accountability at the local level. As a Snohomish County resident, I care deeply about the integrity of county government and the community's confidence when engaging with it. The Commission's role as a non-biased resource that both examines concerns and provides guidance strongly aligns with my values and professional experience. Serving on the Commission would allow me to contribute to a process that protects both the public and county employees through thoughtful, principled oversight.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	I bring a combination of professional experience, sound ethical judgement, and community-minded perspective that aligns well with the responsibilities of the Ethics Commission. Much of my work involves evaluating complex situations where there is no single "easy" answer which requires balancing policy, human impact, risk, and long-term consequences. I am both comfortable and versed in sitting with nuance, asking good questions, and separating facts from assumptions before drawing conclusions. I value neutrality and take confidentiality seriously. I believe I would bring a thoughtful, balanced perspective along with a strong sense of responsibility to the Commission's work.
Please list community involvement/volunteer activities	Board Member NeighborCare Health (2022-2025), One Roof Foundation Volunteer (2022-2023), Professional Mentoring Program Mentor (2024-present).
