Why would you like to serve on this board/commission? Advocating for the inclusion of and services for individuals with developmental disabilities has been a large part of my life for over 20 years. During my undergraduate education, I worked part-time for a group home with individuals with developmental

disabilities, and went on to become a program manager after graduation. Although I eventually moved to a different career path by attending pharmacy school, life brought me back to the advocacy role when I had my son, Gabriel. Gabriel has had developmental delay his entire life secondary to a medical event when he was an infant. He is now 20 years old. We spent the majority of that time in the Seattle area, becoming entrenched in special needs services within King County. Last April we moved to Mukilteo. I would like to serve on the developmental disabilities advisory board as an avenue to volunteerism in my new county, to continue my support of individuals with developmental disabilities, and as a way to learn more about services offered in Snohomish county. `

---

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

As mentioned above, I have previous work experience working with individuals with developmental disabilities and personal experience; my son -- who is 20 years old now -- has developmental disabilities.

---

Please list community involvement/volunteer activities

Previous volunteer activity leading medication education groups in area senior centers.  
Volunteered to put together "reading kits" for school aged children through the United Way.
