

**CORONAVIRUS LOCAL FISCAL RECOVERY FUNDS INTERLOCAL  
AGREEMENT WITH NORTH COUNTY REGIONAL FIRE AUTHORITY**

This CORONAVIRUS LOCAL FISCAL RECOVERY FUNDS INTERLOCAL AGREEMENT (the “Agreement”) is entered into this 14th day of December, 2023, between SNOHOMISH COUNTY, a political subdivision of the State of Washington (the “County”), and the **North County Regional Fire Authority**, a Washington municipal corporation and public agency under chapter 39.34 RCW (“Agency”), collectively referred to as the “Parties.”

**RECITALS**

WHEREAS, chapter 39.34 RCW, the Interlocal Cooperation Act, authorizes public agencies, including the County and the North County Regional Fire Authority to enter into cooperative agreements with one another to make the most efficient use of their respective powers; and

WHEREAS, the County would like to award to the North County Regional Public Safety Training Center **\$500,000** for the government services Project described herein.

## AGREEMENT

NOW, THEREFORE, in consideration of the respective agreements set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the County and the **North County Regional Fire Authority** agree as follows:

1. Purpose of Agreement; Government Services Project. The purpose of this Agreement is to set forth the terms and conditions under which the County will provide Coronavirus Local Fiscal Recovery funds (“CLFR”) funding (the “Funds”) to the **North County Regional Fire Authority** for the government services Project set forth in **Exhibit B**, attached hereto and by this reference made a part hereof. Special funding source terms and conditions are set forth in **Exhibit A**, attached hereto and by this reference made a part of hereof.

The Project shall be executed in accordance with the requirements of this Agreement and with generally accepted practices prevailing in the western Washington region in the occupation or industry in which the Agency practices or operates at the time the services are performed. The Agency shall perform the work in a timely manner and in accordance with the terms of this Agreement.

The Agency will prepare and present status reports and other information regarding performance of the Agreement as the County may request.

2. Term of Agreement; Time of Performance. As provided by RCW 39.34.040, this Agreement shall not take effect unless and until it has been duly executed by both parties and either filed with the County Auditor or posted on the County’s Interlocal Agreements website (“Effective Date”). Notwithstanding the Effective Date, this Agreement shall govern the Project set forth in Exhibit B from **November 1, 2023**, through **June 30, 2026**. The Agency shall commence work upon the Effective Date and shall complete the work required by this Agreement no later than **June 30, 2026**, PROVIDED, HOWEVER, that the County’s obligations after **December 31, 2023** are contingent upon local legislative appropriation of necessary funds for this specific purpose in accordance with the County Charter and applicable law.

3. Funds. The County agrees to provide up to **\$500,000** to the Agency from the County's share of its CLFR allotment, to be used for the Project set forth in **Exhibit B**.

a. Eligible Expenses. The County shall pay the Funds to the Agency on a reimbursement basis only for actual costs incurred. The County shall not make payment in advance or in anticipation of costs incurred by the Funds under this Agreement. The County will reimburse the Agency for Eligible Expenses as and when set forth in **Exhibit C**, which is attached hereto and by this reference made a part of this Agreement.

b. Overhead and Expenses. The total amount of Funds received by Agency in **Section 3a** above includes overhead and expenses and no separate claims for reimbursement of overhead or expenses will be allowed under this Agreement.

c. Invoices. The Agency shall submit monthly invoices to the County for reimbursement, PROVIDED, HOWEVER, that the final invoice shall be submitted to the County no later than **June 30, 2026**. Any invoice received after **June 30, 2026**, shall not be eligible for reimbursement. Subject to **Section 8** of this Agreement, the County will pay such invoices within thirty (30) calendar days of receipt.

Every invoice submitted by Agency shall be accompanied by an executed cost certification in the form set forth in **Exhibit F**, attached hereto and by this reference made a part hereof. Prior to beginning work under this Agreement, Agency shall submit an executed version of the Lobbying Certification in the form set forth in **Exhibit D**, attached hereto and by this reference made a part hereof and an executed version of the Civil Rights Certification in the form set forth in **Exhibit E**, attached hereto and by this reference made a part hereof.

d. Payment. The County's preferred method of payment under this contract is electronic using the County's "e-Payable" system with Bank of America. The Agency is highly encouraged to take advantage of the electronic payment method.

In order to utilize the electronic payment method, the Agency shall email [SBF-SnocoEpayables@co.snohomish.wa.us](mailto:SBF-SnocoEpayables@co.snohomish.wa.us) and indicate it was awarded a contract with Snohomish County and will be receiving payment through the County's e-Payable process. The Agency needs to provide contact information (name, phone number and email address). The Agency will be contacted by a person in the Finance Accounts Payable group and assisted with the enrollment process. This should be done as soon as feasible after County award of a contract or purchase order, but not exceeding ten (10) business days.

Department approved invoices received in Finance will be processed for payment within seven calendar days for e-Payable contractors. Invoices are processed for payment by Finance two times a week for contractors who have selected the e-Payable payment option.

In the alternative, if the Agency does not enroll in the electronic ("e-Payable") payment method described above, contract payments will be processed by Finance with the issuance of paper checks or, if available, an alternative electronic method. Alternative payment methods, other than e-Payables, will be processed not more than 30 days from receipt of department approved invoices to Finance.

THE COUNTY MAY MAKE PAYMENTS FOR PURCHASES UNDER THIS CONTRACT USING THE COUNTY'S VISA PURCHASING CARD (PCARD).

Upon acceptance of payment, the Agency waives any claims for the goods or services covered by the Invoice. No advance payment shall be made for the goods or services furnished by Agency pursuant to this Contract.

e. Payment Method. In addition to Payment section above, the County may make payments for purchases under this contract using the County's VISA purchasing card (PCARD).

Are you willing to accept PCARD payments without any fees or surcharges?

Yes  No

f. Contract Maximum. Total payment under this Agreement, all fees and expenses included, shall not exceed **\$500,000** for the initial term of this Agreement (excluding extensions or renewals, if any).

4. Independent Contractor. The Agency agrees that Agency will perform the services under this Agreement as an independent contractor and not as an agent, employee, or servant of the County. This Agreement neither constitutes nor creates an employer-employee relationship. The parties agree that the Agency is not entitled to any benefits or rights enjoyed by employees of the County. The Agency specifically has the right to direct and control Agency's own activities in providing the agreed services in accordance with the specifications set out in this Agreement. The County shall only have the right to ensure performance. Nothing in this Agreement shall be construed to render the parties' partners or joint venturers.

The Agency shall furnish, employ and have exclusive control of all persons to be engaged in performing the Agency's obligations under this Agreement (the "Agency personnel"), and shall prescribe and control the means and methods of performing such obligations by providing adequate and proper supervision. Such Agency personnel shall for all purposes be solely the employees or agents of the Agency and shall not be deemed to be employees or agents of the County for any purposes whatsoever. With respect to Agency personnel, the Agency shall be solely responsible for compliance with all rules, laws and regulations relating to employment of labor, hours of labor, working conditions, payment of wages and payment of taxes, including applicable contributions from Agency personnel when required by law.

The Agency shall be responsible for all obligations relating to federal income tax, self-employment or FICA taxes and contributions, and all other so-called employer taxes and contributions including, but not limited to, industrial insurance (workers' compensation). The Agency agrees to indemnify, defend and hold the County harmless from any and all claims, valid or otherwise, made to the County because of these obligations.

The Agency assumes full responsibility for the payment of all payroll taxes, use, sales, income, or other form of taxes, fees, licenses, excises or payments required by any city, county, federal or state legislation which are now or may during the term of the Agreement be enacted as to all persons employed by the Agency and as to all duties, activities and requirements by the Agency in performance of the work under this Agreement. The Agency shall assume exclusive liability therefor and shall meet all requirements thereunder pursuant to any rules or regulations that are now or may be promulgated in connection therewith.

5. Ownership. Any and all data, reports, analyses, documents, photographs, pamphlets, plans, specifications, surveys, films or any other materials created, prepared, produced, constructed, assembled, made, performed or otherwise produced by the Agency or the Agency's subcontractors or consultants for delivery to the County under this Agreement shall be the sole and absolute property of the County. Such property shall constitute "work made for hire" as defined by the U.S. Copyright Act of 1976, 17 U.S.C. § 101, and the ownership of the copyright and any other intellectual property rights in such property shall vest in the County at the time of its creation. Ownership of the intellectual property includes the right to copyright, patent, and register, and the ability to transfer these rights. Material which the Agency uses to perform this Agreement but is not created, prepared, constructed, assembled, made, performed or otherwise produced for or paid for by the County is owned by the Agency and is not "work made for hire" within the terms of this Agreement.

6. Changes. No changes or additions shall be made in this Agreement except as agreed to by both parties, reduced to writing and executed with the same formalities as are required for the execution and effectiveness of this Agreement.

7. County Contact Person. The assigned contact person (or project manager) for the County for this Agreement shall be:

Name: Jessica Ruhle  
Title: Regional Grant & Contract Planner  
Department: Office of Recovery & Resilience  
Telephone: (425) 262-2095  
Email: Jessica.ruhle@snoco.org

8. County Review and Approval. When the Agency has completed any discrete portion of the services, the Agency shall verify that the work is free from errors and defects and otherwise conforms to the requirements of this Agreement. The Agency shall then notify the County that said work is complete. The County shall promptly review and inspect the work to determine whether the work is acceptable. If the County determines the work conforms to the requirements of this Agreement, the County shall notify the Agency that the County accepts the work. If the County determines the work contains errors, omissions, or otherwise fails to conform to the requirements of this Agreement, the County shall reject the work by providing the Agency with written notice describing the problems with the work and describing the necessary corrections or modifications to same. In such event, the Agency shall promptly remedy the problem or problems and re-submit the work to the County. The Agency shall receive no additional compensation for time spent correcting errors. Payment for the work will not be made until the work is accepted by the County. The Agency shall be responsible for the accuracy of work even after the County accepts the work.

If the Agency fails or refuses to correct the Agency's work when so directed by the County, the County may withhold from any payment otherwise due to the Agency an amount that the County in good faith believes is equal to the cost the County would incur in correcting the errors, in re-procuring the work from an alternate source, and in remedying any damage caused by the Agency's conduct.

9. Subcontracting and Assignment. The Agency shall not subcontract, assign, or delegate any of the rights, duties or obligations covered by this Agreement without prior express written consent of the County. Any attempt by the Agency to subcontract, assign, or delegate any portion of the Agency's obligations under this Agreement to another party in violation of the preceding sentence shall be null and void and shall constitute a material breach of this Agreement.

10. Records and Access; Audit; Ineligible Expenditures. The Agency shall maintain adequate records to support billings. Said records shall be maintained for a period of seven (7) years after completion of this Agreement by the Agency. The County or any of its duly authorized representatives shall have access at reasonable times to any books, documents, papers and records of the Agency which are directly related to this Agreement for the purposes of making audit examinations, obtaining excerpts, transcripts or copies, and ensuring compliance by the County with applicable laws. Expenditures under this Agreement, which are determined by audit to be ineligible for reimbursement and for which payment has been made to the Agency, shall be refunded to the County by the Agency.

11. Indemnification. To the maximum extent permitted by law and except to the extent caused by the sole negligence of the County and, if any funds for this Agreement are provided by the State, the State, the Agency shall indemnify and hold harmless the County and the State, their officers, officials, agents and employees, from and against any and all suits, claims, actions, losses, costs, penalties and damages of whatsoever kind or nature arising out of, in connection with, or incidental to the entire project undertaken by or on behalf of Agency, including but not limited to all services and/or deliverables. In addition, the Agency shall assume the defense of the County and, if applicable, the State and their officers and employees in all legal or claim proceedings arising out of, in connection with, or incidental to the project, including such services and/or deliverables and shall pay all defense expenses, including reasonable attorneys' fees, expert fees and costs incurred by the County and, if applicable, the State, on account of such litigation or claims.

The above indemnification obligations shall include, but are not limited to, all claims against the County and, if applicable, the State by an employee or former employee of the Agency or its subcontractors, and the Agency, by mutual negotiation, expressly waives all immunity and limitation on liability, as respects only the County and, if applicable, the State, under any industrial insurance act, including Title 51 RCW, other worker's compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim.

In the event that the County or, if applicable, the State incurs any judgment, award and/or cost including attorneys' fees arising from the provisions of this section, or to enforce the provisions of this section, any such judgment, award, fees, expenses and costs shall be recoverable from the Agency.

In addition to injuries to persons and damage to property, the term “claims,” for purposes of this provision, shall include, but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, and/or otherwise results in an unfair trade practice.

The indemnification, protection, defense and save harmless obligations contained herein shall survive the expiration, abandonment or termination of this Agreement.

Nothing contained within this provision shall affect or alter the application of any other provision contained within this Agreement.

12. Insurance Requirements. The Agency shall procure by the time of execution of this Agreement, and maintain for the duration of this Agreement, (i) insurance against claims for injuries to persons or damage to property which may arise from or in connection with the entire project, including but not limited to the performance of the services hereunder by the Agency, its agents, representatives, or employees, and (ii) a current certificate of insurance and additional insured endorsement when applicable.

a. General. Each insurance policy shall be written on an "occurrence" form, except that Professional Liability, Errors and Omissions coverage, if applicable, may be written on a “claims made” basis. If coverage is approved and purchased on a “claims made” basis, the Agency warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the work which is the subject of this Agreement.

By requiring the minimum insurance coverage set forth in this **Section 12**, the County shall not be deemed or construed to have assessed the risks that may be applicable to the Agency under this Agreement. The Agency shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.

b. No Limitation on Liability. The Agency’s maintenance of insurance as required by this Agreement shall not be construed to limit the liability of the Agency to the coverage provided by such insurance, or otherwise limit the County’s recourse to any remedy available at law or in equity.

c. Minimum Scope and Limits of Insurance. The Agency shall maintain coverage at least as broad as, and with limits no less than:

(i) General Liability: \$1,000,000.00 combined single limit per occurrence for bodily injury, personal injury and property damage, and for those policies with aggregate limits, a \$2,000,000.00 aggregate limit. CG 00 01 current edition, including Products and Completed Operations;

(ii) Automobile Liability: \$1,000,000.00 combined single limit per accident for bodily injury and property damage. CA 0001 current edition, Symbol 1;

(iii) Workers' Compensation: To meet applicable statutory requirements for workers' compensation coverage of the state or states of residency of the workers providing services under this Agreement;

(iv) Employers' Liability or "Stop Gap" coverage: \$1,000,000.00.

d. Other Insurance Provisions and Requirements. The insurance coverages required in this Agreement for all liability policies except workers' compensation and Professional Liability, if applicable, must contain, or must be endorsed to contain, the following provisions:

(i) The County, its officers, officials, employees and agents are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the Agency in connection with this Agreement. Such coverage shall be primary and non-contributory insurance as respects the County, its officers, officials, employees and agents. Additional Insured Endorsement shall be included with the certificate of insurance, "CG 2026 07/04" or its equivalent is required.

(ii) The Agency's insurance coverage shall apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.

(iii) Any deductibles or self-insured retentions must be declared to, and approved by, the County. The deductible and/or self-insured retention of the policies shall not limit or apply to the Agency's liability to the County and shall be the sole responsibility of the Agency.

(iv) Insurance coverage must be placed with insurers with a Best's Underwriting Guide rating of no less than A:VIII or, if not rated in the Best's Underwriting Guide, with minimum surpluses the equivalent of Best's surplus size VIII. Professional Liability, Errors and Omissions insurance coverage, if applicable, may be placed with insurers with a Best's rating of B+:VII. Any exception must be approved by the County.

Coverage shall not be suspended, voided, canceled, reduced in coverage or in limits until after forty-five (45) calendar days' prior written notice has been given to the County.

If at any time any of the foregoing policies fail to meet minimum requirements, the Agency shall, upon notice to that effect from the County, promptly obtain a new policy, and shall submit the same to the County, with the appropriate certificates and endorsements, for approval.

e. Subcontractors. The Agency shall include all subcontractors as insureds under its policies or shall furnish separate certificates of insurance and policy endorsements for each subcontractor. **Insurance coverages provided by subcontractors instead of the Agency as evidence of compliance with the insurance requirements of this Agreement shall be subject to all of the requirements stated herein.**

13. County Non-discrimination. It is the policy of the County to reject discrimination which denies equal treatment to any individual because of his or her race, creed, color, national origin, families with children, sex, marital status, sexual orientation, age, honorably discharged veteran or military status, or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a person with a disability as provided in Washington's Law against Discrimination, Chapter 49.60 RCW, and the Snohomish County Human Rights Ordinance, Chapter 2.460 SCC. These laws protect against specific forms of discrimination in employment, credit transactions, public accommodation, housing, county facilities and services, and county contracts.

The Agency shall comply with the substantive requirements of Chapter 2.460 SCC, which are incorporated herein by this reference. Execution of this Agreement constitutes a certification by the Agency of the Agency's compliance with the requirements of Chapter 2.460 SCC. If the Agency is found to have violated this provision, or to have furnished false or misleading information in an investigation or proceeding conducted pursuant to this Agreement or Chapter 2.460 SCC, this Agreement may be subject to a declaration of default and termination at the County's discretion. This provision shall not affect the Agency's obligations under other federal, state, or local laws against discrimination.

14. Federal Non-discrimination. Snohomish County assures that no persons shall on the grounds of race, color, national origin, or sex as provided by Title VI of the Civil Rights Act of 1964 (Pub. L. No. 88-352), as amended, and the Civil Rights Restoration Act of 1987 (Pub. L. No. 100-259) be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any County sponsored program or activity. Snohomish County further assures that every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs and activities are federally funded or not.

15. Employment of County Employees. SCC 2.50.075, "Restrictions on future employment of County employees," imposes certain restrictions on the subsequent employment and compensation of County employees. The Agency represents and warrants to the County that it does not at the time of execution of this Agreement, and that it shall not during the term of this Agreement, employ a former or current County employee in violation of SCC 2.50.075. For breach or violation of these representations and warranties, the County shall have the right to terminate this Agreement without liability.

16. Compliance with Other Laws. The Agency shall comply with all other applicable federal, state and local laws, rules, and regulations in performing this Agreement.

17. Compliance with Grant Terms and Conditions. The Agency shall comply with any and all conditions, terms and requirements of any federal, state or other grant, if any, that wholly or partially funds the Agency's work hereunder.

18. Prohibition of Contingency Fee Arrangements. The Agency warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Agency, to solicit or secure this Agreement and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Agency, any fee, commission, percentage, brokerage fee, gifts or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the County shall have the right to terminate this Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

19. Force Majeure. If either party is unable to perform any of its obligations under this Agreement as a direct result of an unforeseeable event beyond that party's reasonable control, including but not limited to an act of war, act of nature (including but not limited to earthquake and flood), embargo, riot, sabotage, labor shortage or dispute (despite due diligence in obtaining the same), or governmental restriction imposed subsequent to execution of the Agreement (collectively, a "force majeure event"), the time for performance shall be extended by the number of days directly attributable to the force majeure event. Both parties agree to use their best efforts to minimize the effects of such failures or delays.

20. Suspension of Work. The County may, at any time, instruct the Agency in writing to stop work effective immediately, or as directed, pending either further instructions from the County to resume the work or a notice from the County of breach or termination under **Section 21** of this Agreement.

21. Non-Waiver of Breach; Termination.

a. The failure of the County to insist upon strict performance of any of the covenants or agreements contained in this Agreement, or to exercise any option conferred by this Agreement, in one or more instances shall not be construed to be a waiver or relinquishment of those covenants, agreements or options, and the same shall be and remain in full force and effect.

b. If the Agency breaches any of its obligations hereunder, and fails to cure the same, or take corrective action, within fifteen (15) business days of written notice to do so by the County, the County may terminate this Agreement, in which case the County shall pay the Agency only for the services and corresponding reimbursable expenses, if any, accepted by the County in accordance with **Sections 3** and **8** hereof.

c. The County may terminate this Agreement upon fifteen (15) business days' written notice to the Agency for any reason other than stated in subparagraph b above, in which case payment shall be made in accordance with **Sections 3** and **8** hereof for the services and corresponding reimbursable expenses, if any, reasonably and directly incurred by the Agency in performing this Agreement prior to receipt of the termination notice.

d. Termination by the County hereunder shall not affect the rights of the County as against the Agency provided under any other section or paragraph herein. The County does not, by exercising its rights under this **Section 21**, waive, release or forego any legal remedy for any violation, breach or non-performance of any of the provisions of this Agreement. At its sole option, the County may deduct from the final payment due the Agency (i) any damages, expenses or costs arising out of any such violations, breaches or non-performance and (ii) any other set-offs or credits including, but not limited to, the costs to the County of selecting and compensating another contractor to complete the work of the Agreement.

e. The County may suspend all or any part of this Agreement and withhold further payments or prohibit the Agency from incurring additional obligations thereunder during investigation of suspected noncompliance with the terms of the Agreement. The County may also take these actions pending corrective action by the Agency.

22. Notices. All notices and other communications shall be in writing and shall be sufficient if given, and shall be deemed given, on the date on which the same has been mailed by certified mail, return receipt requested, postage prepaid, addressed as follows:

If to the County:

The County or the Agency may, by notice to the other given hereunder, designate any further or different addresses to which subsequent notices or other communications shall be sent.

23. Confidentiality. The Agency shall not disclose, transfer, sell or otherwise release to any third party any confidential information gained by reason of or otherwise in connection with the Agency's performance under this Agreement. The Agency may use such information solely for the purposes necessary to perform its obligations under this Agreement. The Agency shall promptly give written notice to the County of any judicial proceeding seeking disclosure of such information.

24. Public Records Act. This Agreement and all public records associated with this Agreement shall be available from the County for inspection and copying by the public where required by the Public Records Act, Chapter 42.56 RCW (the “Act”). To the extent that public records then in the custody of the Agency are needed for the County to respond to a request under the Act, as determined by the County, the Agency agrees to make them promptly available to the County. If the Agency considers any portion of any record provided to the County under this Agreement, whether in electronic or hard copy form, to be protected from disclosure under law, the Agency shall clearly identify any specific information that it claims to be confidential or proprietary. If the County receives a request under the Act to inspect or copy the information so identified by the Agency and the County determines that release of the information is required by the Act or otherwise appropriate, the County’s sole obligations shall be to notify the Agency (a) of the request and (b) of the date that such information will be released to the requester unless the Agency obtains a court order to enjoin that disclosure pursuant to RCW 42.56.540. If the Agency fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified.

The County has, and by this section assumes, no obligation on behalf of the Agency to claim any exemption from disclosure under the Act. The County shall not be liable to the Agency for releasing records not clearly identified by the Agency as confidential or proprietary. The County shall not be liable to the Agency for any records that the County releases in compliance with this section or in compliance with an order of a court of competent jurisdiction.

The parties acknowledge that Agency is subject to the Washington public records act. If the County considers any portion of any record held by the Agency under this Agreement, whether in electronic or hard copy form, to be protected from disclosure under law, the County shall clearly identify any specific information that it claims to be confidential or proprietary. If the Agency receives a request under the Act to inspect or copy the information so identified by the County and the Agency determines that release of the information is required by the Act or otherwise appropriate, the Agency’s sole obligations shall be to notify the County (a) of the request and (b) of the date that such information will be released to the requester unless the County obtains a court order to enjoin that disclosure pursuant to RCW 42.56.540. If the County fails to timely obtain a court order enjoining disclosure, the Agency will release the requested information on the date specified.

25. Interpretation. This Agreement and each of the terms and provisions of it are deemed to have been explicitly negotiated by the parties. The language in all parts of this Agreement shall, in all cases, be construed according to its fair meaning and not strictly for or against either of the parties hereto. The captions and headings of this Agreement are used only for convenience and are not intended to affect the interpretation of the provisions of this Agreement. This Agreement shall be construed so that wherever applicable the use of the singular number shall include the plural number, and vice versa, and the use of any gender shall be applicable to all genders.

27. Conflicts between Attachments and Text. Should any conflicts exist between any attached exhibit or schedule and the text or main body of this Agreement, the text or main body of this Agreement shall prevail.

28. No Third Party Beneficiaries. The provisions of this Agreement are for the exclusive benefit of the County and the Agency. This Agreement shall not be deemed to have conferred any rights, express or implied, upon any third parties.

29. Governing Law; Venue. This Agreement shall be governed by the laws of the State of Washington. The venue of any action arising out of this Agreement shall be in the Superior Court of the State of Washington, in and for Snohomish County.

30. Severability. Should any clause, phrase, sentence or paragraph of this agreement be declared invalid or void, the remaining provisions of this Agreement shall remain in full force and effect.

31. Authority. Each signatory to this Agreement represents that he or she has full and sufficient authority to execute this Agreement on behalf of the County or the Agency, as the case may be, and that upon execution of this Agreement it shall constitute a binding obligation of the County or the Agency, as the case may be.

### CLFR TERMS AND CONDITIONS

#### North County Regional Fire Authority - Fire Training Modulares

The County has appropriated funds from its portion of Coronavirus Local Fiscal Recovery Funds (“CLFR”) pursuant to the American Rescue Plan Act (ARPA), PL 117-2, section 9901, codified at 42 USC Section 802 *et seq.* to be used to pay for North County Regional Fire Authority Training Modulares as set forth in **Exhibit B** of the Agreement. #### **II. BACKGROUND**

North County Regional Fire Authority (NCRFA) is developing a Multi-Hazard training facility on property they own at 2930 300<sup>th</sup> ST NW, Stanwood, WA 98292-5422, Parcel Number 32041500100300. Please refer to Section I of Appendix A for a legal description and Section III of Appendix A for a site plan. The Multi-Hazard training facility allows for training on multiple hazards in different combinations on the same property. Phase 1 is completed and includes a paved street system to address driver training for Fire, EMS, and Law Enforcement teams throughout the region. It includes two pads that are built with an underground water recovery system, and hydrants for water supply. The first concrete pad hosts a five-story training tower prop with live fire burn rooms to replicate residential and commercial fires.

Phase 2 of the site is proposed to contain a multi-unit strip mall fire training simulator. Fighting fires in strip malls is a high-hazard/low-frequency incident. NCRFA has prepared a second site on the property to accommodate a set of training modules that will simulate a strip mall structure.

#### **III. STATEMENT OF WORK**

NCRFA shall purchase of up to seven modules of the pre-fabricated modular, multi-unit strip mall style components that will simulate fire training scenarios, and may seek reimbursement of up to \$500,000.00. The modules purchased with this funding are Street Scape Modules that allow continuous adjustment of training scenarios to better inform firefighters of the variety of scenarios they are likely to see in fighting strip mall fires. The modular training system will replicate the construction, roof systems, and building access conditions seen in strip malls across the county. Appendix A includes a description and schematics of the modules.

The modules will be secured to poured concrete footings as part of a concrete slab that is custom built and ready for the installation of the modular training system.

Accordingly, Subrecipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. 6. Subrecipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Subrecipient for the period during which it retains ownership or possession of the property.
7. Subrecipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. The Subrecipient shall comply with information requests, on-site compliance reviews and reporting requirements.

Subrecipient also must inform the Department of the Treasury if Subrecipient has received no complaints under Title VI.
9. Subrecipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Subrecipient and the administrative agency that made the finding. If the Subrecipient settles a case or matter alleging such discrimination, the Subrecipient must provide documentation of the settlement. If Subrecipient has not been the subject of any court or administrative agency finding of discrimination, please so state.
10. If the Subrecipient makes sub-awards to other agencies or other entities, the Subrecipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document. State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of sub-recipients.
11. The United States of America has the right to seek judicial enforcement of the terms of this assurance document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.
