Authorizing the County Executive to authorize a Formal Task Assignment Amendment to the Public Works On-Call Agreement for environmental consulting for Remedial Investigation at Snohomish County Airport at Paine Field.

Background:

The purpose of this task assignment with GeoEngineers, Inc. is to perform sampling at the former fire training pit and BFGoodrich Hangar 3 for further remedial investigation. The Airport requests authority to utilize the Snohomish County Public Works On-Call Contract for environmental consulting services.

GeoEngineers, Inc. ("GeoEngineers") of Seattle was selected to provide environmental consulting services pursuant to the Snohomish County Public Works On-Call Contract Agreement No. OCC23/2-7.8(U). This is a continuation of the Aqueous Film Forming Foam (fire extinguishing) remedial investigation that started in 2018. The value of the formal task assignment amendment as part of the On-Call Contract is not to exceed \$299,255.10.

Public Works has reviewed the task assignment and has stated that it is contract compliant
