## **ARTICLE 3 – UNION RECOGNITION AND BARGAINING UNIT**

The County recognizes the Washington State Council of County and City Employees, AFSCME, AFL-CIO as the exclusive bargaining representative for all matters of wages, hours, benefits and working conditions—over which the Employer is obligated by law to collectively bargain—with respect to regular full-time and regular part-time Supervisors of the Snohomish County Assessor’s Office excluding confidential employees and all other employees of the Employer.

## **ARTICLE 4 – UNION DEDUCTIONS**

**Section 1. Union Membership.** All employees that are members of the collective bargaining unit covered by this Agreement may choose whether or not to become a member of the Union. Written authorization is necessary for the payroll deduction of union dues or alternative payments as set forth below.

**Section 2. Deduction of Union Dues.** Upon receipt of written authorization of the employee, the Employer shall deduct all dues and fees uniformly levied against Union members, once each month, from all members and transfer that amount to the Union Treasurer. The Employer shall continue to deduct and remit Union dues and fees to the Union until such time as the authorization is revoked as outlined below.

**Section 3. Revocation of Dues Deduction.** An employee may revoke authorization for payroll deductions of payments to the Union by written notice to the Employer and the Union in accordance with the terms and conditions of their signed authorization. If notified by the Union or the Employer determines the employee has revoked his or her authorization in accordance to the terms and conditions of their signed authorization, the deduction will end as soon as administratively feasible.

**Section 4. P.E.O.P.L.E. Checkoff.** The employer agrees to deduct from the wages of any employee who is a member of the Union a P.E.O.P.L.E. (Public Employees Organized To Promote Legislative Equality) deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the employer and the Union. The employer agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

**Section 5. Indemnification.** The Union agrees that it may not state or imply in any way that an employee must join the Union or pay a fee as a condition of employment or to maintain Union representation. The Union agrees to indemnify

and save the Employer harmless against any liability which may arise by reason of any action taken by the Employer pursuant to the provisions of this Article, including reimbursement for any legal fees or expenses incurred in connection with such action. The Employer will promptly notify the Union in writing of any claim, demand, suit or other form of liability asserted against it relating to its implementation of this Article.

## **ARTICLE 5 – LABOR MANAGEMENT RELATIONS**

**Section 1. Employer Rights and Authority.** The Employer, acting through appropriate officers, has the exclusive right to manage its affairs, to direct and control its operations, and independently to make, carry out and execute all plans and decisions deemed necessary in its judgment for its welfare, advancement, or best interests. Such management prerogatives shall include all matters not specifically limited by the agreement herein and any term and condition of employment not specifically established or modified by this Agreement shall remain solely within the discretion of the Employer to modify, establish, or eliminate.

**Section 2.** By way of example, the Employer retains the full right to operate and manage all manpower, facilities, and equipment; to establish functions and programs; to set and amend budgets; to determine the utilization of technology; to establish and modify the organizational structure; to select, direct and determine the number of personnel; and to perform any inherent managerial function not specifically limited by this Agreement.

**Section 3. Subcontracting.** The Employer retains the right to subcontract the County's operation, in whole or in part, through contracts with non-governmental entities and government agencies subject to the following procedures:

- B. The Employer will notify the Union in writing of the nature, reasons, scope, and approximate dates of the subcontracting within seven (7) days after a decision to subcontract. Following the notification, the Union shall have sixty (60) days to negotiate the impact; provided, the Employer's right to implement contracting out thirty (30) days after the written notice to the Union of the decision shall be unaffected by the impact of the bargaining process. The bargaining process may continue beyond the date of the implementation of the contracting out.
- C. If a reduction of positions occurs, Article 18 Seniority, Reduction In Force, Layoff, applies.

- D. The County shall give employees laid off due to subcontracting favorable consideration in the filling of vacancies in other W.S.C.C.C.E. bargaining units if no layoff register exists. If a W.S.C.C.C.E. layoff register exists, or no vacancies are available, the employee shall be ranked on all the appropriate W.S.C.C.C.E. layoff registers for classifications in which the minimum qualifications are met. Employees filling vacancies under this provision shall be subject to a one (1) year probationary period as covered under Article 19 Probation Periods; Trial Service.

**Section 4. Collective Bargaining and the Employer's Authority.** All collective bargaining with respect to wages, hours and other conditions of employment shall be conducted by authorized representatives of the Union and of the Employer. Nothing in this Agreement shall be construed as limiting the Employer's authority as conferred by law as of the effective date of this agreement, or in any way abridging or reducing such authority.

**Section 5. Employer Security.** The Union will not cause, or permit its members to cause, and no employee shall take part in any picketing, strike, work stoppage, sit-down, stay-in or slow down or any curtailment of or interference with the activities and operations of the Employer for any reason. The Union will not cause or permit the public employees to refuse, and no public employee shall, as designated below, refuse to cross any picket line established by any labor organization or group of individuals at any location where the Employer's duties are being performed. The Employer has the right to discipline, including discharge, any employee taking part in any violation of this section, which disciplinary action shall not be subject to the grievance procedure of this Agreement except to determine whether the public employee in fact violated any provision(s) of this section.

**Section 6. Standards of Performance.** The Union agrees for its members who are covered by this Agreement that they will individually and collectively perform efficient work and services; that they will use their influence and efforts to protect the property of the Employer. Employees agree to maintain reasonable standards of performance.

The following provisions shall be applicable to all employees in the respective bargaining units covered herein.

physical, sensory or mental disability, or age except where age, gender, physical, sensory or mental disability is a bona fide occupational qualification. Any violation shall constitute a breach of this agreement.

The Employer and the Union agree that the application of this agreement and County and Departmental personnel policies, rules, and regulations will be administered in a uniform manner, considering all relevant circumstances.

**Section 2.** No employee shall be discriminated against for exercising the employee's rights as a union member or a non-union member.

**Section 3. Union Activities.** The Employer agrees that during working hours, on the Employer's premises, duly elected County employee representatives of the Union shall be allowed without loss of pay, to:

- E. Consult with the Employer, his/her representatives, local Union officers, or other Union representatives concerning any provision of this Agreement, by first receiving the approval of his/her Supervisor. It is the intent of both parties that the investigation of grievance matters by the shop steward(s) be during non-working hours, unless otherwise approved by the Assessor or designee.

Time off without pay for investigating a formal grievance will be allowed, subject to the approval of the Employer. This shall not be construed to allow time off to investigate employee complaints.

Time off with pay for meeting(s) regarding a formal grievance will be allowed, where the employee or Union President's or designee's attendance is required as a part of the grievance procedure as set forth in Article 22, Steps 1, 2, and 3. This shall be limited to meetings with the Employer.

- F. The Employer agrees that accredited representatives of the Union shall have reasonable access to the public premises and designated non-public areas of the Employer during working hours

for the purpose of investigating and discussing grievances, provided the Union representative does not interfere with the work of the employees. Such business will normally be confined to the employee's lounge or conference room, unless otherwise agreed upon by the Employer.

- G. The Union agrees to provide the Employer with an updated list of duly elected County employee representatives and those accredited representatives of the Union within thirty (30) working days of the day the appointment is made.
- H. Upon the written request of the Union, the employer agrees to provide a list of employees filling positions (including promotions and reclassifications) within the applicable bargaining unit(s) for which such information is requested, within seven (7) working days of receipt of the written request.

Subject to the approval of and arrangements made with the Assessor or designee, the Local President shall be allowed to perform such duties on paid time. Both the Employer and Union will use reasonable judgment on the application of this section.
- K. In addition, the President or designee of Local 1811-S will be allowed two (2) days off per calendar year, with pay, to attend designated WSCCCE and AFSCME functions.

**Section 4. Union Use of Bulletin Boards.** The Employer agrees to allow the Union to use designated departmental bulletin boards, the main purpose of which shall be to post union information. The Union agrees to limit posting of such notices to its bulletin board space. It is specifically understood that no notices of a discriminatory or political nature, nor notices that would be offensive to a reasonable person, shall be posted. Each posting shall be initialed and dated by the Union Official responsible for the posting. The County agrees that Local Unions may distribute via e-mail, as authorized by the Local Union

President, any such notices that are deemed acceptable to post on a Union Bulletin Board.

**Section 5.** Official Union representatives may be allowed time off without pay to attend designated conferences and conventions of the Washington State Council of County and City Employees and/or the American Federation of State and County and Municipal Employees; provided that the Employer is able to properly staff the employee's job duties during the employee's time off. The time off shall not exceed five (5) days for a single function or a total of fifteen (15) working days in one calendar year. The normal work week shall consist of forty (40) hours. With the approval of the Assessor a flexible work schedule may be arranged. If the request for flexible work schedule is not approved, the Assessor will give the reasons in writing to the employee and Local Union President.

**Section 2. Overtime.** FLSA non-exempt employees who work overtime shall be compensated at the rate of time and one-half (1 ½ X) their regular straight time rate of pay for hours worked in excess of forty (40) hours in any week; provided that employees whose regular work schedule is less than forty (40) hours in any week shall be compensated at the rate of straight time for hours worked in excess of the employee's regular work schedule in any week, up to forty (40) hours.

**Section 3. Lunch Periods.** The employing official will authorize either a one (1) hour or a one-half (1/2) hour unpaid lunch period as required to meet operational staffing requirements, and/or as otherwise required by State and Federal Law. Lunch periods will normally be taken at mid-shift unless otherwise arranged.

**Section 4. Rest Periods.** Employees shall be entitled to one (1) fifteen (15) minute rest period during each half-day shift, and/or as otherwise required by State and Federal Law. Rest periods shall be scheduled no later than the end of the third hour of work.

**Section 5. Hours Worked.** Holidays, sick leave, bereavement leave, vacations and compensatory time shall be considered time worked for the purpose of calculating overtime pay; provided, that in order for a holiday to be considered time worked, the holiday(s) must fall within the employee's scheduled work week.

Example: An employees schedule is from Tuesday through Saturday. The holiday occurs on a Monday and is not worked. The employee will receive eight (8) hours of holiday pay but it would not count towards overtime unless the employee actually worked the holiday.

**Section 6. Changes to Work Schedules.** For all permanent changes to an employee's work schedule, the employee shall be notified in writing at least five (5) working days in advance of such change unless the employee waives the need of notice or if the change is requested by the employee and approved by the Assessor.

## **ARTICLE 8 – PAID HOLIDAYS**

**Section 2.** The following are the paid legal holidays. A maximum of eight (8) hours pay shall be paid for each holiday. Part-time employees shall receive holiday pay on a pro rata basis, based on actual hours paid in the two (2) closed pay periods prior to the Holiday. Hours worked per week shall be limited to forty (40) hours per week and the resulting holiday hours shall not exceed eight (8) hours. For example, an employee who regularly works twenty (20) hours per week shall receive four (4) hours holiday pay, but would receive eight (8) hours holiday pay if they are paid forty (40) hours per week in the two (2) pay periods prior to the Holiday.

Such a requirement may only remain in place for up to six (6) months, without being reviewed with Human Resources and extended or until the employee's attendance record is satisfactory. In determining whether an employee's attendance record is satisfactory, the County will not consider statutorily protected leave.

**Section 6. Sick Leave - Accounting and Monitoring.** Accounting for sick leave shall be maintained by the Assessor. A continuous record of an employee's accrual and use of sick leave shall be maintained.

**Section 7. Expiration of Sick Leave.** Unless state or federal law requires the employer to do otherwise, the following rules shall apply: Prior to the expiration of all sick leave an employee must, in order to retain entitlement to return to paid employment status, submit to the Assessor a written request for leave of absence as provided for in Article 13. However, if the continued absence from work is expected to continue for less than an additional fifteen (15) working days following expiration of sick leave, the Assessor may grant an oral or written request for leave of up to fifteen (15) working days provided the Assessor has received any requested statements from a medical care provider stating that a condition exists which affects the employee's ability to perform his/her job duties.

**Section 8. Sick Leave - Transfers.** Any employee transferring from one department or office to another shall retain all accrued and unused sick leave benefits. Any employee rehired within one (1) year (two years if recalled from layoff) after termination who, within sixty (60) days after rehire, reimburses the County for any lump sum sick leave settlement paid the employee, shall retain all accrued and unused sick leave benefits. Such reimbursement to the County must be in one lump sum payment.

**Section 9. Leave Payment Upon Separation.**

- A. **Base Cash Payment Upon Separation.** Upon separation from County employment, the employee shall be paid a lump sum payment at the employee's then current pay rate from accrued sick leave reserves in the Sick Leave Account up to and including the maximum amount specified in the following schedule:

<u>Length of Classified Service</u>	<u>Maximum Number of Days Paid</u>	<u>Maximum Number of Hours Paid</u>
Date of Employment through the 5th year	0	0
Date of 5th Anniversary through the 10th year	5	40
Date of 10th Anniversary through 15th year	10	80
Date of 15th Anniversary through the 20th year	15	120
Date of 20th Anniversary and thereafter	24	192

B. **Additional Cash Payment Upon Termination.** Upon termination, employees with twenty (20) or more years of service or who are sixty-five (65) years of age or more shall be paid a lump sum payment of ten percent (10%) accrued sick leave remaining in the Sick Leave Account after the base cash payment made pursuant to subsection A of this section. This payment shall be made at the employee's then current pay rate.

C. **Retiree Medical Insurance.** For employees eligible to receive a Washington State or Washington Municipal retirement benefit immediately following separation from employment, the Employer will pay one month of the total premium of the county's retiree medical insurance program for the retiree and spouse for each one-hundred (100) hours of unused sick leave in excess of sick leave cashed out pursuant to subsections A and B of this section to a maximum of twelve (12) months of premium payments. Upon the death of an enrolled retiree, a surviving spouse/registered domestic partner who has been enrolled in the county retiree medical plan shall be offered COBRA retiree medical coverage, at their own expense, as required by law.

**Section 10. Day of On-The-Job-Injury.** When an employee suffers an industrial injury, the employee will be paid for the balance of the work day, which will not be charged to sick leave.

Scheduled workdays falling within the first three calendar days following the day of injury are compensable through accrued sick leave, provided however, if the period of disability extends beyond fourteen calendar days, then accrued leave taken shall be reimbursed by Worker's Compensation on a pro rata basis. Upon

the employee's written request, sick leave pay may be used to supplement industrial insurance benefits in an amount equal to the difference between the compensation to which the person is entitled under the Industrial Insurance Act and regular County net pay. Any accrued vacation or compensatory time may be used in a like manner after accrued sick leave is exhausted.

Employees who are temporarily disabled and are being compensated through industrial insurance are entitled to continue to receive the normal health benefits and life insurance. The employee may be required to self pay the premium contribution under Article 26 of this contract. Sick leave and vacation shall only accrue, however, for hours in County pay status. Employees receiving industrial insurance may also be eligible for benefits under Long Term Disability Insurance. An employee must submit a completed Return To Work Authorization form to his/her supervisor and obtain approval before resuming any duties. It is the responsibility of the employee to contact and follow the direction of DRS, while they are on time loss payments, to ensure continuation of retirement service credit accrual.

#### **Section 11. Disability Leave.**

- A. Disability leave shall be granted when an employee is temporarily disabled and unable to perform the essential duties of his/her position as verified by the required medical documentation. Disability leave may be granted for up to twenty-six (26) weeks within any two (2) year period for disabilities that do not stem from an industrial injury or occupational disease. Disability leave may be granted for up to fifty-two (52) weeks for disabilities caused by an industrial injury or occupational disease. All leave stemming from disabilities shall be considered in calculating the allowable leave period regardless of whether or not the leave is intermittent or taken over a consecutive period, from the beginning of such leave.
- B. Unless otherwise required by state or federal law, when an employee is unable to return to work in the employee's previous position after exhausting the disability leave provided under the previous paragraph, the County may either hold the position for a reasonable time if the position can be kept vacant or filled on a temporary basis or lay off the employee and place him or her on a reinstatement list for the class of the previous position or for a class that is appropriate to the employee's medical condition. If it is determined that the employee will not be able to return to work in any capacity, the County may terminate the employee after a pre-determination hearing.

An employee must submit a completed Return To Work Authorization form to his/her supervisor and obtain approval before resuming any duties.

- C. Leave resulting from a medical condition that is not an industrial injury or occupational disease suffered in County employment in accordance with this Article requires employees to exhaust accrued sick leave and accrued compensatory time and vacation leave before applying for or being granted a leave without pay. The employee may also be eligible for Long Term Disability Insurance. Employees are responsible for paying medical, dental, vision, life, and other appropriate premiums while on disability leave without pay.

**Section 12. Paid Family Medical Leave.** The County will continue to administer paid family medical leave (PFML) in accordance with state guidelines and requirements. For illustrative purposes only, this currently includes, but is not limited to the following attributes:

- Employees desiring to use PFML must notify the department in writing at least thirty (30) days in advance if foreseeable and as soon as practical if not foreseeable.
- Employees must use PFML in at least an eight (8) consecutive hour increment each week.
- Employees have the sole discretion as to whether to apply for PFML leave.
- PFML is leave without pay (LWOP) and therefore will affect employee sick and vacation leave accruals and can impact holiday pay.
- The County will continue to pay the County's portion of medical insurance for an employee on PFML if there is at least one day of overlap between PFML and FMLA until the employee returns to work or their PFML expires, whichever occurs first.

## **ARTICLE 11 – BEREAVEMENT LEAVE**

Upon notification, the Assessor shall grant an employee bereavement leave with pay in the event of death in the immediate family of the employee. The maximum number of working days leave shall be three (3), except that when the occurrence is at a distance beyond 300 miles, additional time not exceeding four (4) additional working days may be granted to attend the funeral and to make necessary arrangements. If the employee is the personal representative or is the trustee of the estate of the deceased, the Assessor may grant an additional three (3) days of bereavement leave and may also allow the use of two (2) days of sick leave.

The term "immediate family" shall include:

- A. The employee will receive his/her normal daily earnings for jury and court leave time. The employee shall submit to payroll section his/her jury duty warrant or any other payment (excluding mileage) for the time served.
- B. An employee shall report for work during all hours he/she is released from jury or witness service. If less than one hour remains from the time of such release to the end of his/her regular shift, the employee shall call his/her supervisor for instructions.
- C. When employees receive notice of jury duty they shall notify their supervisor within two (2) working days of receipt of the notice.

### **ARTICLE 13 – LEAVES OF ABSENCE WITHOUT PAY**

Accruals for vacation and sick leave will not take place while an employee is on an unpaid leave of absence. In addition, employees on an unpaid leave of absence are not eligible for holiday pay. Unpaid leaves of absence of ninety (90) or more calendar days will cause the employee's continuous service to be adjusted equal to the duration of the unpaid leave beyond ninety (90) calendar days. The employee's step adjustment date will be adjusted equal to the duration of the unpaid leave beyond ninety (90) calendar days.

**Section 1. Medical and Family Related Leaves.** Medical and family leaves of absence (including leave related to family members' status as a covered service member) shall be granted in accordance with federal and state laws, applicable labor contract language and Snohomish County Code. Upon an employee's prior written request, submitted at the same time as an FMLA or Washington Family Care Leave Act request is made, an employee may be granted leave of absence without pay and maintain up to forty (40) hours of total paid leave accrual in any designated combination of sick leave, vacation, compensatory time and floating holidays. Failure to make such a request will result in the requirement of the employee to exhaust all leave banks prior to taking leave without pay.

**Section 2. Other Types of Unpaid Leave.**

- A. **Civil Duty.** Any employee who is elected or appointed to a political or legislative position which is compatible with the employee's County employment may be granted leave without pay to perform his/her civil duty or the employee may utilize accrued vacation leave and/or compensatory time.

- C. **Personal Leave.** Employees may request an unpaid personal leave of absence of not more than six (6) months by submitting a written request to their immediate supervisor. Requests must be submitted at least thirty (30) days in advance (except in emergency situations). Requests for leave of absence without pay for non-medical reasons may be considered in light of the circumstances involved and the needs of the County. Before an unpaid leave of absence for non-medical reasons will be granted, all paid leave options (such as: compensatory time, floating holiday and accrued vacation) shall be exhausted.

**Section 3. Return From Leave of Absence.** The County will abide by the requirements of state and federal leave laws, including military leave rights, with respect to an employee's return to their previous position upon conclusion of their leave. For leave not governed by these statutes, at the expiration of any authorized leave of absence, per applicable laws, every reasonable effort will be made to return the employee to his/her last held position unless other conditions

were stipulated in writing by the immediate supervisor upon granting the leave or unless otherwise stipulated in this agreement. If it is not possible to reinstate the employee to his/her last held position, attempts will be made to place the employee in a comparable position. Any employee who fails to return to work within three (3) working days after the expiration of such leave shall be considered to have voluntarily resigned their employment with the County, unless the employee, prior to the expiration of such leave, has requested and been granted a leave of absence extension.

## **ARTICLE 14 – ASSOCIATION DUES**

**Section 1. Professional Association Dues.** To encourage active participation in two approved professional associations, The International Association of Assessing Officers (I.A.A.O.) and the Urban and Regional Information Systems Association – (U.R.I.S.A.), the Assessor's office will reimburse employees' association membership dues for the full annual cost not to exceed \$200.00 annually per employee, if they actively participate in association activities. Such participation shall include attendance at association meetings, conferences and other association functions. Members attending association meetings will be reimbursed mileage.

**Section 2. Professional Designations.** The County will consider the achievement of approved professional designations in I.A.A.O. or U.R.I.S.A. as contributing toward professionalism in the Assessor's Office and will reimburse the holder of this designation for annual designation dues up to a maximum of \$500.00 per year during the term of this agreement and will reimburse mileage.

- A. **Rates of Pay.** No employee shall be paid at a rate of pay less than the minimum nor more than the maximum established for his/her job as set forth in the pay plan. All pay rates in the pay plan are based upon full-time employment at the normal working hours for the position. For purposes of pay administration, full-time employment is defined as work consisting of at least thirty-five (35) but no more than forty (40) hours per week.
- B. **Anniversary Step Date Administration.** Effective dates between the first and the fifteenth of any month will have an anniversary date of the first of the month in which the hiring occurred; effective dates between the sixteenth and the end of any month will have an

anniversary date of the first of the following month in which the hiring occurred. (Example: An employee hired on February 16 would receive wages beginning on this date, and the anniversary step date would be March 1 of the following year. An employee hired on February 10 would have an anniversary step date of February 1 of the following year.)

**Section 3. Starting Rate Upon Initial Employment.** New employees shall be appointed at the minimum step of the pay grade in effect for the particular classification or positions to which the appointment is made unless the employing official has received prior authorization from the County Executive or his/her designee to fill the position at some other step in the pay grade, and the Union has been notified in writing and/or email and has no legitimate objection to doing so. In no event shall the starting rate of pay exceed the maximum rate of the pay grade.

**Section 4. Pay Rate Upon Promotion.** An employee who is promoted shall be paid at the step in the new pay grade which represents at least a one step increase over the rate of pay received immediately prior to the promotion or at the minimum step of the new pay grade, whichever is greater, provided that such increase does not exceed the maximum step of the new pay grade. Employees who previously held regular status in the new position will retain their salary step after promotion.

**Section 5. Pay Rate Upon Demotion or Voluntary Reduction.** An employee who is demoted shall be paid at that step of the lower pay grade that results in not more than a one (1) step decrease, the one (1) step decrease being defined as the next lower step on the employee's pay grade before the demotion or voluntary reduction. The resulting pay step shall not be higher than the maximum nor lower than the minimum step of the lower pay grade.

An employee who accepts a voluntary reduction because of organizational changes or reduction in force or who requests a voluntary reduction for personal reasons shall be paid at that step of the lower pay grade that results in not more than a one (1) step reduction in the pay grade as defined and limited above; provided, however, that the employee will receive the same rate of pay received prior to the demotion (but not higher than the top step of the salary range) if the lower classified position requires performance of duties which are functionally related to the duties of the higher classified position held by the employee and the employee can satisfactorily perform all the duties of the position without a training period.

**Section 6. Pay Rate Upon Demotion From Promotion.** An employee who is demoted from trial service following promotion shall receive the same step in the lower pay grade as held before promotion, provided that adjustments shall be

**Section 9. Calculating Hourly Wage.** For the purposes of calculating the hourly rate of pay for employees who are paid on the basis of a monthly salary, hourly wages shall be determined by the following formula:

$$\frac{\text{Annual Salary}}{\text{Annual Work Schedule}} = \text{Standard Hourly Rate}$$

The above formula is used to calculate the Standard Hourly Rate for determining overtime pay, sick leave payout, and vacation leave payout.

**Section 10. Adjustment to the Anniversary Date (Step Adjustment Date).** The anniversary date, once established at the time of initial employment (pursuant to Section 2 (B) of this Article), shall not be changed due to subsequent reclassification, promotion or demotion, but will be adjusted for any leave without pay or layoff period of ninety (90) calendar days or more. When an employee returns from a leave without pay or layoff that is ninety days or longer and is re-employed, the original hire date will be extended by an amount of time equal to the period of leave without pay or layoff in excess of ninety (90) days. A new anniversary date will be calculated from this revised hire date pursuant to Section 2 (B) of this Article.

All others shall be six (6) months in duration.

In the event an employee is on leave for more than ten (10) consecutive working days during a probationary or trial service period, the completion date may be extended by an amount of time equal to the period of leave.

Probationary employees serving their initial probation period who are promoted to another position will serve a full twelve (12) months probationary period in the new position.

**Section 3. Removal During Probationary Period.** At any time during the probationary period, the Assessor may remove an employee whose performance does not meet the required standards, provided that he/she shall report the removal and the reasons therefore in writing before the effective date of separation to the Human Resources Director and to the employee concerned and the Local President. ## **ARTICLE 20 – DISCIPLINE AND TERMINATION**

**Section 1.** The employer retains the right to discipline, suspend or discharge employees, subject to the grievance procedure in this Agreement as to whether or not such action was for cause.

**Section 2.** Records of oral warnings and written reprimands shall be removed from the employee's file in the Human Resource Department after a one (1) year period if no related violations occur. The period shall be two (2) years for oral warnings and written reprimands for safety violations. Oral warnings and written reprimands relating to sexual harassment and/or unlawful discrimination because of race, color, religion, national origin, sex, marital status, physical, sensory or mental disability, or age will stay in the employee's personnel file for three (3) years if no similar violations occur.

The Department of Human Resources shall be the central depositor of all official records and files. All official personal records shall be maintained by the Department of Human Resources.

**Section 3.** The County agrees to follow the principles of progressive discipline. Disciplinary action generally includes the following progressive steps:

1. Oral warning which shall be reduced to writing;
2. Written reprimand;
3. Suspension and/or demotion; and
4. Discharge

Coach and Counseling sessions are deemed to be a means of communicating problems to an employee and are not grievable.

Disciplinary action will be tailored to the nature and severity of the offense. Management maintains the right to take disciplinary action as they deem appropriate which may include skipping the above steps to address severe discipline issues.

## **ARTICLE 21 – LABOR-MANAGEMENT COMMITTEE**

The Employer and the Union have established a Labor-Management Committee which will meet periodically during the term of this Agreement to discuss matters of mutual concern. The Committee will meet at the request of either party. The Committee shall consist of not more than two (2) representatives from the County and two (2) representatives from the Union. The party calling for the meeting shall forward a copy of the agenda in advance of the meeting.

## **ARTICLE 22 – GRIEVANCE PROCEDURE**

**Section 1. Grievance Defined.** A grievance shall be defined as a dispute or disagreement raised by an employee against the County involving the interpretation or application of the specific provisions of the Agreement. The grievance procedure is the exclusive remedy for claims that the contract has been violated. A grievance shall be processed as set forth below, provided that the limits may be waived by mutual agreement of the parties. For purposes of this Article, working days means Monday through Friday (except holidays).

Any grievance filed on behalf of a group of employees or a class action grievance shall be reviewed, approved and submitted by the Union Executive Board prior to such filing, and shall be signed by the Local Union President.

### **Section 2. Grievance Procedure.**

- Step 1.** To be valid, a grievance must be submitted to the employee's Chief Deputy Assessor within ten (10) working days from the occurrence on which the alleged grievance is based, or within ten (10) working days of the date when the employee knew of or should have known of the occurrence, but in no event more than

sixty (60) calendar days from the date of the occurrence. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the Article allegedly violated, and the relief requested. A grievance meeting shall be held within ten (10) working days of the receipt of the grievance, and the Chief Deputy Assessor will submit a written grievance answer within ten (10) working days of the meeting to the employee and President of the Local.

**Step 2.** If the grievance was not settled at step 1, it may be advanced by the Union to the Assessor within ten (10) working days of receipt of the step 1 answer. A grievance meeting shall be held within ten (10) working days of receipt of the grievance, and a written grievance answer will be given within ten (10) working days of the meeting to the President of the Local and the Staff Representative.

**Step 3.** If the Grievance was not settled at step 2, it may be advanced to the County Executive or designee within ten (10) working days of receipt of the step 2 answer. A grievance meeting shall be held within ten (10) working days of receipt of the grievance, and a written grievance answer will be given within ten (10) working days of the meeting to the President of the Local and the Staff Representative.

**Step 4.** Arbitration Procedure. If the grievance is not settled in accordance with the foregoing procedure, the Union or Employer, as the “moving party,” may refer the grievance to arbitration by providing a written request for arbitration to the opposing party within thirty (30) working days after receipt of the County's answer to Step 3. If the request for arbitration is not sent within thirty (30) working days, the Union or the moving party waives its right to pursue the grievance through the arbitration procedure.

- a) Upon receipt of the request for arbitration, the County and the Union shall have thirty (30) working days to attempt to select a sole arbitrator by mutual agreement. In the event the parties are unable to agree upon an arbitrator within this time period, the moving party shall have an additional thirty (30) working days in which to request the American Arbitration Association or PERC to submit a panel of nine (9) arbitrators from which the parties will select an arbitrator via the alternate strike procedure, specified below. If the moving party fails to make such a request from the AAA or PERC within this time period, the moving

party waives its right to pursue the grievance through the arbitration procedure.

- b) Upon receipt of the list of nine (9) arbitrators from the AAA or PERC, the County and Union shall alternately strike names of arbitrators until one arbitrator's name is left who shall be arbitrator. The order of striking names shall be determined by the flip of a coin. The moving party has the burden of timely initiating the alternate strike procedure, but in no event shall the parties fail to complete the alternate strike procedure within sixty (60) working days of the date the AAA or PERC mailed them the list of arbitrators. Failure to initiate the alternate strike procedure within this period will result in the moving party waiving its right to pursue the grievance through the arbitration procedure.
- c) When an arbitrator has been selected, using any of the above procedures, the moving party has the burden of notifying the arbitrator of his/her selection by sending a joint letter from the parties requesting that he/she set a time and a place for hearing, subject to the availability of the County and Union representatives. If the moving party fails to send this notification to the arbitrator within thirty (30) working days of his/her selection, the moving party waives its right to pursue the grievance through the arbitration procedure.
- d) Once an arbitrator is selected, he/she shall have jurisdiction over the hearing and any pre-hearing matters arising between the parties concerning the grievance at-issue, unless the parties mutually agree to rescind the appointment of the arbitrator. If the Union prevails, the County will pay the fee and expenses of the arbitrator. If the County prevails, the Union shall pay the fee and expenses of the arbitrator. If the loser or winner cannot be identified, the arbitrator will determine the basis upon which the fee will be split. The arbitrator shall have no right to amend, modify, ignore, add to, or subtract from the provisions of this agreement. He/she shall consider and decide only the specific issue submitted to him/her in writing by the County and the Union, and shall have no authority to make a decision on any other issue not submitted to him/her. The arbitrator shall submit his/her decision in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties,

whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon his/her interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator shall be final and binding. Each party shall be responsible for compensating its own representatives and witnesses.

**Section 3.** Nothing herein shall prevent an employee from seeking assistance of the Union, or the Union from furnishing such assistance at any stage of the grievance procedure.

**Section 4.** No issue whatsoever shall be arbitrated or subject to arbitration unless such issue results from an action or occurrence which takes place following the execution date of this Agreement, and no arbitration award shall be made by the arbitrator which grants any right or relief for any period whatsoever prior to the execution date of this Agreement.

**Section 5. Election of Remedies.** It is agreed that taking a grievance appeal to arbitration constitutes an election of remedies and a waiver of all rights by the appealing employee, the Union, and persons it represents to litigate or otherwise contest the appealed subject matter in any court or other available forum. Likewise, litigation or other contest of the subject matter in any court or other available forum shall constitute an election of remedies and a waiver of right to arbitrate the matter.

### **ARTICLE 23 – ENTIRE AGREEMENT**

The parties acknowledge that during the negotiations which resulted in the Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. The parties agree that no oral or written statement shall add to or supersede any of the provisions of this Agreement. Therefore, the County and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

### **ARTICLE 24 – SAVING CLAUSE**

If any Article or Section of this contract shall be held invalid by operation of law or by any tribunal of competent jurisdiction, the balance of this contract shall

continue in full force and effect, and either party shall have the right of re-negotiations for the purpose of adequate replacement, provided that the invalidation of such Article or Section does not have a significant bearing on any other Article or Section of the Agreement.

## **ARTICLE 25 – SUPREMACY AND EXTRA AGREEMENTS**

**Section 7. Long-Term Disability Insurance.** Eligible employees shall be covered by long-term disability insurance. Employees on industrial or non-industrial disability may apply for this plan. Upon the employee's written request, accrued vacation pay may be used to supplement Long Term Disability benefits in an amount equal to the difference between the compensation to which the employee is entitled under the Long Term Disability and regular County net pay.

An employee is deemed on active service for the purpose of this Article if he or she is on duty status or is on vacation leave, sick leave, bereavement leave, court leave, occupational disability leave or is on other approved paid leave.

**Section 8.** Regular employees are eligible for a County approved IRS Section 125 Plan. The limits of this Plan shall be subject to adjustment by the County to ensure that Excise Tax limits of the Affordable Care Act are not exceeded.

The Union may designate one member to regularly attend the meetings of the committee.

**Section 11. Dependent Eligibility.** The Union and Employee recognize the importance of verifying appropriate and legal dependents included under an employee's benefits program of Snohomish County. Falsifications or failure to notify the Employer of changes in eligibility could lead to employee discipline and or financial responsibility for ineligible coverage. The Employer retains the right to require proof of eligibility as part of open enrollment and any cost associated with providing such proof is not compensable by the Employer.

**Section 12. Optional Insurance.** Optional insurance opportunities or other optional purchase opportunities that the employer may provide outside vendors access to employees for shall be considered permissive on the employer's part. The employer shall not be obligated to continue these optional offerings or negotiate the removal of any of these optional offerings. If the employer decides to no longer offer these options, the Union shall be provided with advance notice of the removal. This does not include any insurance plan or program specifically identified in this collective bargaining agreement

## **ARTICLE 27 – DURATION**
