Re: **Recommendation for Appointment to Noxious Weed Control Board**

I am pleased to approve the appointment of Molly Jackson to the Snohomish County Noxious Weed Control Board.

Mrs. Jackson meets the board member qualifications, and desires to serve as the Weed Control District 2 representative of the Noxious Weed Control Board. Pursuant to SCC 2.03.030, I am pleased to recommend the appointment of Mrs. Jackson to the Noxious Weed Control Board. Mrs. Jackson graduated with a Bachelor of Arts in Psychology from University of Washington. She currently lives on a small farm in Arlington, where she keeps horses, goats, and gardens, expanding on her 20 years of livestock experience while growing up on a small family farm. Additionally, she has been involved in horticulture through her experience via her mother's landscape design company and her own custom event-florist company. Mrs. Jackson understands first-hand the impacts of invasive weed species on individual properties, in addition to the community. She brings a shared vision of a safe, ecologically sound, and productive county to the Noxious Weed Control Board.

Pursuant to SCC 2.03.030, I recommend Molly Jackson for appointment to the Snohomish County Noxious Weed Control Board to serve a four-year term, expiring 12/31/2028.

Thank you for your consideration.
