RE: Re-appointment of Howard Knoepfle to Civil Service Commission

Executive Somers,

The Snohomish County Civil Service Commission supports the re-appointment of Howard Knoepfle to the Commission. Howard has served on the Commission since June of 2016 and the commission supports his re-appointment for a term ending 12/31/2028.

Howard has been a valuable member of the commission as a community member.

The commission looks forward to your decision for this re-appointment.
