Re: **Sno-Isle Libraries Board of Trustees**

I am pleased to recommend the appointment of Griselda Guevara-Cruz to the Sno-Isle Libraries Board of Trustees. Upon reappointment, Griselda's term will begin January 1, 2024, and expire December 31, 2030.

After a review of 111 applications, Griselda has been identified as the top candidate. Griselda works for OSPI as Migrant Education Program Supervisor and has board service experience. Griselda exhibits the attributes identified as most important to the work of a Library Trustee, including community connectedness, support of the principals, vision, and financial stewardship of the Library District, pertinent skills and experience, and a commitment to amplifying diverse community voices.

The Sno-Isle Libraries Board of Trustees respectfully requests formal Council appointment of Griselda Guevara-Cruz.
