Should an overpayment occur, the County shall give written notice to the City of the overpayment, and within thirty (30) days of the notice of overpayment the City shall return to the County the overpaid Funds plus interest at the rate of twelve percent (12%) per annum beginning thirty (30) days from the date of the notice of overpayment.

15.6 No Waiver. A party's forbearance or delay in exercising any right or remedy with respect to a Default by the other party under this Agreement shall not constitute a waiver of the Default at issue. Nor shall a waiver by either party of any particular Default constitute a waiver of any other Default or any similar future Default.

34

35 WHEREAS, on June 28, 1995, the Snohomish County Council (the "County Council") first
36 adopted a capital facilities plan as required by the GMA, the 1995-2000 Capital Facilities Plan,

47

1
2 **WHEREAS, the 2015 CFP identifies the following public capital facilities as necessary to**

15 **WHEREAS, the six-year CIP is the document developed by the County to detail the funding**
16 **sources for County capital projects over the next six years and assess whether funding sources**

18 **necessary to support development; and**
19

20 **WHEREAS, on November 12, 2019, the County adopted the 2020-2025 Capital Improvement**

44

1
2 NOW, THEREFORE, BE IT ORDAINED:
3

4 Section 1. The County Council adopts the following findings in support of this ordinance:
5

6 A. The foregoing recitals are adopted as findings as if set forth in full herein.
7

8 B. The ordinance adopts the County's 2021-2026 CIP.
9

10 C. The 2021-2026 CIP was developed for compliance with the following GMA requirements:
11

- 12 1. RCW 36.70A.070(3) "A capital facilities plan element consisting of: (a) An inventory
13 of existing capital facilities owned by public entities, showing the locations and
14 capacities of the capital facilities; (b) a forecast of the future needs for such capital
15 facilities; (c) the proposed locations and capacities of expanded or new capital
16 facilities; (d) at least a six-year plan that will finance such capital facilities within
17 projected funding capacities and clearly identifies sources of public money for such
18 purposes; and (e) a requirement to reassess the land use element if probable
19 funding falls short of meeting existing needs and to ensure that the land use
20 element, capital facilities plan element, and financing plan within the capital facilities
21 plan element are coordinated and consistent. Park and recreation facilities shall be
22 included in the capital facilities plan element." The 2021-2026 CIP includes a six-
23 year financing plan for all of the County's capital facilities. The 2021-2026 CIP also
24 assesses the adequacy of funding and regulatory mechanisms for those public
25 capital facilities necessary to support development to maintain their respective
26 minimum level of service (LOS).
27
- 28 2. GMA planning Goal 12 (RCW 36.70A.020(12)) "Public facilities and services.
29 Ensure that those public facilities and services necessary to support development
30 shall be adequate to serve the development at the time the development is available
31 for occupancy and use without decreasing current service levels below locally
32 established minimum standards." The 2021-2026 CIP specifies proposed funding
33 sources for the planned capital facilities and contains a "statement of assessment"
34 which addresses the need for a reassessment of land use or other comprehensive
35 plan elements if there is a projected shortfall in revenue (between 2021 and 2026)
36 that causes the LOS for a facility classified as necessary to support development to
37 fall below the minimum level identified in the capital facilities plan. The statement of
38 assessment portion of the 2021-2026 CIP finds that there are no funding shortfalls
39 or regulatory inadequacies that would affect the ability to maintain the minimum LOS
40 for those capital facilities necessary to support development.
41

42 D. The 2021-2026 CIP was developed for consistency with Puget Sound Regional Council
43 Vision 2040 Multicounty Planning Policies (MPP) including: MPP-PS-2 "Time and phase
44 services and facilities to guide growth and development in a manner that supports the
45 regional vision." The County's CFP and the 2021-2026 CIP align with the regional vision to
46 direct growth into urban areas where adequate public infrastructure and services are
47

1 available or can be provided in an efficient manner by establishing minimum LOS for those
2 public capital facilities necessary to support development and by ensuring that adequate
3 funding and regulatory mechanisms are in place to maintain those minimum LOS.
4

5 E. The 2021-2026 CIP was developed for consistency with Snohomish County Countywide
6 Planning Policy (CPP) PS-13 "Jurisdictions should adopt capital facilities plans, and
7 coordinate with other service providers, to provide the appropriate level of service to
8 support planned growth and development in Urban Growth Areas." The 2021-2026 CIP, a
9 component of the County's CFP, is developed through a coordinated and collaborative
10 process between the County and non-County service providers of public capital facilities
11 such as schools, water and sewer infrastructure and services, and electric power.
12

13 F. The 2021-2026 CIP was developed to comply with and implement the following County
14 directives:
15

16 1. Section 6.50 of the County Charter "...The county council in considering the budget
17 ordinance proposed by the county executive, may delete or add items, may reduce
18 or increase the proposed appropriations and may add provisions restricting the
19 expenditure of certain appropriations, provided that the county council shall adopt a
20 six (6) year capital improvement program as an adjunct to the budget, including a
21 balance of proposed expenses and potential revenue sources." The County's
22 annual capital improvement program, including the 2021-2026 CIP, is considered
23 and adopted as part of the annual budget.
24

25 2. SCC 4.26.024 "The executive shall on an annual basis prepare a capital
26 improvement program for the next six fiscal years pursuant to the county charter

36 for those capital facilities necessary to support development, including roads and
37 transit, and 3) a statement of assessment that finds adequate funding and
38 regulatory mechanisms in place to maintain the minimum LOS for those capital
39 facilities necessary to support development.
40

41 G. The 2021-2026 CIP will comply with and implement the following goals, objectives, and
42 policies of the GPP because it is developed in coordination with other providers of public
43 capital facilities and it provides: 1) a six-year financing plan for all County and non-County
44 capital facilities that identifies the funding sources, projects, and schedule, and 2) an
45 assessment of the adequacy of funding and regulatory mechanisms for those public capital
46 facilities necessary to support development to maintain their established minimum LOS:

2 prepared that finances transportation improvements within projected funding levels
3 and clearly identifies sources of public money."

17
- 18 5. Goal CF 9 "Coordinate with non-county facility providers such as cities and special
19 purpose districts to support the future land use pattern indicated by this plan."
20
- 21 6. Objective CF 10.A "Assist school districts in developing capital facilities plans that
22 clearly depict levels of service and how they will serve existing and projected
23 student enrollments."
24
- 25 7. Goal CF 11 "Water supply systems shall provide sufficient fire flow, as established
26 by county development regulations, in order to provide protection at a level of
27 service commensurate with the planned intensity of future development adopted in
28 the comprehensive plan."
29
- 30 8. Goal UT 2 "Work with provider agencies of Snohomish County to help ensure the
31 availability of a reliable, high quality water supply for all households and businesses
32 within the county in a manner that is consistent with the comprehensive plan and
33 protection of the natural environment."
34
- 35 9. Goal UT 3 "Work with cities and special districts to produce coordinated wastewater
36 system plans for both incorporated and unincorporated areas within UGAs that are
37 consistent with the land use element and city plans."

ATTACHMENT C: WRITTEN REQUEST FOR FUNDING FROM CITY TO COUNTY

To:

Tom Teigen, Director
Snohomish County Parks, Recreation and Tourism
6705 Puget Park Drive
Snohomish WA 98296

RE: Interlocal agreements – City and County CIP

Dear Mr Teigen,

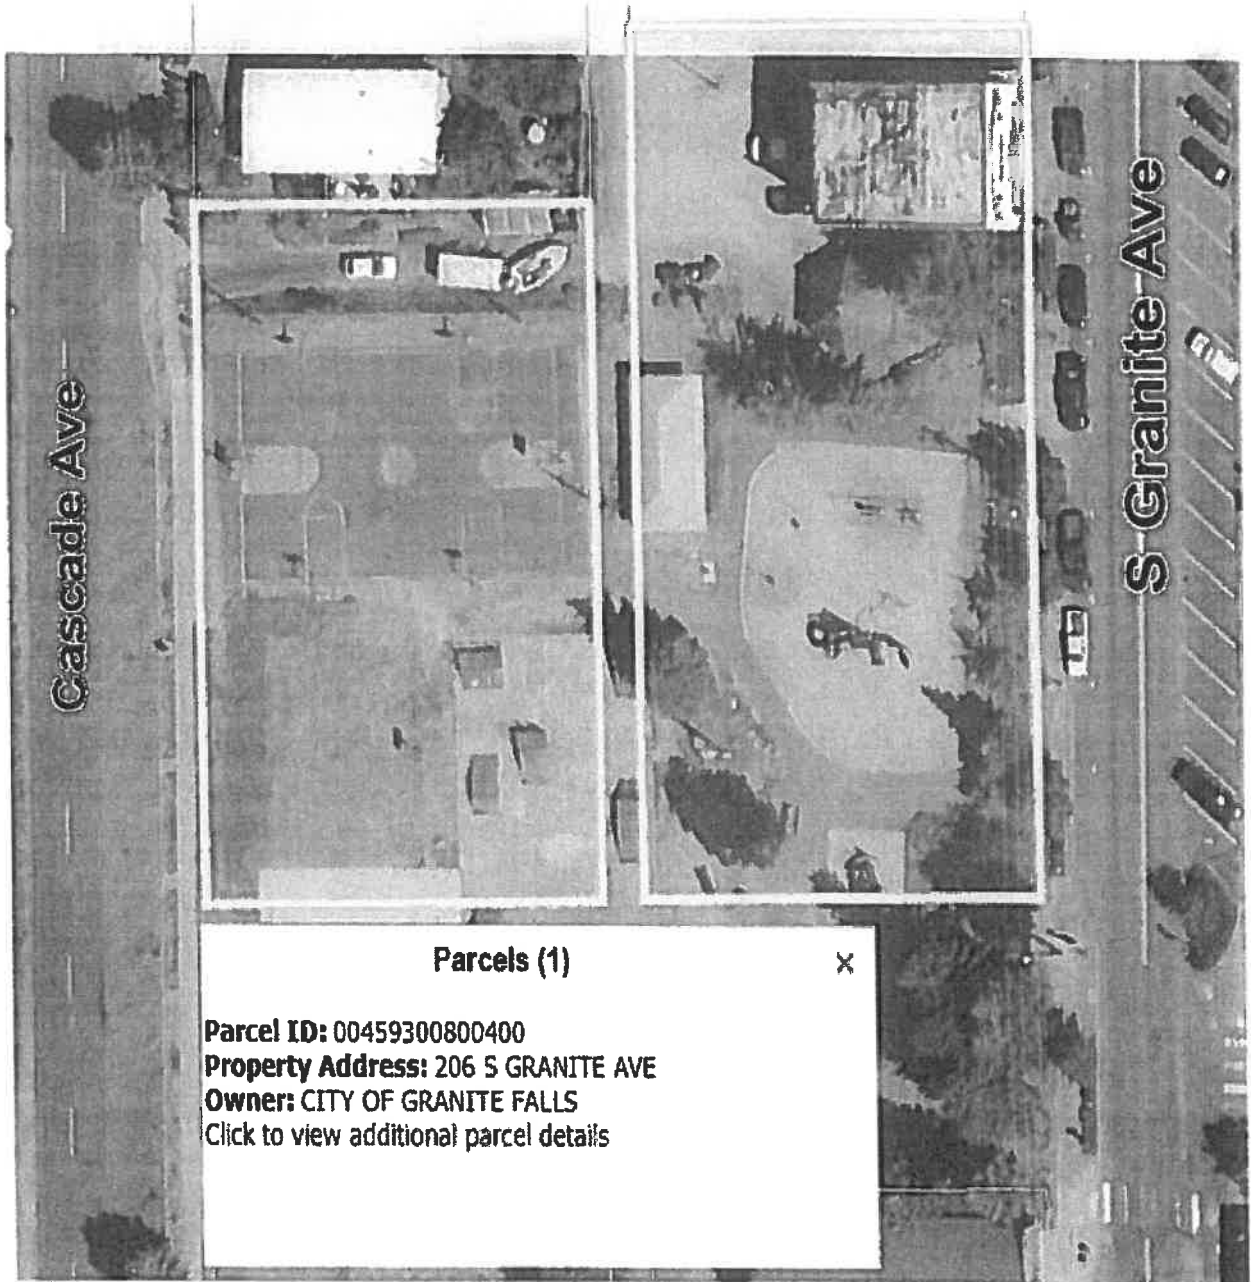

Please accept this letter and the following documents as a request for funding for the Granite Falls Jim Holm Basketball Improvement Project. The City of Granite Falls is excited for this opportunity to improve an existing park for the benefit of the residents of Granite Falls as well as residents in outlying Snohomish County. Thank you for time and consideration.

ATTACHMENT D: DESCRIPTION OF PROJECT

Funding will support the purchase and installation of 280' of fencing, 10 feet in height, to enclose the basketball court area in Jim Holm Park on the East and West sides. Installation will add a safety element by preventing basketballs from traveling onto the nearby roadway, Cascade Avenue. In addition, 110' of fencing 5' in height will be installed along the South side of the court area to help separate the court area from other functions in the park. This project will also add four 6' benches that will be installed inside the court area for seating and placement of bags, equipment, etc.

ATTACHMENT E: CONFIRMATION OF OWNERSHIP OF PROJECT/LOCATION

ATTACHMENT F: DESCRIPTION OF CITY'S INVOLVEMENT IN THE PLANNING, DESIGN, CONSTRUCTION, MAINTENANCE, OPERATION AND ONGOING ROLE WITH PROJECT

The City of Granite Falls intends to manage this project internally due to the size of the project. Individual hard figures have been obtained from companies.

Planning and design was discussed internally among departments including public works, administration, and law enforcement.

Long term, general upkeep will be provided by the City's public works department. As-needed, contracted services will be used for repairs and maintenance outside of the City's ability.

Proof of Insurance - ILA**

Evidence of Coverage

The City of Granite Falls is a member of the Washington Cities Insurance Authority (WCIA), which is a self-insured pool of over 160 public entities in the State of Washington.

WCIA has at least \$4 million per occurrence limit of liability coverage in its self-insured layer that may be applicable in the event an incident occurs that is deemed to be attributed to the negligence of the member. Liability coverage includes general liability, automobile liability, stop-gap coverage, errors or omissions liability, employee benefits liability and employment practices liability coverage.

WCIA provides contractual liability coverage to the City of Granite Falls. The contractual liability coverage provides that WCIA shall pay on behalf of the City of Granite Falls all sums which the member shall be obligated to pay by reason of liability assumed under contract by the member.

WCIA was created by an interlocal agreement among public entities and liability is self-funded by the membership. As there is no insurance policy involved and WCIA is not an insurance company, your organization cannot be named as an additional insured.
