Why would you like to I work for Providence in the Home and Community Care Division

serve on this board/commission?	(hospice, home health, palliative care, PACE) and a large portion of our patient base are seniors. We have a lot of resources that the community doesn't always know about, we exist to help serve the senior population and their families, and a part of our mission is "health for a better world". I believe being on the Council would be a benefit to the Council, to my agency, and to the community.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	I have been with Providence for 9 years serving as the Foundation Director for the Hospice and Home Care Foundation. Prior to coming to Providence I also worked for the YMCA, American Diabetes Association, and Volunteers of America. During my career I have established relationships with a number of other agencies, groups/orgs, and individuals. I work hard to establish relationships that will benefit the population we serve as well as benefit the community as a whole. I believe in partnering/collaborating to better our community and I have strong communication, fundraising, and leadership skills that I believe make me a qualified candidate.
Please list community involvement/volunteer activities	Member of the Everett Rotary Club, former member of the Lynnwood Rotary Club including serving as Club President. Co-Chair of the Mill Creek YMCA Board. Co-Chair of the Providence Hospice and Home Care Mission Committee. Co-Chair of the Providence Hospice and Home Care DE&I Committee. Leadership Snohomish County Graduate.
How did you learn of this opportunity?	I was invited by Dennis Wheeler to present to the COA on our hospice work. I was impressed by the group and wanted to join so I can help.
