

SNOHOMISH COUNTY COUNCIL
Snohomish County, Washington

NOTICE OF ENACTMENT

NOTICE IS HEREBY GIVEN, that on June 4, 2025, the Snohomish County Council approved Ordinance No. 25-027.

ORDINANCE NO. 25-027

RELATING TO THE SOLID WASTE SERVICE FEE SCHEDULE AND CHARGES FOR
SECURED LOADS; AMENDING CHAPTER 7.41 SCC

Summary: Tipping fees for municipal solid waste were last adjusted in 2009. Snohomish County Public Works Department's Solid Waste Division (SWD) has recently completed a Cost of Service and Rate Analysis, which created a service and rate model to assist with cost forecasting. After reviewing the results of the analysis, it was determined that the adopted tipping fee schedule was no longer adequate, and a step approach was recommended for increasing the solid waste service fees. The Ordinance amends the solid waste service fee schedule, update tipping fees and establish a separate fee schedule for waste export specific services starting January 1, 2026. The base rates are recommended to increase annually by 3%, starting on January 1, 2027.
