**Subject:** Authorizing an Intergovernmental Cooperative Purchasing Agreement with the City of Washougal.

**Scope:** This motion approves the Intergovernmental Purchasing Agreement with the City of Washougal. This agreement extends to each party the right to purchase pursuant to such bids and contracts to the extent (a) permitted by applicable law, and (b) agreed upon between the awarding party and its bidders, contractors, vendors, suppliers, or service providers.

**Duration:** Execution through termination by either party.

**Fiscal Impact:**  Current Year  Multi-Year  N/A

**Authority Granted:** N/A.

**Background:** RCW 39.34.303 and SCC 3.04.220 allow that County to enter into intergovernmental cooperative purchasing agreements with other public agencies. In 2013, Snohomish County began including language in its solicitations to allow other public agencies to purchase from contracts awarded by the County. The City of Woodinville and Snohomish County each desire to make purchases, from time to time, from contracts the other has awarded as a result of a competitive process.

Council approval is required for all intergovernmental cooperative purchasing agreements.

**Requested Action:** Move to GLS on January 31<sup>st</sup> for consideration.
