The Agency will perform the services under this Agreement as an independent contractor and not as an agent, employee, or servant of the County or any state or federal agency. The Agency, its agents and employees are not entitled to any benefits or rights enjoyed by employees of the County or any state or federal agency. The Agency shall direct and control Agency's own activities in providing services under this Agreement. The County shall only have the right to ensure performance. Nothing in this Agreement shall be construed to render the parties partners or joint ventures.

VII. DEBARMENT AND SUSPENSION

All Contracts awarding federal resources are subject to the provisions of federal Executive Order 12549 and federal Executive Order 12689, "Debarment and Suspension," including any amendments, as follows:

- A. Agencies and Subagencies must not make any award or permit any award (contract or subcontract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in federal assistance programs under federal Executive Order 12549 and federal Executive Order 12689, "Debarment and Suspension." Agencies shall consult and require their Subagencies at any tier, when charged as direct cost, to search the Excluded Parties List within SAM.gov to assure that they do not award federal grant funds to listed parties.
- B. If an Agency believes that there are compelling reasons for making an award to a debarred, suspended, or voluntarily excluded person in a particular case, the Agency may apply for a waiver from this requirement, pursuant to federal Executive Order 12549. Such waivers will be granted only in unusual circumstances upon the written determination, by an authorized federal agency official, of the compelling reasons justifying the participation.
- C. The Agency, by signature to this Agreement certifies that the Agency is not now or then presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this Agreement by any federal department or agency.
- D. The Agency also agrees to include the following required language in all Subcontracts into which it enters, resulting directly from the Agency's duty to provide services under this Agreement:

LOWER TIER COVERED TRANSACTIONS

1. The lower tier subagency certifies, by signing this contract, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. When the lower tier subagency is unable to certify to any of the statements in the contract, such subagency shall attach an explanation to the contract.
- E. The Agency shall notify the County within one (1) business day of any debarment proceedings brought against it or any of its Subcontractors.

VIII. CONFLICTS OF INTEREST AND KICKBACKS

- A. The Agency's employees, subagencies, and board or committee members shall not use, or give the appearance of using, their positions for the personal gain of themselves or those with whom they have family, business, or other ties.
- B. The Agency's employees, subagencies, and board or committee members shall not have or acquire any interest, direct or indirect, which would conflict with the performance of services under this Agreement. The Agency shall not employ or subcontract with persons who have conflicts of interest, nor appoint them as members of its governing board or advisory committee(s).
- C. Personnel and governing board or advisory committee policies of the Agency shall include written standards of conduct governing conflict of interest and kickbacks.
- D. Gratuities in the form of entertainment, gifts, or otherwise offered by the Agency or an agent or representative of the Agency to any officer or employee of the County, with a view towards securing any contract or securing favorable treatment with respect to the awarding, amending, or the making of any determination, will render this Agreement voidable at the option of the County.
- E. The County may, by written notice to the Agency, suspend or terminate this Agreement in whole or in part if it is found that any of the following laws, or their successors, have been violated in obtaining this Agreement, or in securing favorable treatment with respect to the awarding, amending, or the making of any determinations with respect to this Agreement or any subcontract entered by the Agency or agencies contracting with the Agency under authority of this Agreement:
 1. Misconduct of Public Officers, Chapter 42.20 RCW;
 2. Ethics in Public Service, Chapter 42.52 RCW;
 3. Kickbacks from Public Works Employees, 18 U.S.C. § 874.
- F. Additionally, the County may, by written notice, suspend or terminate this Agreement in whole or in part with an Agency that is a local governmental entity if it is found that the Agency has violated the Code of Ethics for Municipal Officers – Contract Interests, Chapter 42.23 RCW.

IX. COVENANT AGAINST CONTINGENT FEES

The Agency warrants that no person or agency has been employed or retained on a contingent fee for the purpose of seeking or obtaining this Agreement. This does not apply to legitimate employees or an established commercial or selling agency maintained by the Agency for the purpose of securing business. In the event of breach of this clause by the Agency, the County may at its discretion:

- A. Terminate this Agreement under the procedures discussed in Section XLIII without any liability;

- B. Deduct from the Contract price or consideration, or otherwise recover, the full amount of any such contingent fee; and
- C. Seek such other remedies as are legally available.

X. NONWAIVER OF COUNTY RIGHTS

The County's failure to insist upon the strict performance of any provision of this Agreement, its failure to exercise any right based upon a breach thereof, or its acceptance of any defective performance shall not constitute a waiver of any rights under this Agreement, unless stated to be such in writing signed by an authorized representative of the County and attached to the original Agreement or Contract.

XI. PERFORMANCE STANDARDS, LICENSING AND REGISTRATION

- A. The Agency shall comply with all applicable local, state, and federal licensing and accrediting requirements/standards and any other standards or criteria established by the County to assure the quality of services necessary for the performance of his Agreement.
- B. The Agency shall maintain registration as a nonprofit corporation in active status with the Washington State Office of the Secretary of State.

XII. SERVICES PROVIDED IN ACCORDANCE WITH LAW

The Agency and the County shall comply with all applicable laws, rules, ordinances, codes, and regulations of local, state, and federal governments, as now existing or hereafter enacted or amended in the performance of this Agreement.

XIII. PUBLIC RECORDS

This Agreement and all public records associated with this Agreement shall be available from the County for inspection and copying by the public where required by the Public Records Act, Chapter 42.56 RCW (the "Act"). To the extent that public records then in the custody of the Agency are needed for the County to respond to a request under the Act, as determined by the County, the Agency agrees to make them promptly available to the County. If the Agency considers any portion of any record provided to the County under this Agreement, whether in electronic or hard copy form, to be protected from disclosure under law, the Agency shall clearly identify any specific information that it claims to be confidential or proprietary. If the County receives a request under the Act to inspect or copy the information so identified by the Agency and the County determines that release of the information is required by the Act or otherwise appropriate, the County's sole obligations shall be to notify the Agency (a) of the request and (b) of the date that such information will be released to the requester unless the Agency obtains a court order to enjoin that disclosure pursuant to RCW 42.56.540. If the Agency fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified.

The County has, and by this section assumes, no obligation on behalf of the Agency to claim any exemption from disclosure under the act. The County shall not be liable to the Agency for releasing records not clearly identified by the Agency as confidential or proprietary. The County shall not be liable to the agency for any records that the

County releases in compliance with this section or in compliance with an order of a court of competent jurisdiction.

XIV. COMPLIANCE WITH FUNDING SOURCE REQUIREMENTS

The Agency shall comply with all conditions, terms and requirements of any funding source that wholly or partially funds the Agency's work under this Agreement.

XV. PROPRIETARY SOFTWARE APPLICATIONS

In the event the Agency accesses the County's proprietary software applications to perform any work under this Agreement, the Agency shall read and agree to the terms and conditions of the software license agreement, and shall not violate the terms and conditions of the software license agreement including, but not limited to:

- A. Restricting the use of the software application to employees or subcontractors;
- B. Not "pirating" or reverse engineering the software application; and/or
- C. Otherwise using the application in any way that may harm the County or violate the terms and conditions of the software license agreement.

XVI. COMPLIANCE WITH SNOHOMISH COUNTY HUMAN RIGHTS ORDINANCE

It is the policy of the County to reject discrimination which denies equal treatment to any individual because of his or her race, creed, color, national origin, families with children, sex, marital status, sexual orientation, age, honorably discharged veteran or military status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a person with a disability as provided in Washington's Law against Discrimination, Chapter 49.60 RCW, and the Snohomish County Human Rights Ordinance, Chapter 2.460 SCC. These laws protect against specific forms of discrimination in employment, credit transactions, public accommodation, housing, county facilities and services, and county contracts.

The Agency shall comply with the substantive requirements of Chapter 2.460 SCC, which are incorporated herein by this reference. Execution of this Agreement constitutes a certification by the Agency of the Agency's compliance with the requirements of Chapter 2.460 SCC. If the Agency is found to have violated this provision, or to have furnished false or misleading information in an investigation or proceeding conducted pursuant to this Agreement or Chapter 2.460 SCC, this Agreement may be subject to a declaration of default and termination at the County's discretion. This provision shall not affect the Agency's obligations under other federal, state, or local laws against discrimination.

XVII. NONDISCRIMINATION

During the performance of this Agreement, the Agency and its Subagencies, if any, shall comply with all applicable federal and state laws against discrimination including, where applicable, the state funding agency's nondiscrimination plan. Nondiscrimination requirements include, but are not limited to:

A. Nondiscrimination in Employment:

1. The Agency and its Subagencies, if any, shall not discriminate against any employee or applicant for employment on the basis of race, color, sex, sexual

orientation, religion, national origin, creed, marital status, age, Vietnam era or other veterans' status, or disability.

B. Nondiscrimination in Client Services:

1. The Agency and its Subagencies, if any, shall not on the grounds of race, color, sex, sexual orientation, religion, creed, national origin, marital status, age, Vietnam era or other veterans' status, or mental or physical disability:
 - a. Deny, restrict, limit, or treat differently qualified individuals for the purposes of the participation in and the delivery of services and/or benefits made available to others; or
 - b. Employ criteria or methods of selection of recipients, individually or as a class, or administering services and/or benefits that have the effect of subjecting qualified individuals to discrimination or unequal treatment.
2. The Agency and its Subagencies, if any, shall abide by all provisions of Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112, 87 Stat. 355) (the "Rehabilitation Act"), and the Americans with Disabilities Act of 1990 (Pub. L. 101-336, 104 Stat. 327, codified at 42 U.S.C. § 12101 et seq.) (the "ADA"), and any amendments, prohibiting discrimination against individuals with disabilities.
3. If subcontracting has been authorized by the County, the terms required in this Agreement and any additional appropriate safeguards against discrimination shall be included in the Subcontract and shall be binding upon the Subagency in order to prohibit discrimination or unequal treatment. The Agency shall ensure full compliance with the provisions of this clause.

C. Federal Non-discrimination

Snohomish County assures that no persons shall on the grounds of race, color, national origin, or sex as provided by Title VI of the Civil Rights Act of 1964 (Pub. L. No. 88-352), as amended, and the Civil Rights Restoration Act of 1987 (Pub. L. No. 100-259) be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any County sponsored program or activity. Snohomish County further assures that every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs and activities are federally funded or not.

XVIII. NONCOMPLIANCE WITH NONDISCRIMINATION TERMS

In the event of the Agency's noncompliance or refusal to comply with the nondiscrimination provisions in this Agreement, the County may rescind, cancel, suspend, or terminate this Agreement, as described in Section XLIII of this Agreement, in whole or in part, and declare the Agency ineligible for further agreements with the County. The County may, however, give the Agency a reasonable time to cure the noncompliance, at the County's discretion.

XIX. [INTENTIONALLY DELETED].

XX. CONFIDENTIALITY

- A. The parties may use Personal Information and other information gained by reason of this Agreement only for the purpose of this Agreement. The County and Agency shall not disclose, transfer, or sell any such information to any other party, except as provided by law or, in the case of Personal Information, with the prior written consent of the person or personal representative of the person to whom the Personal Information pertains.
- B. The Agency shall protect and maintain all Confidential Information gained by reason of this Agreement against unauthorized use, access, disclosure, modification or loss. This duty requires the Agency to employ reasonable security measures, which include restricting access to the Confidential Information by:
 - 1. Allowing access only to staff that have an authorized business requirement to view the Confidential Information;
 - 2. Physically securing any computers, documents, or other media containing the Confidential Information;
 - 3. Ensuring the security of Confidential Information transmitted via fax (facsimile) by verifying the recipient phone number to prevent accidental transmittal of Confidential Information to unauthorized persons;
 - 4. When transporting records containing Confidential Information outside of a Secure Area, do one or more of the following as appropriate:
 - a. Use a Trusted System; and
 - b. Encrypt the Confidential Information, including:
 - (i) Email and/or email attachments; and
 - (ii) Confidential Information when it is stored on portable devices or media, including, but not limited to laptop computers and flash memory devices; and
 - 5. Sending paper documents containing Confidential Information via a Trusted System.
- C. To the extent allowed by law, at the end of the term of this Agreement, or when no longer needed, the parties shall return Confidential Information or certify in writing the destruction of Confidential Information upon written request by the other party.
- D. Paper documents with Confidential Information may be recycled through a contracted firm, provided the contract with the recycler specifies that the confidentiality of information will be protected, and the Confidential Information destroyed through the recycling process. Paper documents containing Confidential Information require special handling (e.g., protected health information) must be destroyed through shredding, pulping or incinerations.
- E. The compromise or potential compromise of Confidential Information must be reported to the County contact designated this Agreement within five (5) business days of discovery for breaches of less than 500 persons' protected data, and three

(3) business days of discovery for breaches of 500 or more persons' protected data. The Agency must also take action to mitigate the risk of loss and comply with any notification or other requirements imposed by law. The County may in its sole discretion (i) require Agency, at Agency's sole expense, to provide written notice to notify the individual(s) affected by the compromise of Confidential Information, in accordance notification requirements as required by applicable law; or (ii) elect to provide notice to the individual(s) affected by the compromise of Confidential Information.

- F. The Agency may be required to provide additional safeguards and acknowledgment of recipient rights under HIPAA, in accordance with the Agency's independent HIPAA obligations.

XXI. BACKGROUND CHECKS

- A. Any Agency that has a Contract to provide services, housing, or otherwise care for vulnerable adults, developmentally disabled persons, juveniles, or children, or provide child day care, early learning, or early childhood education services shall ensure all staff and volunteers have a background check on file as per RCW 43.43.830-43.43.845.
- B. A background check must be completed at the time of employment or commencement of volunteer duties. All persons convicted of crimes listed in RCW 43.43.830 and RCW 43.43.842 are prohibited from having access to Clients.
- C. If circumstances arise that cause Agency to question the need for another background check, Agency shall implement another check.

XXII. TREATMENT OF CLIENT ASSETS

Unless otherwise provided in this Agreement, the Agency shall ensure that any adult client receiving services from the Agency under this Agreement has unrestricted access to the Client's personal property. The Agency shall not interfere with any Client's ownership, possession, or use of the Client's property. The Agency shall provide Clients under age eighteen (18) with reasonable access to their personal property that is appropriate to the Client's age, development, and needs. Upon termination or expiration of this Agreement, the Agency shall immediately release to the Client and/or the Client's guardian or custodian all of the Client's personal property. This section does not prohibit the Agency from implementing such lawful and reasonable policies, procedures and practices as the Agency deems necessary for safe, appropriate, and effective service delivery (for example, appropriately restricting Clients' access to, or possession or use of, lawful or unlawful weapons and drugs).

XXIII. REPORTS

The Agency shall timely provide to the County and to any state or federal funding agency such financial, program, and other reports, in such formats as required by this Agreement.

XXIV. MAINTENANCE OF RECORDS
