

## Snohomish County Council

**Committee:** LJHS **Analyst:** Heidi Beazizo  
**ECAF:** 22-0744, 0746, 0748, 0749, 0750, 0751 & 0753  
**Proposal:** Mot. 22-321, 322, 323, 325, 326, 327, 328  
**Date:** August 2, 2022

### **Consideration**

The Executive's Office requests Council consider approving the proposed PSTAA motions approving amendments to the Interlocal Agreements and adopting the Proposed Services and Expenditure Plans for funds appropriated in the 2022 Budget impacting the 2022-23 Program Year.

### **Background**

The State of Washington Legislature established the Puget Sound Taxpayers Accountability Act (PSTAA) account pursuant to RCW [43.79.520](#) and Snohomish County is estimate to receive approximately \$79 million between 2019 and 2036.

On November 10, 2020, the Snohomish County Council passed the 2021 budget providing \$800,000 in expenditure authority for PSTAA revenues.<sup>1</sup>

On March 10, 2021, the Snohomish County Council passed Amended Motion 21-089 providing direction to develop interlocal agreements (ILA) with the school districts and higher education institutions with students located inside the regional transit authority's boundaries.<sup>2</sup>

On September 22, 2021, the Snohomish County Council passed Interlocal Agreements for each participating school and adopting their proposed Service and Expenditure plans for the 2021-2022 Program Year.<sup>3</sup>

During the 2021-2022 Program Year, Amendments were executed for three schools, updating the budget categories and fund recipients: Northshore SD (Motion 22-160<sup>4</sup>), Washington State University Everett (Motion 22-205<sup>5</sup>) and Edmonds College (Motion 22-232<sup>6</sup>).

Motion 22-282<sup>7</sup>, adopted by Council on July 13, 2022, updated the direction for the allocation of revenues making changes to alleviate administratively burdensome components of the funding allocation requirements.

Each Interlocal Agreement includes the requirement that the participating schools submit a proposed Services and Expenditure Plan by June 30<sup>th</sup> for the upcoming Program Year and a report on the performance of the prior program year (2021-2022) is due October 30; I've attached the summary spreadsheet for the 2021-2022 Program Year for comparison to this year's proposals.

Consistent with the 2021-2022 Program Year, two of the K-12 school districts, with small numbers of students residing with the RTA, Marsyville (\$1,112.20) and Snohomish (\$25,580.60) will not execute Interlocal Agreements for the receipt of PSTAA funds.

### **Current Proposal**

This position will support families through this process. The goal is to reduce the number of multilingual students qualifying for early learning special education services unless their needs are severe, and to increase the number of students utilizing the district's multi-tiered system of supports (MTSS) to access the appropriate level of services where and when needed without the need for an Individualized Education Plan (IEP). This allows the student to transition into kindergarten within the general education setting. Funding supports 0.3 FTE for 1.5 days/week.
