Thanks Janice!

I see I missed a couple of consultants under those same categories:

David Evans and Associates, Inc.
Otak, Inc.

So we will include those as well.

Regards,
Julie

Subject: Request to use PW On Call List

Hi Janice,
PDS would like to utilize the Public Works 2023-2025 On Call list for the Engineering Services discipline, subcategory Civil Engineering. We are looking at Engineers who can do some reviews on permitting projects. Once we get your approval, we will proceed to interviewing three consultants, then choosing one or more. The three consultants on the list are:

DOWL, LLC
Jacobs Engineering Group, Inc.
Perteet, Inc.

Thanks
Julie
