The County shall protect, hold harmless, indemnify, and defend, at its own expense, the Licensor, its officers, employees, and agents from any loss or claim for damages of any nature whatsoever, including claims by third parties or by the County employees from which it would otherwise be immune under Title 51, RCW or other law, arising out of any act or omission on or about the Premises or relating to this Agreement by the County, its appointed or elected officials, officers, assignees, agents, employees, invitees, contractors or subcontractors. The County agrees, at its own expense, to maintain, through its self-funded program, coverage for all of its liability exposures for this Agreement. The County agrees to provide the Licensor with at least 30 days prior written notice of any material change in the County's self-funded program and will provide the Licensor with a certificate of self-insurance as adequate proof of coverage. Licensor further acknowledges, agrees and understands that the County does not purchase Commercial General Liability

insurance and is a self-insured governmental entity; therefore, the County does not have the ability to add the Licensor as an additional insured.

Should the County elect cease self-insuring its liability exposures and purchase Commercial General Liability insurance, County agrees to add the Licensor as an additional insured.

b. Verification of Coverage. The County shall furnish the Licensor with an original certificate of self-insurance, evidencing the insurance requirements of the County.

c. Waiver of Subrogation. The County and District hereby release and discharge each other from all claims, losses and liabilities arising from or caused by any hazard covered by property insurance on or in connection with the Premises or Building. This release shall apply only to the extent that such claim, loss or liability is covered by insurance.

(b) Either party may terminate this Agreement by providing sixty (60) days prior written notice to the other party.

(c) Termination shall not affect the rights of the County under any other paragraph in this Agreement.

16. REPRESENTATION AND WARRANTIES. Each party to this Agreement represents and warrants to the other party that it has the full right, power, and authority to enter into and perform its obligations under this Agreement and that, by engaging in this Agreement, such party is not in breach of any obligation to any third party.

18. REMEDIES. The rights and remedies of the County and Licensor under this Agreement are cumulative, and either party may enforce any of its rights or remedies under this Agreement or other rights and remedies to it at law or in equity.

19. PUBLIC RECORDS. This Agreement and all public records associated with this Agreement shall be available from the County for inspection and copying by the public where required by the Public Records Act, chapter 42.56 RCW (the "Act"). To the extent that public records then in the custody of the Contractor are needed for the County to respond to a request under the Act, as determined by the County, Licensor agrees to make them promptly available to the County. If Licensor considers any portion of any record provided to the County under this Agreement, whether in electronic or hard copy form, to be protected from disclosure under law, Licensor shall clearly identify any specific information that it claims to be confidential or proprietary. If the County receives a request under the Act to inspect or copy the information so identified by Licensor and the County determines that release of the information is required by the Act or otherwise appropriate, the County's sole obligations shall be to notify Licensor (a) of the request and (b) of the date that such information will be released to the requester unless Licensor obtains a court order to enjoin that disclosure pursuant to RCW 42.56.540. If Licensor fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified.

The County has, and by this section assumes, no obligation on behalf of Licensor to claim any exemption from disclosure under the Act. The County shall not be liable to Licensor for releasing records not clearly identified by Licensor as confidential or proprietary. The County shall not be liable to Licensor for any records that the County releases in compliance with this section or in compliance with an order of a court of competent jurisdiction.

20. AMENDMENTS AND WAIVER. No waiver will be effective under this Agreement except by an amendment expressly in writing identifying the rights waived and signed by the authorized representative of the County and Licensor to be bound thereby. Without limiting the generality of the foregoing, the County or Licensor will not be deemed to modify any term or waive any right or remedy under this Agreement by failing to insist on compliance with any of the terms of this Agreement or by failing in one or more instances to exercise any right hereunder.

21. CONSTRUCTION. Each addendum and exhibit associated with this Agreement is hereby incorporated by reference, as if fully set forth herein. If any provision of this Agreement is determined to be unenforceable in any jurisdiction, the parties intend that this Agreement be enforced in such jurisdiction as if the unenforceable provisions were not present and that any partially valid and enforceable provisions be enforced in such jurisdiction to the extent that they are enforceable, and further agree to substitute for the invalid provision a valid provision (with respect to such jurisdiction) which most closely approximates the intent and economic effect of the invalid provisions. The section headings of this Agreement are for convenience only and have no interpretive value. References to currency or "\$" in this Agreement refer to the United States of America dollar unless otherwise expressly noted. days" will refer to each day other than a Saturday or Sunday or a day that commercial banking institutions in Snohomish County, Washington are authorized or required by law to remain closed. Each party and its counsel have reviewed and jointly participated in the establishment of this Agreement. No rule of strict construction or presumption that ambiguities will be construed against any drafter will apply, and no presumptions will be made or inferences drawn because of the final inclusion of a term not contained in a prior draft or the final election of a term contained in a prior draft. Except as expressly set forth in this Agreement with respect to the parties, who are intended third party beneficiaries of this Agreement, the terms and conditions of this Agreement will apply solely for the benefit of the parties hereto (including their permitted successors and assigns), and nothing under this Agreement will give any third party any benefit, right or remedy hereunder.

22. RELATIONSHIP OF THE PARTIES. The County and Licensor are independent contractors. Nothing in this Agreement is to be construed as creating an agency, partnership, or joint venture relationship between the parties, and neither party will be entitled to act on behalf of or bind the other in any manner, except to the extent expressly set forth in this Agreement (if at all).

23. GOVERNING LAW, STIPULATION OF VENUE, AND ATTORNEY FEES.
