MOTION NO. 25-247

AUTHORIZING OF STORAGE SPACE AT THE BLUE BARN
(AKA Tax No. 29053500101100 and 3718 Fobes Road, Snohomish, WA 98290)

WHEREAS, Snohomish County owns property located at 3718 Fobes Road, Snohomish, WA that contains a blue barn (the "Facility") that is used from time to time for storage of materials and equipment needed to maintain other Snohomish County owned property; and

WHEREAS, the Washington State Department of Natural Resources (the "DNR") has asked to use 100 square feet of the Facility for the same purposes over the next four (4) years with an option to extend for two (2) additional years; and

WHEREAS, DNR also asks for additional parking spaces outside of the barn for maintenance vehicles and State workers to use while at the Facility; and

WHEREAS, the custodial ownership of the parcel described above is Surface Water Management ("SWM"). SWM agrees that this would be beneficial for the County to allow in order to create a more secure Facility and help with salmon recovery work that the County and the DNR have in common;

NOW, THEREFORE, ON MOTION, the Snohomish County Council hereby finds it is in the public interest to allow the Facility be shared with the DNR and authorizes the County Executive to sign the Agreement on behalf of Snohomish County.
