Re: ***I Stand for Peace*** Campaign Letter of Support

Snohomish County supports the ***I Stand for Peace*** campaign and its mission of a stress-free, violence-free society. We support this campaign across the US which is bringing together people to make their voice of peace be heard.

This campaign lays the foundation for the World Culture Festival – a global event series that creates a platform to celebrate rich cultural diversity through dance, music, dialog, and meditation, and honor the underlying spirit that connects us all as one global family. Snohomish County supports this important platform and values our diverse, global community.

Snohomish County strives to be a welcoming and inclusive community that is welcoming to all and where everyone's human rights are respected, protected, and valued. We invite you to hold your next gathering here in one of our beautiful Snohomish County parks.

Sincerely,
