

# **SNOHOMISH COUNTY**

## COVID-19 Recovery Framework

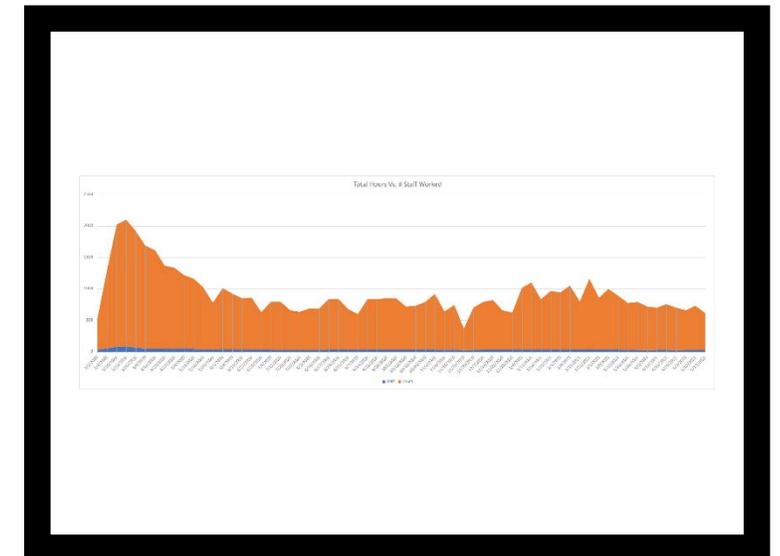

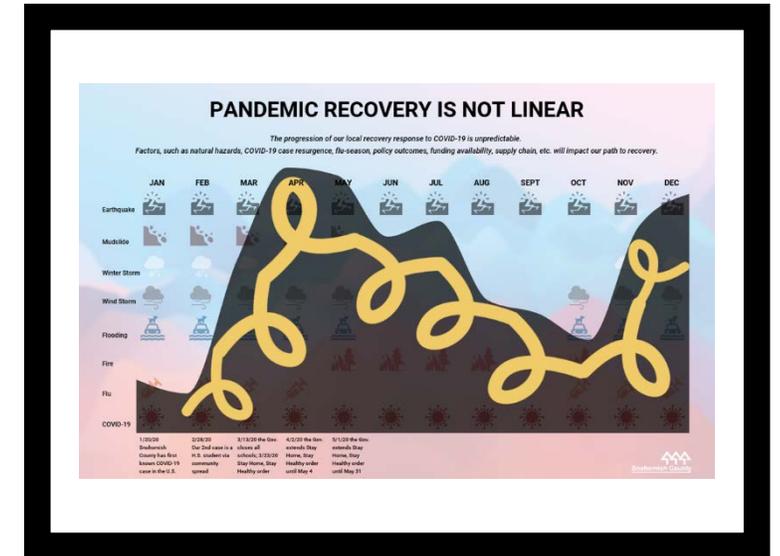

# Why now?

- Disaster recovery is often thought of as post-earthquake, post-flood, or after a natural disaster that causes significant physical damage.
- Snohomish County's disaster recovery experience has been generally either localized and/or short-term

# We're not in our typical recovery.

- Multiple waves
- Extended and ongoing ECC activation
  - 177 staff from 18 agencies and over 56,000 hours
  - tripled DEM's staff and managed internal turnover without a dedicated HR person
  - managed appropriations equaling about a decade of our average budget
  - demobilization, processing FEMA Public Assistance, further support for vaccinations

Total Hours	First Name	Last Name	Agency	Department
2811.65	Jarrold	Dibble	Snohomish County	SnoCo Emergency Management
2781.68	Scott	North	Snohomish County	SnoCo Emergency Management
2424.00	Jason	Biermann	Snohomish County	SnoCo Emergency Management

1325.42	John	Holdsworth	Snohomish County	SnoCo Emergency Management

## While activated for COVID-19, DEM staff also

- responded to other incidents
  - concurrent activations for civil unrest
  - mutual aid during last summer's fires
- continued to plan
  - updated the County's Comprehensive Emergency Management Plan
  - updated the Hazard Mitigation Plan
- continued to partner with our neighbors
  - Seattle Metro UASI
  - Homeland Security Region 1
  - Puget Sound RCPT
  - interlocal agreements
  - expanding HAMWAN

# Snohomish County Recovery Framework

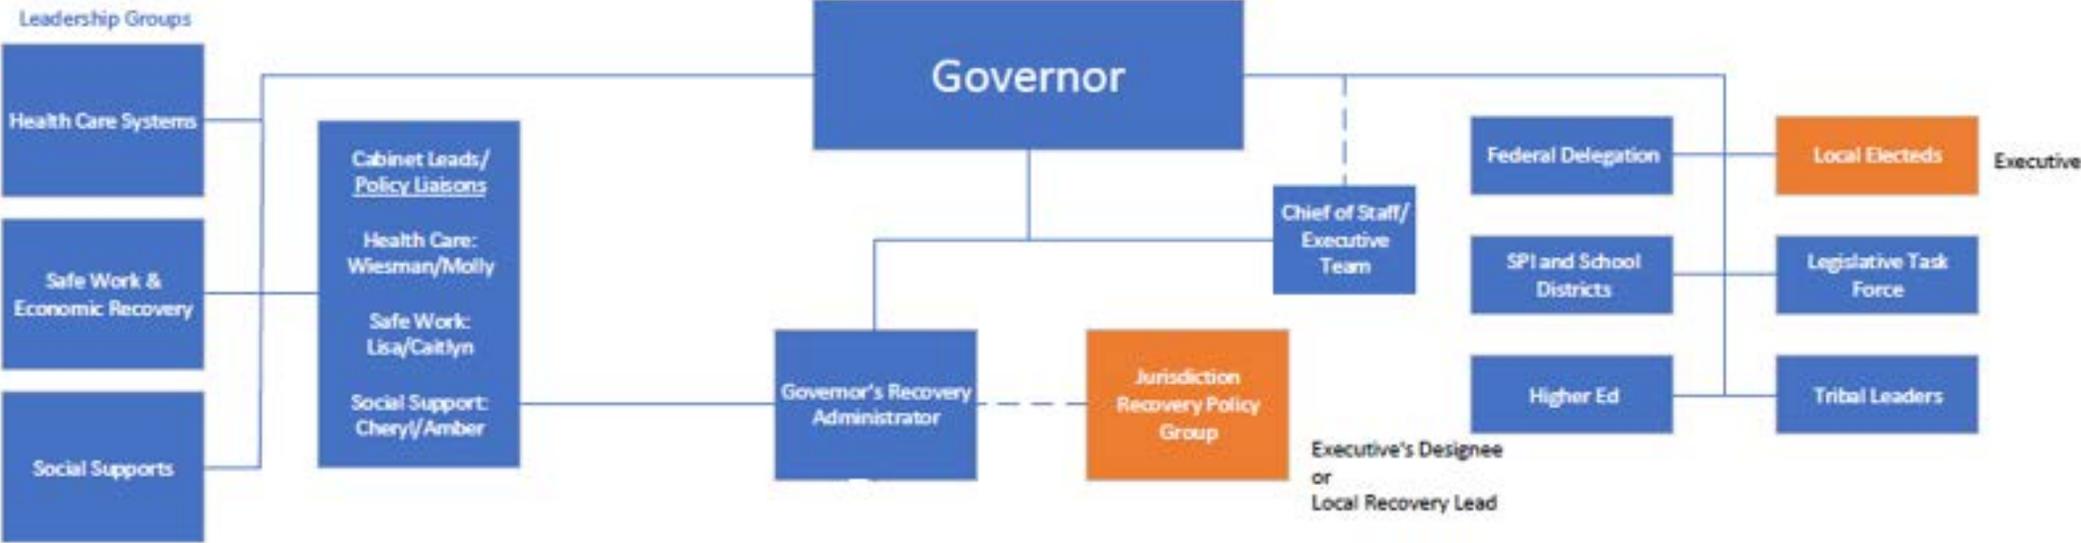

- **Coordinated out of the Executive's Office.**
- **Six functional areas (Coordinating Agency):**
  - **Economic (Executive's Office):** Return economic and business activities (including agricultural) to a state of health and develop new economic opportunities that result in a sustainable and economically viable community.
  - **Housing (Human Services):** Ability to implement housing solutions that effectively support the needs of the whole community and contribute to its sustainability and resilience.
  - **Human and Social Services (Human Services):** Ability to restore and improve social services networks to promote the resilience, health, independence and well being of the whole community.
  - **Public Health and Medical Services (SHD):** Ability to restore and improve health services networks to promote the resilience, health, independence and well being of the whole community.
  - **Community and Land Use Planning (PDS) NOT ACTIVATED:** Effectively plan and implement disaster recovery activities, engaging the whole community to achieve their objectives and increase resilience.
  - **Infrastructure Systems (Public Works) NOT ACTIVATED:** Ability to efficiently restore the infrastructure systems and services to support a viable, sustainable community and improves resilience to and protection from future hazards.

# Roles and Responsibilities

Role	Function	Responsibility
