ARTICLE 14 - LEAVES OF ABSENCE WITHOUT PAY

Irrespective of the following provisions of this Article, the Union and County agree to cooperate and use their best efforts to comply with Federal and State laws pertaining to family medical leave.

Section 1. Requests for leave of absence without pay shall be considered in light of the circumstances involved and the needs of the County. Before an unpaid leave of absence will be granted, all paid leave options should be reviewed (such as: compensatory time, floating holiday and accrued vacation). Leave options that are required to be exhausted or that are optional are listed under each section. Any leave without pay beyond six months duration must have the Human Resources Director's approval for good cause shown.

Section 2. Accruals for vacation and sick leave will not take place while an employee is on an unpaid leave of absence. In addition, employees on an unpaid leave of absence are not eligible for holiday pay. Unpaid leaves of absence of ninety (90) or more calendar days will cause the employee's continuous service to be adjusted equal to the duration of the unpaid leave beyond ninety (90) calendar days. The employee's step adjustment date will be adjusted equal to the duration of the unpaid leave beyond ninety (90) calendar days.

Section 3. Types of Unpaid Leave.

- A. **Family Leave.** Up to twelve (12) weeks total of paid and unpaid leave may be granted during any twelve (12) month period for qualifying situations as outlined by State and/or Federal law.

Employees are required to exhaust any accrued vacation and compensatory time before becoming eligible for an unpaid leave of absence.

When possible, except in the case of unexpected events such as a premature birth or early adoption placement, requests for family leave should be submitted to an employee's immediate supervisor at least thirty (30) days prior to the date leave is expected to commence.

Medical Leave. Medical leaves of absence shall be granted in accordance with federal and state laws, applicable labor contract language and Snohomish County Code. For all medical leaves where leave without pay is requested, the Employer reserves the right to require a physician's verification of the need for the leave. Upon an employee's request an employee may be granted leave of absence without pay and maintain up to forty (40) hours of total paid leave accrual in any designated combination of sick leave, vacation, compensatory time and floating holidays. Failure to make such a request will result in the requirement of the employee to exhaust all leave banks prior to taking leave without pay.

- B. **Civil Duty.** Any employee who is elected or appointed to a political or legislative position which is compatible with the employee's County employment may be granted leave without pay to perform his/her civil duty or the employee may utilize accrued vacation leave and/or compensatory time.

- C. **Military Leave.** Any employee who enters the active service in the armed forces of the United States while employed shall be granted a leave of absence without pay for the period of military service, subject to R.C.W. 38.40.060 which shall determine compensation, if any, during military leave as provided herein. Compensation and benefits during this military leave taken shall be in accordance with Snohomish County Code 3A.06.055 (as written or as modified)

- D. **Personal Leave.** Employees may request an unpaid personal leave of absence of not more than six (6) months by submitting a written request to their immediate supervisor. Requests must be submitted at least thirty (30) days in advance (except in emergency situations). An employee's accrued compensatory time, vacation leave and floating holiday hours must be utilized, in the order stated, before an employee may be eligible for an unpaid personal leave of absence. Any request for a personal leave of absence in excess of six (6) months must be compatible with department needs and must have the Human Resources Director's approval for

good cause shown. Leaves for educational purpose will be granted for up to nine (9) months duration.

Section 4. Return From Leave of Absence. At the expiration of any authorized leave of absence, per applicable laws, every effort will be made to return the employee to their last held position unless other conditions were stipulated in writing by the immediate supervisor upon granting the leave or unless otherwise stipulated in this agreement. If it is not possible to reinstate the employee to their last held position, attempts will be made to place the employee in a comparable position. Any employee who fails to return to work within three (3) working days after the expiration of such leave shall be considered to have voluntarily resigned their employment with the County, unless the employee, prior to the expiration of such leave, has requested and been granted a leave of absence extension.

ARTICLE 15 - CLASSIFICATION AND WAGE ADMINISTRATION

For purposes of pay administration, full-time employment is defined as work consisting of at least thirty-five (35) but no more than forty (40) hours per week.
- B. **Anniversary Step Date and Accrual Date Administration.** Effective dates between the first and the fifteenth of any month will have an anniversary date of the first of the month in which the hiring occurred; effective dates between the sixteenth and the end of any month will have an anniversary hire date of the first of the following month in which the hiring occurred. (example: An employee hired on February 16 would receive wages beginning on this date, and the anniversary step date would be March 1 of the following year. An employee hired on February 10 would have an anniversary step date of February 1 of the following year.)

Section 3. Starting Rate Upon Initial Employment. New employees shall be appointed at the minimum step of the pay grade in effect for the particular classification or positions to which the appointment is made unless the employing official has received prior authorization from the County Executive or their designee to fill the position at some other step in the pay grade, and the

Union has been notified in writing and has no legitimate objection to doing so. In no event shall the starting rate of pay exceed the maximum rate of the pay grade.

Section 4. Pay Rate Upon Promotion. An employee who is promoted to this bargaining unit from within the County shall be paid at the step in the new pay grade which represents at least a one step increase over the rate of pay received immediately prior to the promotion or at the minimum step of the new pay grade, whichever is greater, unless the employing official has received prior authorization from the County Executive or their designee to fill the position at some other step in the pay grade, and the Union has been notified in writing and has no legitimate objection to doing so. In no event shall the starting rate of pay exceed the maximum step of the new pay grade. Employees who previously held regular status in the new position will retain their salary step after promotion.

Section 5. Pay Rate Upon Demotion or Voluntary Reduction. An employee who is demoted shall be paid at that step in the lower pay grade that results in not more than a one (1) step decrease, the one (1) step decrease being defined as the next lower step on the employee's pay grid before the demotion or voluntary reduction. The resulting pay step shall not be higher than the maximum nor lower than the minimum step of the lower pay grade.

An employee who is demoted from trial service following promotion shall receive the same step in the lower pay grade as held before promotion, provided that adjustments shall be made to take into account any step increases which would have occurred had the employee not been promoted.

An employee who accepts a voluntary reduction because of organizational changes or reduction in force or who requests a voluntary reduction for personal reasons shall be paid at that step in the lower pay grade that results in not more than a one (1) step reduction in the pay grade as defined and limited above; provided, however, that the employee will receive the same rate of pay received prior to the demotion (but not higher than the top step of the salary grade) if the lower classified position requires performance of duties which are functionally related to the duties of the higher classified position held by the employee and the employee can satisfactorily perform all the duties of the position without a training period.

Section 6. Pay Rate Upon Demotion From Promotion. An employee who is demoted from trial service following promotion shall receive the same step in the lower pay grade as held before promotion, provided that adjustments shall be made to take into account any step increases which would have occurred had the employee not been promoted.

Section 7. Pay Rate Upon Transfer. An employee who transfers from one position to another within the same class, or from a position in one class to a

position in a different class that is assigned to the same pay grade, shall continue to receive the same rate of pay as before the transfer.

Section 9. Calculating Hourly Wage. For the purposes of calculating the hourly rate of pay for employees who are paid on the basis of a monthly salary, hourly wages shall be determined by the following formula:

$$\frac{\text{Annual Salary}}{\text{Annual Work Schedule}} = \text{Standard Hourly Rate}$$

The above formula is used to calculate the Standard Hourly Rate for determining overtime pay, sick leave payout, and vacation leave payout.

Section 10. Adjustment to the Anniversary Date (Step Adjustment Date).

The anniversary date, once established at the time of initial employment (pursuant to Section 2 (B) of this Article), shall not be changed due to subsequent reclassification, promotion or demotion, but will be adjusted for any leave without pay or layoff period of ninety calendar days or more. When an employee returns from a leave without pay or a layoff that is ninety days or longer and is re-employed, the original hire date will be extended by an amount of time equal to the period of leave without pay or layoff in excess of ninety (90) days. A new anniversary date will be calculated from this revised hire date pursuant to Section 2 (B) of this Article.
