Certificate Provisions

Additional Insured

It is understood and agreed the Certificate Holder(s) shall be included as Additional Insured(s) hereunder solely with respect to the operations of the Named Insured. It is specifically agreed the inclusion of more than one Insured hereunder shall not operate to increase the Limits of Liability and is limited to those coverages provided by these policies.

The policy does not provide coverage for the Additional Insured(s) with respect to claims arising out of their legal liability as manufacturers, repairers, suppliers or servicing agents and shall not operate to prejudice Underwriters rights of recourse against the Additional Insured as manufacturers, repairers, suppliers or servicing agents where such rights of recourse would have existed had this endorsement not been effected under this policy.

Primary

Insurers agree that this insurance shall be primary insurance without any right of contribution from any other insurance which may be carried by the Certificate Holder.

Notice of Cancellation

In the event of cancellation of any policy described above, the insurer will attempt to mail 30 days (10 days for non-payment of premium) written notice to the Certificate Holder prior to the effective date of cancellation. However, failure to do so will not impose duty or liability upon the insurer, its agents or representatives, nor will it delay cancellation.
