Why would you like to serve on this board/commission? I have a passion to help persons with disabilities. I have a twin brother with autism, so I have seen the trials that families face

raising a child with disabilities, as well as the trials adults with disabilities. I know my personal and professional experiences and knowledge could be a benefit to the current board.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

I have worked across multiple settings such as school districts, medical facilities, autism centers, and in-home settings. I am currently the Director of Operations for an autism center. I have experience with management, staffing, budgeting, and creating policies and procedures. With my experience both professional and personal I feel like I can bring valid perspective to the board. I understand the needs of the population and have ideas on how to improve our current resources while understanding the county's budget and restrictions.

Please list community involvement/volunteer activities

I recently moved to Washington from Texas, so at this time I no involvement with Snohomish county. However, in Texas I volunteered with the Special Olympics, group homes for adults with special needs, and started a special needs softball team for children with disabilities.

How did you learn of this opportunity?

I received a letter in the mail saying I was "randomly selected for potential nomination to the Snohomish County Citizen's Commission on Salaries of Elected Officials so I pulled up the Snohomish county website to learn more and say this commission and felt like it was a better fit for me so I decided to apply.
